Roumanians Will Be Loyal to Allies

(Canadian Press Despatch.) LONDON, Oct. 13.—The Times publishes an interview given to its correspondent with the Roumanian army commander with the King of Roumania, in which the monarch appeals to the Allies not to permit his country to suffer the fate of Serbia and Belgium. "The Roumanians will not falter," the King said, "in their allegiance to the cause, nor can the enemy wear them from their faith in their allies. Yet the Roumanians pray that, in spite of their existing exigencies and their own huge problems, the Allies will not allow the affairs of Roumania which has staked her all in this conflict, to pass into the hands of their enemies, and to suffer the fate of Belgium or Serbia."

King Ferdinand said that Roumania had not been moved to enter the war by mere expediency, but that the decision was based on the biggest principles of nationality.

Italians Vigorously Pushing Offensive

(Special to the Guardian) ROME, Oct. 13.—(Via Paris, Oct. 13)—The offensive of the Italians in the southern theatre continues vigorously. Throughout the Carso region the Italian troops are driving the Austrians from the strongest natural and artificial positions, according to advices received here.

(Canadian Press Despatch) ROME, Oct. 13.—(New York Times).—The latest Italian victory has had a two fold effect, raising the spirits of the people and strengthening their confidence in ultimate victory and also giving them patience, as the loss of life is less than in any other great battle. All doubts about munitions have been laid at rest. Heretofore events seemed to show that Italy was short of heavy artillery. Little by little this has been remedied, until now her supply is superior to that of Austria.

(Canadian Press Despatch) VIENNA, Oct. 13.—(Via London, Oct. 13)—The Italians are maintaining their attacks on the Austrians with the essential aim desperate fighting continued through yesterday. Today's official announcement says: The Italians gained ground east of Oppacchiasella in their drive towards Trieste, and captured the town of Nevasas.

I fell from a building and received what the doctor called a very bad sprained ankle, and told me I must not walk for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best Liniment made.

ing lot of animals. Variety was lent to the scene here by the presence in a couple of the pens of white or Arctic foxes.

Mrs. Fraser, who with Mrs. McClure accompanied the party was delighted with the visit to the ranches. She expressed in most enthusiastic terms her pleasure at the opportunity of seeing the animals in their adopted homes.

Speaking of the outlook of the fox industry, Mr. Fraser stated that in his opinion after the war, the European market would again undoubtedly absorb all the pelts offering at satisfactory prices.

Mr. Fraser will remain in the city for a few days and will visit other ranches. He will then proceed to Summerside to meet the fox breeders there and visit some of the leading ranches in Prince County.

U.S. Destroyers Patrol Ocean Lane

(Canadian Press Despatch.) WASHINGTON, Oct. 13.—Admiral Mayo, commanding the Atlantic fleet notified the navy department today that he had ordered a survey of the New England coast to investigate reports that belligerent ships had established a base there, or that wireless plants were being operated in violation of American neutrality.

NEWPORT, R. I., Oct. 13.—A far ranging patrol line of torpedo boat destroyers, charged with the double duty of enforcing neutrality observance and saving lives in the event of further submarine raids on ships off the shores, were put into service from Bar Harbor, Maine, today. Official authority for the statement that such a patrol had been ordered by the navy department was obtained here this morning. The limits of the line of the coast surveillance, at present effective was shown today, with the arrival of the destroyer Paulding of Bar Harbor, Me., and the activity of the destroyer Sterett in New York harbor. Between these two outposts nine other destroyers were weaving a net of observation that extended a considerable distance out to sea well beyond the lanes of coast wise vessels.

BOSTON, MASS., Oct. 13.—A submarine of unidentified nationality was reported about 200 miles east of New York by the steamer Boyce in a wireless message today. The course of the submarine was not stated. The Boyce is a British freight steamer owned by the White Star Line and sailed from Manchester on September 30. Her commander, who made the report that a submarine had been sighted, is Captain Summers.

Confirmation that the British steamship Boyce sighted a submarine off the coast was contained in a statement by a naval official here today. He said: "A passenger steamer reported to Nantucket shoals lightship that she had sighted a German submarine, well astern, this morning. No position was given nor was the direction of the submarine stated."

Mr. A. Sutherland was appointed interim moderator of session and Mr. D. McLean to declare the pulpit vacant on Sabbath November 6th. On motion agreed to apply to the Home Mission Board for \$266.91 the amount of the grant withheld owing to arrears. On motion the Presbytery adjourned to meet in the same place and at the hour of one o'clock, of which public intimation was made, and the Sederunt was closed with the benediction.

J. M. McLEOD, M. A. Moderator. T. F. FULLERTON, D. D., Clerk pro tempore

The same place and date, and at the hour of one o'clock, afternoon, the Presbytery met pursuant to adjournment and was constituted by the moderator, Mr. J. M. McLeod, Sederunt ut supra with the addition of Mr. J. Marchison, minister. Dr. Fullerton reported on behalf of the committee on the arrangement of congregations and recommended as follows: 1. That Hartsville be disjoined from Rose Valley and Bradabane, and united with Brookfield and Hunter River; 2. That Granville be disjoined from Clifton, and united with Rose Valley and Bradabane; 3. That three-fourths of the net proceeds of the sale of the manse at

Springton be paid over to Rose Valley and Bradabane, and that the said money be used for the erection of a manse at Bradabane; 4. That Presbytery apply to the Century Church and Manse Building Fund for a free grant in aid of the proposed manse at Bradabane; 5. That Granville be visited by the committee as soon as possible. On motion the report was received, the recommendations were approved tentatively, and the clerk was instructed to cite all the parties, interested to appear at the quarterly meeting to be held in St. James' Hall, Charlottetown, on Tuesday November 7th, for the final issuing of the whole question. The Clerk reported that in accordance with instructions he had cited parties in connection with the proposed rearrangements in the congregations of Kensington, New London, and Clifton, and that Messrs. Ramsay, Gillespie, Brown, McMurdo, and Lockhart were present. The commissioners were heard at length. It was then moved and carried that inasmuch as there have been developments since the last meeting which have affected the entire question, this court defers judgment and cites the parties in all the congregations concerned to appear for their inter-arate at the next regular meeting. The Presbytery then adjourned to meet in St. James' Hall, on Tuesday, November 7th, at the hour of two o'clock of which public intimation was made and this Sederunt was closed with the benediction. J. M. McLEOD, M. A. Moderator. T. F. FULLERTON, D. D., Clerk pro tempore

Manager Gallagher, of the Prince Edward, again showed his ability to choose a programme that pleased his patrons. His offering for the balance of the week consists of the 10th episode of that popular serial, "Peg O' The Ring." "Unhand me Villian," a mirth provoking comedy, and "Onda of the Orient," a gripping drama. "Peg O' The Ring" features the versatile actors in a series of new and exciting adventures. The chief event is a thrilling horse race that keeps the audience in a state of high tension until its finish. "Unhand me Villian" is a smashing comedy, featuring Alice Howell, Joe Moore, and Fatty Ross. These actors combine their efforts to produce a side splitting comedy, that keeps the audience in roars of laughter. Marie Howell, and Eddie Poli who starred in the famous Broken Coin serial are again seen in the gripping drama "Onda of the Orient." This great drama of love and intrigue is full of action. Exciting scenes quickly follow one another, the most dramatic taking place upon an ocean steamship. The performances at this popular theatre were well attended and the audience showed marked appreciation of the bill.
