Suggest "Mister X" Eat Grasshoppers

MERRICKVILLE, Ont., Jan. 3.—(CP)—Human consumption of grasshoppers as a "great rejuvenator" has been recommended to Harry F. McLean, but so far the wealthy Merrickville contractor has not been advised whether the insects should be eaten raw or form part of the family stew.

Better known as "Mister X" for his habit of handing out money to strangers and distributing turkeys at Christmas, Mr. McLean received the "tip" on adding grasshopper to the human menu from a British Columbia resident whose interest was aroused by the contractor's successful experiments in raising turkeys on a grasshopper diet.

(Mr. McLean is a native of Prince Edward Island.)

OF NEW ENGLAND ORIGIN—The custom of serving cranberry sauce originated in New England.

Friends throughout the Province learned with regret of the death of Mrs. E. F. Drake on Dec. 14, 1946, at her home in Waterside.

The late Mrs. Drake was in her eighty-sixth year. She was formerly Mary Jane MacEchern, the eldest daughter of the late John MacEchern and his wife Charlotte Stewart of Cherry Valley.

She attended Uigg Grammar School and the Provincial Normal School now Prince of Wales College, and taught for two years in the Primary Dept. at Pownal school. She was married to Samuel F. Drake on Fownal who predeceased her thirty-seven years ago.

Mrs. Drake was highly regarded by all who knew her and she will be kindly remembered in the community where her name will be revered as standing for all that is good. She will be sadly missed by her family to whom she was a devoted mother and grandmother.

She was a member of Pownal United (Methodist) Church and a charter member of the Women's Missionary Society of that church. She leaves to cherish her mem-
