FORMER ISLANDER.—Rev. P. McLeod, late of the congregation of Baldon, Manitoba, was on January 7th, inducted to the pastoral charge of Tilbury, Ont. in the Presbytery of Chatham. Mr. McLeod is a native of Georgetown, P. E. I.

THE EAST POINT FIRE.—The total insurance on St. Columba's Church and parish hall, destroyed by fire on Tuesday night is \$14,000, distributed among different companies. Almost all the vestments were destroyed. Fortunately the church records were kept in a safe in the parochial house and these were saved.

BACK TO CHARLOTTETOWN.—Mr. and Mrs. William G. Hogg, and family who have been residing for some time in Sherbrooke, Quebec, returned to Charlottetown this week, and it is pleasing to learn that they have decided to make this city their home once more. Mr. Hogg's friends will be interested to learn that he is now in the insurance business and has received the appointment of representative for this Province of the Confederation Life Insurance Co. of Canada.

APPOINTED ORGANIST.—Prof. H. A. Tanton of this city has been appointed organist and choir instructor of the Baptist Church of Charlottetown. Prof. Tanton has for several years been choir instructor at St. Peter's Cathedral and was for some time organist of a leading Anglican church in New York. As organist he possesses undoubted ability and his appointment to the magnificent new organ of the Baptist Church is a guarantee that the high standard of the choir will be maintained.

ENTERTAINMENT LAST NIGHT.—Owing to an accident to the boiler the entertainment to have been held last evening in Grace Church was held instead in the schoolroom. As a consequence the programme as arranged with orchestra had to be cancelled there was no piano in the schoolroom. There was a large attendance and the room being filled to capacity and a large number could not gain admittance. A delightful programme of first-class moving pictures was shown under the skillful management of Mr. Walter Burke, which were enjoyed by all. It is hoped to have the entertainment as originally planned again at an early date.

CHESS TOURNAMENT.—The members of the Charlottetown Chess Club met last Saturday at their club room, Royal Bank of Canada, for the purpose of making arrangements for their annual chess tournament. Nearly every member was present. It was decided that the tournament should begin on February 21st and continue on Mondays, Wednesdays, and Fridays, two games to be played each night by each member, till the series of two games between every member is run off. A number of resolutions were passed so that the tournament will go on smoothly and expeditiously and not drag as was the tendency of past tournaments. This tournament promises to be the best yet held as the play of the older members is developing a strength not hitherto attained and some of the younger ones are becoming quite proficient. The Club extends a cordial invitation to everyone interested in the Royal game and especially to those who wish to learn this king of intellectual sports. They will all be welcome.

APPENDICITIS CASE.—Miss Mary Collins, of Vernon River, daughter of Dr. Collins, was operated on in the Charlottetown Hospital yesterday for appendicitis. It is pleasing to learn that she is progressing favorably.

NOT SO BAD.—In reference to the smallpox situation at Bungay the item in yesterday's Guardian was somewhat misleading. There are a total of only four cases on the sick list. The six cases in the first family which was stricken are now all well. The Board of Health have been very energetic and the people are doing everything requested in order to keep the epidemic from spreading.

WEDDING BELLS.—On Tuesday morning, January 30th, a quiet wedding was solemnized in St. Dunstan's Cathedral, Charlottetown, when Miss Margaret Kichham, daughter of Mr. and Mrs. Thomas Kichham, of New Haven, became the bride of Mr. Michael Devereaux of the same place. The ceremony was performed by Rev. Dr. Curran. The bride was attired in a travelling suit of navy blue with hat to match, and was attended by her cousin, Miss Sadie McFadyen, while Mr. Louis Wynne was groomsmen. Mr. and Mrs. Devereaux left on a short wedding trip and on their return will reside in New Haven. Their many friends join in wishing them much happiness through life.

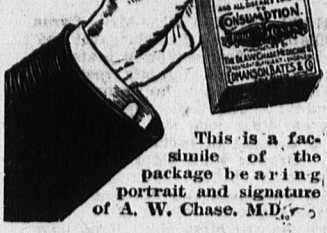

A meeting of the Patriotic Society was held yesterday afternoon at the Patriotic Headquarters, Royal Bank Building. There were present, Rev. Major Fullerton, who presided, Rev. J. J. Macdonald, His Honor Judge Stewart, Canon Simpson, Colonel Jenkins, Major Leigh, Capt. Geo. Campbell, Mr. G. S. Inman, Col. Moore and Dr. W. J. P. McMillan. The meetings arranged for this week to Fort Borden and intermediate sections having been cancelled, owing to the storm, it was decided to hold them on February 15th. The arrangements made for February 8th still stand. The meeting for Webster's Corner, also cancelled, is to be held on Tuesday, Feb. 6th. A resolution was unanimously adopted urging upon the militia authorities the advisability of immediately enforcing the militia act throughout Canada.

The funeral of Miss Christina Macdonald took place from her mother's residence, Long Creek on Thursday the 25th inst. and was very largely attended. The services at house and grave were performed by the Rev. D. MacLean and the following young men acted as pall-bearers viz: Hugh A. Macdonald, Garfield Taylor, A. K. MacPhee, Lester Henderson, Heber MacLean and George MacNeill. Interment at Canoe Cove Cemetery. Christina, was only sixteen years of age when the Father of Spirits called her home to Himself. Although sick for the greater part of the past summer her sickness was very patiently borne and is certainly a comfort to the widowed mother in her great afflictions. Only one little daughter about nine years of age is left to cheer and accompany her in the remaining part of life's journey. Her husband and three children have all been called away during the last few years. The sympathy of the community goes out to Mrs. Macdonald in her bereavement, but she need not mourn as those who have no hope. Christina showed her strong faith in Jesus Christ and left the world without a murmur.—Com.

Flattering to the Original

But Imitations Only Disappoint

There are many imitations of this great treatment for coughs, colds, croup, bronchitis and whooping cough. They usually have some sale on the merits of the original, but it should be remembered that they are like it in name only.

This is a facsimile of the package bearing portrait and signature of A. W. Chase, M.D.

RECEIVES COMMISSION.—Dr. J. B. Brown, D. M. D., who some time ago offered his services in connection with the Canadian Dental Branch, yesterday received notification of his acceptance and has been granted the rank of Captain. Dr. Brown enters upon his duties at once and for the present will be connected with the units now quartered in Charlottetown. He hopes later to get overseas.

The oldest inhabitant of Oyster Bed Bridge and surrounding community passed into the great beyond on Tuesday, January 23rd, in the person of Mr. Kenneth Matheson, who had attained the great age of 94 years. He was a remarkable man always healthy, and retained the use of his faculties to the last moments of life. Even in the last years of his life it was his delight to commit to memory verses from Scripture and many of the psalms. His favorite chapter was John 14 which was being read to him by Mrs. Wm. Matheson when his spirit was taken to the house of many mansions. Like the little child that is being rocked to sleep so he peacefully closed his eyes to all earthly scenes to open them on the heavenly. He was carefully attended during the short time he was confined to bed by his nephew James and his wife and daughters and they can find comfort and consolation from the words of the Master: "Inasmuch as ye have done it unto the least of these I have done it unto the least of these." The funeral service was performed by the Rev. D. MacLean and all that was mortal of an aged neighbor was interred in Portage Cemetery.

On Thursday, the 26th day of January the funeral of Mrs. Neil M. Campbell nee, Catherine MacLean took place from the residence of her son George and showed the number in which she was held by the large number of people who attended the burial service which was conducted by the Rev. D. MacLean. About two weeks before her death she was attacked by pneumonia and although she had the best of medical attendance and tender nursing, she passed her Heavenly Father to call her home to glory. Mrs. Campbell was a quiet unassuming woman but many years ago experienced a change of heart and was thus strengthened for the fight with the last enemy which is death. Her husband died some few years ago. She was in her seventieth year at the time of her decease and leaves to mourn, George, Mrs. Roderick MacRae, Canoe Cove, Mrs. Malcolm MacKenzie of the same place and Mrs. Hugh MacPhee of New Dominion besides a number of grandchildren who will greatly miss her kind and loving counsel. The pall-bearers were Messrs. Colin Macdonald, Neil MacKenzie, Cyrus Crosby, Donald MacKinnon, Peter Inman and Silas Murley. The body was laid to rest in Argyle Shore Cemetery to await the resurrection morn "when the dead in Christ shall arise first."—Com.

Mr. and Mrs. Newberry will make their home in this city with his parents on Edward Street.

After the ceremony the bride and groom left immediately for their home in Passmore, B. C.

MAJOR GOODWILL TRANSFERRED.—Major (Dr.) Goodwill has been transferred from Buxton to the Canadian Clearance Hospital, Warriors' Square, Hastings, Eng. Major Goodwill in writing of his work says: "We spend five hours steady work daily examining the wounded and classifying them. They are in all sorts of conditions and sometimes it is hard to know what to do with them. Some we send home, some back into training, and some back to the hospital, etc. There is a continual stream in and out all day, anxiously waiting for the decision of the board."

ISLANDER WOUNDED.—The latest casualty list contains the name of another Prince Edward Islander, wounded in action, Norman Finlayson, of Peake's Station.

SUDDEN DEATH OF ISLANDER.—Dr. Rogerson, Hunter River, received a telegram on Wednesday informing him of the sudden death in Rumford Falls, Maine, of his brother David, deceased, of Peake's Station. Mrs. James McCarthy of Mount Stewart, is a sister.

ISLANDER TRANSFERRED.—Gr. Manning Bagnall, son of Dr. Bagnall, this City, has been transferred from the 11th Howitzer Brigade, to the 272nd Battery under Major Peake, Gunner Bagnall, who had served at the front for three months, had been invalided to England on account of ear trouble. He is now completely recovered and is ready for the trenches when the Battery is moved.

ISLANDER INJURED.—Word has reached Summerside says the Island Farmer, that Mr. William Kiely, fireman in the Schurman mill, who left here about two months ago and has been employed in a factory at New Glasgow, N. S., met with a very serious accident there on Monday. From the meagre particulars to hand it seems that he was caught in the hinge of some machinery and had one leg so badly mangled that amputation was necessary.

SOLDIERS RETURN.—Lieut. C. McGuigan, Sergt. F. Arbing, Lt. Corporal H. Schurman, Lt. Corporal S. R. McLaren, Pte. P. McFadyen, of the 105th Overseas Draft arrived from Halifax yesterday from whence they had been taking a special course in bayonet fighting and physical exercise. Lance Corporal C. Buntain who was taking the same course has been instructed to proceed to Toronto to take a further course at the Officers' Training School which opens there on February 5th.

GOOD WORK OF CAPT. MURCHISON.—In conversation with one of the passengers who came over by the car ferry on Tuesday, a representative of the Guardian was informed that Captain Murchison displayed remarkably fine seamanship during the heavy easterly gale with snow which continued throughout the day and evening. When the wind was hauling round to the northwest in the evening and the snowstorm was quite thick, he brought the steamer into Georgetown. The ice in the straits is said to have been the heaviest seen for years at this season, being rafted in places to a depth of twenty feet. East of Pictou Island off Cape Bear, the worst ice was encountered and even in Georgetown harbor, which is usually pretty free of ice it was packed in to quite an extent. The car ferry steamer docked at 9 o'clock that evening and all the passengers were unanimous in their praise of Captain Murchison in accomplishing the feat under the trying circumstances.

BONSHAW SHORT COURSE.—The Agricultural Short Course at Bonshaw held during the last week was brought to a close on Friday night, January 27th. Although the weather was unfavorable to a record attendance it did not prevent large numbers of the farmers from taking advantage of the various sessions, which were taken up by discussions on the various field crops, dairying, plant diseases and other subjects. These were dealt with along good practical lines by Messrs. Clarke, Thompson, McTae, and Murphy, as well as the members of the local Department of Agriculture. Many questions were asked by the farmers in the various courses, and in the open discussions many valuable points were cleared up to the satisfaction of those present. There is a strong tendency for a forward movement, and all round improvement in Bonshaw and surrounding communities at present, and it is felt that the standards due to the Short Course will have the proper effect in starting the farmers right. The sentiment in favor of pure bred stock is especially evident, and no doubt if the farmers will act on those things which they have in view at present pronounced improvement may be looked for in the live stock of this locality in the near future. At the close of the meeting on Friday night steps were taken for the formation of a Farmers' Institute, there being no Society of any kind in the district whereby organized efforts could be made. This is a commendable movement as the farmers collectively can make more rapid improvements by buying at less cost high grade stock, millfeeds, seeds, etc., and selling to better advantage products of the farm than they can individually. The course was brought to a close by remarks from a number of the more prominent local men, including A. J. McNeill, C. W. Crosby, A. Stewart, J. J. McLeod, and W. McRae, who all expressed themselves as well satisfied with the week's lectures.

SLIGHT FIRE.—The office of Messrs. Brace, McKay & Co. was somewhat badly damaged by fire last evening. The fire started in the office and crept up the walls to the upper storeys but fortunately the flames were subdued without serious damage being done. The store was not touched by the fire and the damage consisted of charred furniture and walls in the office.

BIRTHDAY PARTY.—Considering the weather there was a large attendance at the Birthday Party given by the girls of the P. W. C. branch of the Y. W. C. A., in Heartz Memorial Hall on Tuesday night. The programme, which is as follows, was long and exceptionally good: Quartette, four P. W. C. students; reading, Miss Dennis; solo, Miss Hilda Sentner; reading, Miss Edith Jenkins; duet, Misses Crawford and Harris; reading, Miss Edna Gordon; dialogue, "His Sweet Boquet," selection, by the "Agony Band," reading, Gunner Boulter; solo, Gunner Harold Dawson; piano, Gr. Boulter. After the programme a contest took place and after that a most delicious lunch was served by the Y. W. C. A. girls. As soon as all had been served with a generous supply of cake and coffee, games were played until it was time to close. Prof. McLarty acted as chairman and chaperon to the extreme satisfaction of all.

FAREWELL BANQUET.—The boys of "Kottage Keep Kool," and a number of friends held a banquet at the Kozey Korner Wednesday evening in honor of their secretary Fred L. Crockett, Accountant, Royal Bank City, who left yesterday for Halifax, having been transferred to the staff of the Royal Bank there. After opening remarks by Chairman D. P. Bell, the following programme and toast list was proceeded with. The King, Groceries, Wholesale and Retail, G. T. Tomlins and H. Howatt; Rocky Point Wide Gauge Railway; G. A. Sutherland; Solo, Claude Holman; Long and Short Distance Telephones, Thornton Stearns; Agriculture, a remarkable man, Allison McLeod; Reading, Ernest Selzer; Roosters and Chickens of P. E. I., Claude Holman; Solo, Gordon Tomlins; Hills and Vales of Port La Jole, D. F. Bell; Roads, Lights and Press of Keep Kool District, Ernest Selzer; The Ladies and Ice Tennis, Beverly Varnish; The One Guest, Fred L. Crockett; After singing, Auld Lang Syne and the National Anthem, the merry party broke up with cheers for the guest of the evening.

KENSINGTON PATRIOTIC COLLECTION.—The envelopes for the Patriotic collection have practically all been distributed in the Kensington district and a considerable number of donations have already been received. The outlook for a generous donation from this district is good. One large farmer from the Margate section of the district donated \$200 another from Kensington \$100 many others \$50 each, it looks as if Kensington will not be too far behind when all the envelopes are gathered. Mr. Jardine the new mayor of Kensington is taking an active interest in the welfare of the collection, especially within the town limits—Dr. Barrach and Mr. James Pendergast are the official distributors of envelopes, and are being assisted by Mr. Geo. Brown and Mr. John Thompson in Margate section, Messrs. Peter McIntyre and John Mill in the western part of the town and Mr. Robt. Douglas in the Southern. Those men deserve credit for the graceful and cheerful manner in which they consented to assist, considering the fact that all services are gratuitous. The collections will be deposited in the vault at Tomlins, as they are collected, till they are all in, when they will be forwarded to Mr. H. W. Birnink, grand treasurer, Charlottetown.—K.
