LIVE STOCK EXPERT.—Mr. Duncan Anderson, of the Live Stock Branch, Ottawa, arrived in the city yesterday to take part in the Short Course in Agriculture that is at present being held at the Agricultural Hall, Charlottetown. Mr. Anderson is one of the best known Institute lecturers in Canada and is an expert judge of all classes of live stock. His work at the Short Course will be of great advantage to the students taking part in the Course.

UNPARALLELED.—The mildness of the weather this season is without parallel in the recollection of most people in the province. As an instance of this it may be stated that for the past few days the Charlottetown harbor has been open enough to allow the Fall contractors for the ferry service from Rocky Point to the city to perform the work in a row-boat, in which they pulled from one shore to the other without any difficulty in the way of ice. In fact, yesterday, the interesting spectacle was witnessed of two men paddling in a canoe from Charlottetown over to the Rocky Point shore. The harbor is clear of ice over quite a large expanse. And yet it is approaching the middle of January.

IF YOU WERE BUSY.

If you were busy being kind.
Before you knew it you would find
You'd soon forget to think 'twas true
That someone was unkind to you.

If you were busy being glad,
And cheering people who are sad,
Although your heart might ache a bit,
You'd soon forget to notice it.

If you were busy doing good,
And doing just the best you could,
You'd not have time to blame some man
Who's doing just the best he can.

If you were busy being true,
To what you know you ought to do,
You'd be so busy you'd forget,
The blunders of the folks you've met.

If you were busy being right,
You'd find yourself too busy, quite,
To criticise your neighbor long
Because he's busy being wrong.

Six Foxes, Highest Grade, Class A. Pure Island Bred Silver Blacks, Pedigreed and Description of Foxes

Female No 1. born 1911 Mother 6 Pups 1913

This fox is the celebrated Dalton bred Vixen "Bluebird," mother of 6 pups in 1913 (an even 3 pairs) which were sold and delivered in October for forty-six thousand dollars (46,000) cash, which we believe to be the record cash value for any litter of pups on P. E. Island in One Season.

Female No 2 Born 1911

This female is a high grade fox born in the ranch of F. F. Tuplin from his best pure bred Island stock and had a litter of 5 pups in 1913 a very high percentage.

Female No 3 Born 1913

This young breeder is a choice highly bred Oulton fox and is a grand daughter and a descendent of the foxes whose pelts sold for record price in 1910, and is a relative of our male Prince Royal.

Male No 1, Born 1911

This fox was littered in the ranch of F. F. Tuplin, New Annan, from his highest grade of pure Island stock.

Male No 2, Born 1911 "Prince Royal"

This choice male fox was littered in the Dalton Oulton ranch at Alberton and is same blood and family that produced the pelts which sold in the London market at £500, £530, £540 sterling and he is considered one of the finest foxes in P. E. Island both as regards pedigree and quality of the fox himself.

The pedigrees of the above foxes can seen be at the office of the President. The Company are only offering 200 shares of stock to the public of which a considerable amount is already spoken for and they expect the small balance will be quickly subscribed in view of the showing made the past by the two old breeders, The Director have already had several good offers for 1914 Options as the quality and breeding of these foxes make them sought for by new ranching companies, The Estimated dividend for 1914 is 80 p. c.
