LAXA LIVER PILLS

Those who have used Laxa-Liver Pills say they have no equal for relieving and curing Constipation, Sick Head-ache, Biliousness, Dyspepsia, Coated Tongue, Foul Breath, Heart Burn, Water Brash or any disease or disorder of the stomach, liver or bowels.

Mrs. George Williams, Fairfield Plains, Ont., writes as follows: "As there are so many other medicines offered for sale in substitution for Laxa-Liver Pills I am particular to get the genuine, as they far sur-pass anything else for regulating the bowels and correcting stomach disorders."

Laxa-Liver Pills are purely vegetable; neither gripe, weaken nor sicken, are easy to take and prompt to act.

OBITUARY.—At Emsdale, on Thursday, Nov. 8th, Lizzie Bearsto passed peace-fully to rest in the 22nd year of her age. The deceased was a young woman of gentle disposition and sweet Christian character. She bore her long and painful illness with exemplary patience, and left the world without a murmur or regret, being not only prepared, but anxious to depart to be with Christ, her Hope and her Redeemer. After an appropriate ser-vice at the house, conducted by her pastor, Rev. A. D. McDonald, her remains were tenderly laid to rest in the family plot at Emsdale, there to await the general resurrection of the dead at the last day.

THE marriage of Mary E. Peters and James E. Purcell, formerly of Waltham, Mass., but now of Jersey City, took place at St. Louis Church, Brooklyn, New York, on Sunday, Nov. 4th, at 3.30 p. m., Rev. Father John Gereasolin officiating. A reception was given at the home of Mr. Joseph Morean, cousin of the groom, where the happy couple received congrat-ulations from friends and relations. Mr. and Mrs. Purcell left for Jersey City, N. J., on the same evening for their new home, Lafayette Street, where they will spend the winter. William Purcell of Waltham, brother of the groom, was groomsmen and Miss Annie Etta Campbell, cousin of the groom was bridesmaid.

THE death of Mrs. William Balls, which occurred at her home North River, on Tuesday morning Nov. 13th, is a peculiarly sad bereavement, only 23 years of age, with the brightest prospects of life all before her. She is suddenly called away from mortal scenes; to leave a sorrowing husband, and one dear little child, who is too young to realize that she has lost the very best of earthly friends. During her residence at North River she has won the high esteem of the entire community. Her quiet but consistent christianity and uni-formly attractive deportment, has left a favorable impression which will not soon be forgotten. A recent cold rapidly de-veloped into the most severe form of pneumonia, and all that a skillful physi-cian and loving attendants could do, did not stop the progress of the disease, the end coming rather unexpectedly. A few minutes before her departure, Mrs. Balls gave assurance to the writer that her future was perfectly secured in the love of Jesus. "To live is Christ but to die is gain". Mrs. Balls was the daughter of Mr. W. W. Rodd, of North River. Mr. Balls in his great affliction, had the sympathy of the entire region, and we also desire to express words of true consolation for all who in a special sense are sorrowing be-cause the Lord has seen fit to transfer this fair flower of humanity to the gardens of Glory.

CHURCHILL AND RIVERDALE JOTTINGS.
—The new post office at Churchill is greatly appreciated, as all long felt wants always are. The inhabitants can now en-joy the contents of the GUARDIAN, an always welcome visitor, on Thursdays, instead of waiting until Saturday when news would be rather stale.—Our village smith D. McGilvery, still plies his busy trade, turning out work of first-class order.—Mr. M. F. MacKinnon, tailor, is kept busy attending to the wants of the outer man, and does so in an efficient manner.—Many imposing edifices having been in course of erection during the summer months, are now nearing comple-tion. Those having erected snug dwelling houses are: Jas. Breakey, J. McNevin and Alex. McFadyen. Mr. Neil McDonald has also made some improvements upon his dwelling.—One or more of our young men are about to enroll themselves as mer-chants. To such we extend our hearty wishes for success in their chosen occu-pation.—J. A. McFadyen and A. McKinnon have left our midst for Uncle Sam's do-mains also our carriage builder, D. McPhail has removed to Cornwall where he will carry on his trade.—Mr. Neil A. Lamont has returned to his estate after being absent for some time.—Our School, under the management of Miss Margaret McFadyen, Charlottetown is still progress-ing favourably, but she complains of poor attendance, owing to the fall work being somewhat later than usual.

SCROFULA THE CAUSE
Eczema, catarrh, hip disease, white swelling and even consumption have their origin in scrofulous conditions. With the slightest taint of scrofula in the blood there is no safety. The remedy for this disease in all its forms is Hood's Sarsaparilla which goes to the root of the trouble and expels all impurities and disease germs from the blood.
The best family cathartic is Hood's Pills

WHAT is the matter with a round robin for the Monument Fund? Let the Treas-urer issue six coupons to any one who applies for them. Let the recipients post five of these to five of their friends. Each coupon is returned to the Treasurer with a 10 cent piece and a request that the Treasurer will forward the sender six coupons for distribution. The coupons being numbered the Treasurer can keep track of them and a week before the Fund closes collect the unused. All the chil-dren will take hold of this and the nickles eye make a muckle. COM.

A LAW UNTO HIMSELF.
Every Man Must be That, to Retain his Health and Digestion.

There are thousands of people in this world who eat meat from one year's end to another, and certain savage tribes in Africa and Polynesia are most exclusively meat eaters, but while there are thousands of these, there are millions who live upon a mixed diet of meat, vegetables and grains and if numbers is a criterion it would seem that a mixed diet is the best for the human family.
The fact that you will find many vegetar-ians who appear healthy and vigorous and meat eaters equally so, and any number of robust specimens who eat both meat and vegetables and anything else that comes their way all goes to show that the old saw is the true one, that every man must be a law to himself as to what he shall eat and drink.
To repair the waste of tissue in brain workers as well as to replace the muscle and sinew of the laborer, can only be done through the process of digestion.
Every nerve, muscle, sinew, every drop of blood is extracted from the food we eat and digest.

In these days of hustle and worry, and artificial habits of life, scarcely one person in a thousand can lay claim to a perfect digestion; dyspepsia is a national affliction and Stuart's Dyspepsia Tablets a national blessing.
Most cases of poor digestion are caused by failure of the stomach to secrete suf-ficient gastric juice, or too little Hydro-chloric acid and lack of peptones and all of these important essentials to perfect digestion are found in Stuart's Dyspepsia Tablets in convenient palatable form.
One or two of these tablets taken after meals insure perfect digestion and assimi-lation of the food.
Cathartic pills and laxative medicines have no effect whatever in digesting food and to call such remedies a cure for dys-pepsia is far fetched and absurd.

Stuart's Dyspepsia Tablets contain pep-sin free from animal matter, distaste and other digestives and not only digest all wholesome food but tend to increase the flow of gastric juices and by giving the weak stomach a much needed rest bring about a healthy condition of the digestive organs and a normal appetite.
Nervous, thin blooded, run-down people should bear in mind, that drugs and stimu-lants cannot furnish good blood, strong muscles and steady nerves; these come only from wholesome food, thoroughly digested; a fifty cent box of Stuart's Tablets taken after meals for a few weeks will do you more real good than drugs, stimulants and dieting combined.

Stuart's Dyspepsia Tablets is probably the safest, most popular and successful digestive on the market; an sold by drug-gists everywhere in the United States, Canada and Great Britain.
