Sounds of Activity AT THE BEE HIVE

Almost daily we are receiving additions to our stock. Already we have landed three cargoes made up of almost every size of dimension lumber in Hemlock and Spruce.

TO THE BUYERS' INTERESTS

We have made our season's purchase. The quality is always first and uppermost—and we never forget that there must be a combination of quality and price that will be appreciated by Bee Hive Patrons. It will be impossible to enumerate addition after addition to our stock as it arrives but lumber hunters will find at the Bee Hive a general supply for every day usefulness.

The spring trade left our stock in a low state before the opening of navigation but we fully expect to be up to the requirements of the trade from forward.
