Helpless in Bed With Rheumatism Until He Took "FRUIT-A-TIVES"

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.

"For over three years, I was confined to bed with rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure rheumatism, without receiving any benefit.

Finally, I decided to try 'Fruit-a-tives'. Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

**KENSINGTON RACES.**—The opening of the Kensington Driving Park which took place Wednesday, August 28th inst will now be regarded as a historic event long to be remembered in the history of Kensington. The saying that "all roads lead to London" can truly be applied to this prosperous and populous centre of the Province, so that the immense gathering from almost every town, village and hamlet in the Province was a tribute to its ideal location. The day was beautifully fair. The race track one of the best in the lower provinces and a credit to the promoters, was in perfect condition. The situation of the grand stand, judges stand and stables for the horses all being conveniently and carefully arranged for the comfort of the horse men and the public. Behind the grand stand was provided a field which gave easy accommodation for over five hundred carriages, while to the east of the track was provided another field for the parking of all autos, while the centre of the track was reserved for the safety and protection of the onlookers. There were no fakirs, not even an intoxicated man to be seen, or allowed upon the grounds. Well stocked refreshment saloons, tables etc., provided all the necessary eatables and waited upon by the kindness of the ladies of the Red Cross Society who are to receive a donation to the Society for their excellent services; the races were most exciting and stubbornly contested. The free for all furnished eye brow finished in every heat. Dunholm, Brenton H., Colorado L. and Keltie all winning a heat so that it required the limit to give any one of them a place. In the 2.21 pace, Patola went a splendid race with the Queen second, Casey and Lillian following closely in the rear. The 2.35 class like the free-for-all kept guessing and excitement running at a high pitch taking the limit to decide the matter, the monies going to Acadian Jellicoe, Uscita and Baby George in the order named. One distinguishing feature of the races was the donation of \$10.00 to the horse making the fastest time in each class. In the free for all this was divided between Keltie and Brenton H. best time 2.17%. In the 2.21 pace it was won by Patola best time 2.19%, and in the 2.35 class divided among Acadian, Jellicoe and Uscita, best time 2.25%. It is understood the bulk of these prizes were donated by the drivers to the Red Cross Society. The horsemen were loud in their praises of the management, the track and the splendid treatment accorded them while the visitors could all join in the sentiment expressed in the closing words of "Gilpin's Ride" which read—"and Gilpin long live he, and when he next doth ride abroad, may I be there to see."

It is with deep regret that today the Guardian has to chronicle the death of Gertie Trainor youngest daughter of Francis Trainor of Donagh, who passed away on Monday, August 26th. The deceased who was only in her eighth year, enjoyed perfect health up to a few weeks ago when she was stricken down with blood poisoning, contracted from the sting of an insect. Although she had the best medical attendance and loving care of parents and friends, words could not express the amount or the severe nature of her sufferings, which she bore with great patience and resignation to the Divine Will. She was greatly consoled during her illness by her pastor, the Rev. A. J. McDonald, who administered to her the last rites of the Catholic Church. Her funeral took place on Tuesday evening to Fort Augustus and was very largely attended. The pall bearers were: Joseph Trainor, Jeter Beagon, Francis Koughan, Thomas McAdam, Joseph White and Leo Murnaghan. She leaves to mourn a loving father and mother, two sisters and two brothers, to whom is extended sincere sympathy. May her soul rest in peace.

War times are teaching us that there is no economy in buying the cheapest goods nor the fancy high priced ones. We are depending on the solid values of the good standard brands—the brands that were good in peace time and have doubly proved their worth in war time.

Red Rose Tea—costing today only about 1/4 of a cent per cup—is one of the solid war time values that anyone can afford—and that everyone will enjoy.

It is truly a war time tea
