Tribute To

Jack Miner

The following is from a recent editorial of The Halifax Herald on Jack Miner:

"We wish we could condense into a few paragraphs what the people of Nova Scotia think of Jack Miner."

"The work this man has been doing for dumb and helpless things, his deep study of birds and their habits, and his fatherly interest in growing boys, is a work that makes us all feel humble."

"In these days of rush and bustle too many of us find time only for material affairs. We forget the woods and the wildlife of the woods, we get so far away from nature..."

"To a great many of us trees are only to make lumber and 'game' birds and animals only to be brought to table. Jack Miner and his kind look at things differently. They know that 'poor little street-bred people' miss a great deal in life."

"In these days of rush and bustle too many of us find time only for material affairs. We forget the woods and the wildlife of the woods, we get so far away from nature..."

"To a great many of us trees are only to make lumber and 'game' birds and animals only to be brought to table. Jack Miner and his kind look at things differently. They know that 'poor little street-bred people' miss a great deal in life."

"In these days of rush and bustle too many of us find time only for material affairs. We forget the woods and the wildlife of the woods, we get so far away from nature..."

In Memoriam

MRS. JOHN MALONE

Gone from this world With its trials and sorrows, To that heavenly home, Where the faithful find rest, Her life may be taken, As truly a model By those whose ideals, Are always the best.

The parishoners of St. Ann's parish were once more called upon to surrender one of their number, when on the evening of April 10th the soul of Mrs. John Malone departed from this life to the abode of eternal happiness.

The late Mrs. Malone who was in her sixty-ninth year had been in failing health for almost the past year. She entered the Charlottetown Hospital for treatment where she spent several weeks during which time she received the best of medical aid but it was found that all was of no avail and she returned to her home at Elmwood Lot 65 where her death took place on the above mentioned date.

Deceased was always of a happy and cheerful disposition and will no doubt be greatly missed by her many friends whom she was ever ready to assist in any trouble or affliction. During her illness she was frequently visited by Rev. J. Basil Croken, who administered to her the last sacraments of the Roman Catholic Church. The funeral took place on the morning of April 12th to St. Ann's Church, Tyrone where the obsequies were performed by Rev. Fr. Croken. Deceased is the last of a family of seven and leaves to mourn a sorrowing husband to whom sincere sympathy is extended.

The pall bearers were her six nephews: Hugh Malone, Daniel Malone, F. L. McQuaid, Jas. McQuaid, Peter McQuaid and Leo Carragher. (Patriot please copy)

CHURCH SERVICES

ST. PETERS CATHEDRAL

Good congregations were present at all the services in St. Peter's Cathedral yesterday. The boy scouts paraded to the 11 o'clock service, when Canon Malone preached a suitable sermon.

At the evening service the Rev. George Foster preached a splendid and forceful sermon from the text "What think ye of Christ."

It being the anniversary of the accession of His Majesty the King, special prayers from the Accession service were used during the service.

The Rev. Canon Vernon, of Toronto will preach next Sunday night at St. Peter's Cathedral.

TRINITY UNITED CHURCH

On Friday evening last the Young People's Society of Trinity United Church held its annual meeting for the election of officers. Rev. Hammond Johnson presided.

The following were chosen as officers for 1928-1929: President, Mr. George Johnson; Vice President, Mr. Alex. Matheson; Secretary, Miss Freda Cotton; Treasurer, Miss Lena Donald. An unannounced but very pleasing feature of the programme was the serving of refreshments by Rev. H. and Mrs. Johnson.

Yesterday, the Rev. Dr. Ramsay preached at the morning service, his subject being "The Wedding Garment." The choral response "Lord have mercy upon us, and incline thine ear to hear our prayer" was rendered. The choir also gave Beethoven's anthem "Gloria of God in nature." In the evening the Rev. Hammond Johnson preached from the text "Ye must be born from above." He that sotheth to the spirit shall of the spirit reap life everlasting." At the conclusion of the sermon Mr. A. R. Gillis sang "In loving kindness Jesus came."

The choir gave the anthem "The Wilderness" by Sir John Goss, Mrs. G. Elmer Ritchie taking the baritone solo part.

Miss Berna Huestis, contralto, sang "The Good Shepherd" by Van De Water.

Next Sunday the services will be appropriate to Mother's Day. In the morning the Canadian Girls in Training will form the choir.

During this week a series of meetings will be held under the direction of specialists in social service from the Provinces of Ontario and Quebec. Matters relating to child welfare, public health, rural community life and its organization and other social problems will be considered. Dr. Ernest Thomas will deliver an address on "Alcohol and Science" which will no doubt prove of special interest.

The meetings will be held morning, afternoon and evening on Thursday in St. Paul's Parish Hall and on Friday in Hearts Memorial Hall.

ZION CHURCH SERVICES

Ezekiel's Vision was the subject of Mr. Fulton's morning sermon. The text was found in first nine verses of the 47th Chapter. This vision is one of the richest allegories and is an exhibition of the scheme of redemption from its inception to its glorious consummation. The waters flowed out from under the altar, signifying that stream of Divine mercy had its source in sacrifice and death.

In the afternoon the Minister visited Marshfield and Mount Stewart and was greeted with good congregations at both churches. The weather was ideal and the roads in good motoring condition.

The congregation was pleasantly surprised to have Rev. Archibald John Murchison of Nebraska, U. S. preach for them. He was suddenly called home through the illness of his father, Capt. John Murchison, Orlebar St. He delivered a thoughtful and stirring sermon on Luke XVII:17, "Were there not ten cleansed? but where are the nine?"

We were pleased to note the presence of Rev. John and Angus, brothers of the preacher, at the service. There was a fine congregation present; all seemed to enjoy the numbers from the Alexander Hymnal which were sung at the opening of the service.

The Minister, Mr. Fulton, expects to preach the two last sermons in the series of the Prodigal on May 20th and 27th. These will be: I. "His welcome home." II. "The Prodigal and Elder Brother."

We trust Mr. Ben Acorn will sing Van de Water's "The Penitent" on the 20th inst.

Next Sabbath, May 13th, the Anniversary services of Zion Church will be held. A tablet will be unveiled in the morning and the Minister will preach. Rev. Quincy A. McDowell, Caledonia, will be the special preacher in the afternoon.

Rev. Thos. A. Rodger, Belfast, will occupy the pulpit in the evening.

As a special attraction the Choir will be assisted by Mrs. Kathryn Thompson Blight of New Brunswick. This talented lady has been heard often over the radio from Moncton. She will also assist in a concert to be held Monday evening in Zion Church Hall.

Judge: "You broke into the shop of Mr. Smith, the jeweller?"

Accused: "Yes I did not want to die without keeping my promise to my grandmother."

Judge: "What was that?"

Accused: "That I would open a jeweller's shop."
