**WOMAN KILLED BY BIG SHARK**

VIENNA, Aug. 4.—Visitors to the bathing establishment at San Giorio, in the Adriatic, witnessed a ghastly scene recently. A woman teacher was swimming a little distance from the coast, when a big shark was seen approaching. The unfortunate woman tried hard to escape but was reached by the monster, which caught hold of her leg. In a moment the shark, with his human prey, had disappeared in the depth of the sea.

**MILLIONS FOR CARS.**

The G. T. R. Will Soon Have Spent \$7,000,000 This Year For Coaches and Engines.

(From our own Correspondent)

MONTREAL, July 24.—With the daily delivery of engines, passenger coaches and freight cars, the Grand Trunk Railway is rapidly approaching the day when the last of nearly \$7,000,000 worth of rolling stock will have been received by them during the present year. There were in all about sixty passenger coaches ordered, costing about \$12,000 each, laid down in Montreal, which makes a total of \$720,000. Thirty of these have already been delivered.

There were 100 engines ordered, and of these sixty have been received. The average cost is \$15,000 each, or an aggregate of \$1,500,000.

The tremendous increase in freight traffic may be imagined by the delivery of 4,500 up-to-date cars. The order was for 5,200, and the average cost is \$850 each, so that the great sum of \$4,420,000 is being spent for freight cars alone. With the daily delivery of many of these the G. T. R. people are hoping to get well on the way to lift the present congestion. Toronto News, July 24, 1917.

**WHY DO YOU FAINT?**

Sometimes from shock or fright, but usually because the system is weakened and depressed.—It lacks power to react from sudden strain. This condition demands rebuilding, demands nourishment, which is best supplied by Ferronze. In every form of debility Ferronze is specific. It fortifies the digestive and assimilative power of the body, promotes the elimination of waste material, builds up tissue, gives energy and resistance. To have rich, red blood, enduring nerves, a strong constitution and lasting good health, use Ferronze. Sold everywhere in 50c. boxes or six for \$2.50.

**JAP WAR SCARE WORK OVERTIME**

CLEVELAND, Aug. 4.—Upon the return of Battery "A" from its annual target practice yesterday Captain Blasius asserted that the work of his men and guns was closely observed by the officers. The Japanese watched the work of the guns from a distance, partly hidden by trees. Battery "A" is one of the few organizations equipped with the latest field pieces.

**Why Do Women Worry? First Sign of Failing Health**

Worry is a disease—and it's more—it produces other diseases, because it breaks down the nerves and saps the vitality of the body.

Why do pity women don't realize that if they were well—if the blood were rich—if the nerves were strong—if all the organs were active—then the little things that irritate and prey on the mind wouldn't receive a moment's thought. The woman who worries has a poor appetite—she sleeps no good; thousands it has cured just like Mrs. M. E. Eberling, of Troy, who writes, "I am quite well now. I feel like a new woman. I have energy to anyone not feeling well. Last spring I was in a very poor condition of health. I was nervous, felt tired, and completely worn out. I do not have a common complaint with ladies of my age, but I placed great reliance in Ferronze, and took it for several weeks. It made me quite strong, and in fact I have been in better health ever since. I can heartily recommend Ferronze. Ferronze cures by making good blood strong nerves and a healthy body. This is why it gives color, clearness to the skin, brightness to the eyes—because with good digestion and activity of the body in all its parts there's health. Price 50c per box at all dealers.

**LONGBOAT'S SHOES, PURSE STOLEN**

TORONTO Aug. 4.—Tom Longboat is home in Toronto from Ottawa, with a story of misfortune. He says that on Monday night, his shoes and purse were stolen. Fortunately he had a second pair of shoes and the money was soon made up. Longboat broke the five-mile record at Ottawa, but says he could have run a minute faster if the track had been in good shape. Every time Tom lifted his foot he raised several cubic inches of real estate, which he carried around with him. Coley ploughed through it in great style and splashed Tom's face till it was several shades darker than it usually is.
