Old Lady Tells Secret of Her Vigor

The writer of the following letter once suffered from rheumatism, headaches, and depression. Then one day a vigorous old lady told her the secret of good health. And now that former sufferer writes to tell others how she obtained relief through Kruschen:—

"Kruschen was recommended to me by an old lady of seventy-two who can dance the Highland Fling—thanks to Kruschen, which she has used for thirty years. She told me to take Kruschen Salts, to try and relieve a dull heavy headache from which I suffered nearly every morning on waking. I was also troubled with rheumatism in both shoulders. Kruschen turned the trick. The headache disappeared from which I suffered nearly every morning taking Kruschen, and I intend to keep it up."—Mrs. F. B. W.

Kruschen is a combination of mineral salts which assist in stimulating your liver, thereby are a digestive tract to healthy, regular activity. They ensure internal cleanliness, and thus help to keep the blood-stream pure.

Lower Montague

The funeral of the late Mrs. F. A. Hewitt whose death occurred at Summerside on Sunday August 9th was held from the United Church, Lower Montague, on Wednesday afternoon August 13th and was largely attended. The services at the church and grave were conducted by the Rev. Mr. Fannigan of the Baptist Church, Montague. A solo entitled "Crossing the Bar" was very feelingly rendered by Mrs. M. S. Hubley. The hymns sung were "Our Best Redeemer o'er me Breathed" and "Abide With Me." The pall bearers were four nephews of the deceased namely: Messrs. Horace Hewitt, Austin Ross, Donald Ross, Harvey Ross and Messrs. Roy Aitken and Lemuel Robertson. Interment was in the Lower Montague Cemetery. The late Mrs. Hewitt was well and favourably known in Lower Montague having lived here a number of years and took a deep interest in the activities of the church, having organized the first mission that was in Lower Montague, also being a teacher in the Sunday School. Mrs. Hewitt's memory will long and lovingly be cherished by those who were her pupils of the above mentioned organizations. Beautiful floral tributes bore silent testimony of the love and esteem in which the deceased was held. The sincere sympathy of the community goes to the bereaved husband and family.

Word has been received from Mrs. Murray B. Dunsfield, Plainville, Conn., stating that her husband had passed away at the Bristol Hospital, Conn. on July 22nd, 1936, following a painful illness of over two months. The service in the Lower Montague United Church on Sunday afternoon, August 23rd, was of an entirely different order, and one that will long be remembered by those who had the privilege of listening to the Blind, Halifax, N. S. and while not a member of the family has been with the company for a number of years. The programme was of a very high order, every number being rendered in perfect style and harmony and was greatly enjoyed by all present. This

kindly and gracious act on the part of the Farnell Concert Company, coming to Lower Montague just to help the church and not themselves and giving of their gifts of music and song as freely as they were given to them, was deeply appreciated by the congregation. The offering was for the church funds.
