

Stock Quotations

YESTERDAY'S LOCAL MARKET QUOTATIONS

Corrected For Every Wednesday and Saturday Issue

Table of stock quotations including Oats, Hay, Potatoes, and various other commodities.

Montreal Stock Market

Table of Montreal stock market quotations for various stocks and bonds.

GRAIN

Table of grain prices for various types of wheat, corn, and other grains.

MT'L. CURB

Table of metal curbs and other market items.

Dorothy Dix's Letter Box

Dear Miss Dix—What stand should a husband take who has a philandering wife? We were married five years, have two sons, and I devoted all of my time to my work and trying to make a success of our domestic life...

CENTRAL GUARDIAN

This column is reserved for Queen's County news of local interest but advertising of a new venture may be inserted at a cost a word strictly payable in advance.

MINING

CRAPAUD—Saint John's Church, September 10: Holy Communion 8.00, Sunday School 10.15, Morning Prayer 11.00. Hymns: 49 (3) 15 (1), 420 (1), 524 (2).

ST. JAMES CHURCH

Francis Holl-Trainer will be the special soloist at St. James Church tomorrow morning. At the evening service, Mrs. N. D. McLean and Mrs. J. A. Lawson will sing a duet.

SUCCESSFUL SCHOOL FAIR

A very successful school fair was conducted yesterday at Tracadie Cross under the supervision of Mr. Howard Court. There was a good attendance and excellent exhibits of grain, vegetables, livestock, poultry and homework.

FIRE YESTERDAY MORNING

A valuable horse was lost in the fire which destroyed the barn and green house of Mr. Von Clure Gay early yesterday morning. The nearby garage and storehouse which also took fire were saved from being completely demolished by the gallant work of Chief Angus McEachern and the members of the Fire Department who also kept the flames away from Mr. Gay's residence.

PRODUCE

MONTEAL (C.P.) Butter and cheese prices advanced while other lines held unchanged on the Montreal dairy and produce market today. The butter market rose half a cent yesterday to 18 1/2 to 19 cents a pound...

N. Y. CURB

Table of New York curb prices for various commodities.

EXCHANGE

Table of exchange rates for various international currencies.

THE BACK STRETCH

(Continued from page 7) point him and them to drive them away in the end."

Listen to this, drivers of P. E. I. It is the account of the first heat of the 2.28 trot and pace at Tilsonburg, Ont., August 31st. "Limber Jim's" sulky went to pieces at the first turn. His driver was dragged several yards with no serious injury, while in the first heat of the second division the sulky of Donna Gratian and Winnie Woodland were smashed at the wire when the starter shouted go, and both drivers escaped injuries.

Then to end a perfect day the last heat of the 2.26 trot and pace, second division, the sulky of Mr. Hal McEwen and Betty F. Gratian crossed the finishing mark with wheels locked! It would look as though sulky manufacturers would have a good field for their endeavors up in Ontario.

The winner of the above race, Dominion Gratian, is three years old and stepped the second and third heats in 2:11 1/2, going the last quarter of one heat in 31 1/2 seconds. He was a starter in the \$3000 futurity at Toronto on Tuesday.

The death of J. Edgar Milligan has cast a feeling of deep gloom over the harness horse fraternity. Everywhere it is the subject of conversation and many are the expressions of regret at the untimely passing of one of the staunchest friends the harness horse game had in the Maritimes. He is one man that will be very difficult indeed, if at all possible, to replace.

A new racing plant which is to cost half a million dollars is being built at Houston, Texas. It will be devoted mostly to thoroughbred racing, but harness racing will also find a place there. It is expected to recoup its promoters largely through legalized pari-mutual betting.

Sir Marquis, son of Peter the Great and Flight Onward, owned by George G. Sharra of Brasstown, Ont., died recently at the age of twenty-seven. He was one time standing at Hudson River stock farm with Guy Axtworthy and while there sired Kentucky Marquis, 2:09 1/4, owned by Capt. John L. Read, Boston, P. E. I.

Clover Guy, 2:07 1/4, owned by Capt. Read, Borden, is siring some beautiful stock. His colts and fillies were very much admired at the Provincial Exhibition this year. Capt. Read has done a great service to Island farmers by bringing such a high class horse to this province.

Comte Mangelli who bought Topsy Shaver for \$6,000 and is having her shipped back to Italy, is one of the largest breeders in this country, and maintains the second largest racing stable. He made an offer of \$20,000 for Mary Reynolds before the Hambletonian was raced but this was not accepted. It would have been a good buy for him if he had got her as she won over that amount in the race. His selection of stallions in the United States is unparelleled. This is the way he breeds them: Peter Volo, 2:02 1/4, Gaylordville, 2:03 1/4, Peter the Brewer 2:02 1/4, and Hollywood Harkaway. The latter is a son of Peter Volo and with limited opportunities has sired a lot of intense speed.

There were fourteen heats paced during the meeting, the fastest being the first heat of Darkey Gratian in the Free For All, 2:06 1/4 and the slowest being the first heat of Calumet City in the 2.24 pace, 2:19. The average time of the fourteen heats were 2:12 1-5.

There were ten heats trotted during the meeting, the fastest being the first heat of the 2:14 mixed, which was won by Heatherbell in 2:10 and the slowest heat 2:15 1/2, the average of the ten heats trotted being 2:12 3/4.

Statistics of the meeting show that there were eight races on the program for the three days with a total heat of \$2,400 in prize money, of which sum the Nova Scotia horses won \$1,353, Prince Edward Island \$793 and New Brunswick horses \$254.

The largest money winning stable of the meeting was that of Hedley T. Fulton, Upper Steviacke, N. S., racing Calumet City, High Toby, Baronet, Darkey Gratian and Tease. These horses driven by Johnny Conroy accounted for \$640 of the \$2,400.

CHANGE OF AIR

Bracing resorts are rather inclined to upset the digestive tract during the first day or two of one's holiday, says a physician. There is a feeling of lassitude and irritation at trifles. Constipation is usual. These symptoms may be caused by overeating due to the increased appetite that fresh air brings, to the change in water or to fatigue brought on by the demands made on the heart and lungs by the climate. The children also suffer from these effects and they are often peevish and easily reduced to tears. A laxative pill, followed next morning by a S-siditz powder will soon put the digestive organs in good trim again.

SPORT BRIEFS

(Continued from page 7) a mile, was covered in five minutes twelve and eight-tenths seconds. A Canadian named Bourne was fifth.

The record score of 7918 points of a possible 8000 was made by the United States twenty men team at Camp Perry, Ohio, last Monday, shooting in the International small bore Dewar Trophy match. The ranges were 50 and 100 yards and the previous record was 7882 points made by the U. S. team last year.

The only other team which has reported totals is the British team shooting at B'sley in July where they scored 7289 points. The United States team has won this match every year since 1926.

Individual records in this match were made by a nineteen year old boy, R. W. Hughes of Youngstown, Ohio, with an individual score of 399 out of a possible 400.

Making his second appearance since he arrived in the United States recently Juan Carlos Zabala of Argentina who was the Olympic Marathon winner copped the fast time prize in the five mile handicap road race of the Greek-American Athletic Club at Rye, N. Y. last Monday. Starting from scratch he covered the distance in 25 min. 47 secs., nearly two minutes faster than the next fastest runner.

Glen Shultz of Colorado Springs, Colorado, won the open automobile race up Pike's Peak, Colorado, making it seven consecutive wins for him in this event. He travelled the steep course of a little over twelve miles in 17 min. 27 1-2 secs. His nearest rival was one-half minute behind.

On the same afternoon Barings Comet won the three year old trot, reducing the record for the Maritime Provinces to 2:23 1/4. The Canadian, owned by Dr. Church, was second and James W. McKinney, a Fredericton horse, third.

The third class on the program was the 2:27 trot in which nine horses started. It was won by Narrows W. driven by Bill Sharen in 2:21 1/2, the first heat being won by the Cochato Lady driven by Peter Carroll in 2:23 1/4.

Narrows W. was mated to Captain Aubrey and produced Bill Sharen, 2:04 1/4, the greatest trotter ever raced in the Maritimes and sold for \$25,000 to Tommy Murphy.

In the first part of these notes we commented on the defeat of King Spruce in the 2:18 Trot and Pace the first day's racing at Fredericton. However, the tables were turned by King Spruce in the 2:14 Trot and Pace raced two days later when he was 2-1-1, the first heat being captured by Heatherbell in 2:10 with King Spruce coming on and winning the next two in 2:10 1/4 and 2:10. I'm Alone went back to 3-5 and drawn.

There were fourteen heats paced during the meeting, the fastest being the first heat of Darkey Gratian in the Free For All, 2:06 1/4 and the slowest being the first heat of Calumet City in the 2.24 pace, 2:19. The average time of the fourteen heats were 2:12 1-5.

The children also suffer from these effects and they are often peevish and easily reduced to tears. A laxative pill, followed next morning by a S-siditz powder will soon put the digestive organs in good trim again.

During the next few weeks only a limited amount of repair work can be taken care of in Mr. V. C. Smallwood's Radio workshops. As he insists on personally checking and testing every machine—and in taking a holiday—he has decided to extend the date on all coupons placed in the hands of the public during Exhibition week until the 30th inst. These coupons mean that the charge per hour on repair work is cut in half. All work will still be personally supervised by Mr. Smallwood. 963

WANTED—TEFFEL TURBINE waterwheel 40 inch, in good condition. Geo. Leard, Peake's Station. 993.

FRECKLES

The sunshine has brought out a whole crop of freckles, and many readers are anxious to know how to get rid of them, says a beauty specialist. Young adults are most frequently affected. The skin has tried to protect itself by making deposits of pigment, but, instead of distributing itself evenly, the tanning has appeared in patches. Remedies are not of much use. An old fashioned way was to rub the affected parts with lemon, but this only rubbed off the outer layer of skin, thus making the freckles rather less noticeable. "Wife—You really caught nothing?" "Husband—Nothing." "Wife—Then I believe you really went fishing."
