SHOULD ANY OF THE FIRST SET OF TEETH BE REMOVED IN CHILDREN?

When I was a youngster very little importance was attached to the first or milk set of teeth. If one or more of the front teeth were lost it might give the youngster a "funny" appearance but nothing was thought about it as the "permanent" set would soon be making its appearance anyway.

Farewell Presentation On November 29th the parishioners of Barncliffe Little Chapel met at the home of Mr. and Mrs. Philip Rooney, to bid farewell to Rev. Joseph Trainor, who is leaving Vernon River to take up his labours in Tignish. A very pleasant evening was spent after which the ladies served a delicious supper. Mr. Peter McInnis acted as chairman. A well filled purse was presented by Mrs. Joseph Morrissey and following address was read by Mr. Bernard Doyle. Rev. Jas. Trainor, Rev. and dear Father: We, the parishioners of Barncliffe Little Chapel assemble here tonight to bid you farewell. It was with sincere regret that we learned of your departure from our midst, however, it was too much to expect that you would be allowed to remain with us. You arrived in Vernon River as a stranger and took up the arduous duties of a heavy parish, increased still more by the illness and death of our beloved pastor, Father MacQuigan; but, during your work amongst us you have by your kind disposition and good example endeared yourself in the hearts of both old and young. On leaving, you take with you the best wishes and prayers of the parishioners of the Little Chapel, that your labours in God's Vineyard, wherever they may be, may be crowned with success. We ask you to accept this small gift, as a fond remembrance of the esteem with which you are held by the parishioners of our little church, and ask you always to remember us in your prayers. Signed on behalf of the Parishioners of "Stella Maris Church," Barncliffe. JAS MORRISSEY JOHN MCISAAC JOHN PRAUGHT, Committee

RETURNS FROM VISIT-Mrs. Ludlow Jenkins, Marshfield, returned home Tuesday evening from a very pleasant two months' visit to California and other States. Besides relatives she met many Islanders, all of whom appeared to be prospering, and glad to meet someone from P. E. Island. The climate was about like August here with flowers of every description in full bloom, birds of many kinds singing, humming birds flitting around the gardens. New potatoes, peas, beans, cucumbers were all on the market, as well as fresh mackerel and fruits of all kinds quite plentiful and cheap, with lots of it being used. The seaside resorts and beaches were crowded and well equipped with hot and cold water, gas stoves, sewerage, camps and etc. On the trip home through the Middle West, sub zero weather with lots of snow was encountered and it was with a great deal of pleasure she found such pleasant weather on arriving home.
