IN THE SPORTING WORLD

The wrestling match to take place tomorrow evening at ten o'clock between Sandy McLeod—the champion middle-weight wrestler of Scotland—and Harry Lewis, the Finnish wrestler—now residing in Boston—has created unusual interest.

The two men are of magnificent physique—in fact it is rare to see two such specimens of manhood so evenly matched.

They are each champions—and the match will be wrestled to a finish, so Sandy McLeod says.

Sandy has already made friends in the city—and is an attractive figure on the streets as he goes about in his kilts, and the Finnish champion is noticeable—from the splendid development and handsome appearance he presents.

The match will likely begin at ten o'clock in the People's Theatre, the picture show closing at half past nine—thus allowing people time to get tickets and seats.

The balconies have been reserved, and ladies are admitted at the first price, 25 cents, to all parts of the house.

Officers will be at the door and keep order—and the management of the house guarantees that the match will be one free from any objectionable features—an exhibition of good wrestling such as would make our forebears wild with enthusiasm—one which will create an interest which will last.

Tickets may be obtained at any time at the box office of the theatre, and a full house is bidding fair to be present tomorrow evening.

Baby Nearly Died with Itching Rash

Mrs. M. C. Maitland, of Jasper, Ont., tells in the following letter of her child's remarkable cure by the Cuticura Remedies:

"When my boy was about three months old his head broke out with a rash which was very itchy and ran a watery fluid. We tried every thing we could but he got worse all the time, till it spread to his arms, legs, and then to his entire body. He got so bad that he came near dying. The rash would itch so that he would scratch till the blood ran and a thin yellowish stuff would be all over his pillow in the morning. I had to put mittens on his hands to prevent him tearing his skin. He was almost a skeleton and his little hands were thin like claws.

"He was had about eight months when we tried Cuticura Remedies. I had not laid him down in his cradle in the daytime for a long while. I washed him with Cuticura Soap and put on one application of Cuticura Ointment and he was so soothed that he could sleep. You don't know how glad I was he felt better. I took one box of Cuticura Ointment and pretty near one cake of Cuticura Soap to cure him. I think our boy would have died but for the Cuticura Remedies and I shall always remain a firm friend of them. He was cured in that very few years ago and there has been no return of the trouble.

(Signed) Mrs. M. C. MAITLAND, Jasper, Ont.

No more convincing proof of the efficacy and economy of the Cuticura Remedies could be given. As in this instance, a single cake of Cuticura Soap and box of Cuticura Ointment are often sufficient. Sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston, U. S. A. Send for free Cuticura Booklet on skin and scalp diseases.
