PRESENTATIONS.—A pleasing little function took place at the First Methodist Church yesterday when Mr. George E. Full's Bible class presented him with a very handsomely-bound Bible, on which the following appropriate inscription was lettered on the cover: "George E. Full, Christmas, 1913." On Christmas Eve, Mrs. Full figured in a similar ceremony, being presented by the Bible class with a beautiful chair. Needless to say both Mr. and Mrs. Full greatly appreciate these tangible tokens of the esteem in which they are held.

THE ANNUAL XMAS TREE AND ENTERTAINMENT OF PETERS ROAD S.S. was held in the church on Tuesday evening 23rd inst. The building was filled to overflowing with an appreciative audience, who keenly enjoyed the rendering of an excellent program, furnished by the S. School. The music, instrumental and vocal, with the Recitations were highly creditable to those who participated. Mr. Samuel Johnson filled the office of Chairman with the usual ability. The "Tree" literally groaned under its load of gifts, and Santa Clause though in high spirit must have felt weary ere he allotted the last gift to its rightful owner. The S. School desires to express thanks to the many people, who so generously contributed to make this Xmas Tree a success.

MR. DENNIS D. ARSENAULT, who is a news reporter for the Guardian will be pleased to receive news of importance by mail to North Rustico or by phone. 12.12. 2788-11-12metf.

THE NEW PRINCE

EDWARD THEATRE

Practically everything is now ready for the opening of the Prince Edward Theatre, formerly the Charlottetown Opera House, and the date of opening will be announced shortly. The building has been thoroughly renovated, wired anew, and otherwise fitted up in such fashion as will make it one of the most up-to-date picture houses in the Maritime provinces. The apparatus is one of the most modern and most complete in the business and includes a patent picture screen which will show pictures in perfect perspective and with absolute steadiness, enabling the audience to strain the sights, without any eye strain, from any part of the hall. It is the intention of Mr. Shotten, the manager, to give two full shows nightly beginning respectively at 7 p. m. and 9 p. m. High Class specialties will be features of every show. It may be mentioned here that already some of the assistants have arrived, namely, Mr. De Witte Cairns, baritone Miss Etta Garden, novelty singer, both late of Keith's circuit and from Montreal and Mr. Tom Calvert, pianist, of Montreal, who has had an extensive experience in the concert hall. He is a native of Halifax, England. Tonight Mr. S. A. Dupris, trap drummer, will be in the city. Mr. Dupris has been in the business since he was eleven years old, and is an expert with the bells, cornet and violin, as well as the drum. Citizens will eagerly await the announcement of the opening evening and will no doubt liberally patronize the new and up-to-date picture house. 3582.

CHRISTMAS TREE.—The annual Christmas tree of the Hampton Methodist Sunday School was held in Hampton Hall on Monday, December 22nd. The hall which was appropriately decorated for the occasion was filled to overflowing with the elect of the community. The curtain was raised at 8 o'clock displaying the tree illuminated with colored fire-works and laden with the magnificent gifts for the members of the School. Rev. Mr. Young was appointed Chairman and announced the following program: Opening Chorus—Gates of Light, Alphabetic Drill—Christmas, primary Chorus; Reading—Miss J. Dunsford; Solo—Master Robert Ince; Reading—Mr. Joseph Dunsford; Solo—Miss Freda McKinnon; Recitation—Miss Fannie Nelson; Address by Superintendent, Mr. Elisha Wright; Closing Chorus of School, Christ is King, and General Anthem—Joy to the World. Favorable mention may be made of the parts rendered by Miss Dunsford and Master Robert Ince, also the music which was delightfully furnished by Mrs. Ernest Cameron. Santa Clause now made his appearance arrayed in the exact costume of St. Nicholas. After wishing the audience The Compliments of the Season Santa distributed the gifts to the delighted children. Refreshments were then served by the ladies of the school, after which the entertainment came to a close.

"For this Year's gift you couldn't get anything better than a Thermos bottle. If he cannot leave the office or his work at lunch hour he can have with a Thermos bottle, an ice-cold drink and a boiling-hot one. Nothing could make a more suitable or acceptable gift. Call in and see the line. The Two Macs, 149 Great George St. MBT.

MONTICELLO, N. Y., Dec. 25.—Miss Adelaide Brance, the woman who was with Melvin H. Couch, former district attorney of Sullivan when he died suddenly Sunday morning in his office, was given her freedom late this afternoon, the authorities having failed to connect her with the death of the man for whom she immersed herself for three years.

Though freed now, even of the charge of petty larceny, on which she was held pending and investigation of the man's death, Miss Brance has asked permission to remain a voluntary prisoner for two or three days.

"I cannot face the world now," she said today. "I am sick at heart and sick physically."

Sheriff Kinney will permit the woman to stay long enough to regain her strength. She is destitute and says she has no place to which she might go. Today she expressed the wish to die and be buried beside the dead man.

Miss Brance refuses to give any information as to her relatives, saying that she does not wish to bring disgrace upon them.

MONCTON, December 25.—Miles Wheaton aged 15; son of Mr. Miles Wheaton, station agent for the Moncton and Buctouche railway at Buctouche, is missing from his home, and it is almost certain that he was drowned by skating into a hole in the ice on the river near his home. Tuesday night young Wheaton skated across the river about two miles to the home of Colonel Sheridan, M.L.A. Two of Colonel Sheridan's sons and Wheaton went spearing eels, and about 12 o'clock young Wheaton started for home on his skates alone. His companions watched him from the river bank as he set off for home. He carried a lantern and they saw him some distance on his journey. That was the last seen of the Wheaton lad. Search was made today, but the storm of Wednesday obliterated all traces of the skates. A hole in the ice was found.
