ELECTION CARD

To the Electors of Charlottetown, Ladies and Gentlemen,—Yielding to the earnest solicitation of a large number of influential citizens, I have consented to nominate for the office of Mayor of Charlottetown. As I have served for six years as a City Councillor I feel that I am conversant with the conduct of civic affairs. I am, and always have been in favor of the progress and improvement of our city, by every possible means consistent with reasonable economy in expenditure and due regard for the rights and wishes of the taxpayers. I am a strong advocate of ballot voting in civic elections, and of such other progressive measures as the tax-payers may deem essential for placing our city in line with the most up-to-date communities. I am a candidate for the Mayorality, not of my own initiative, but at the request of a large number of the influential tax-payers and if you do me the honor of electing me I shall devote such ability and energies I possess to the honest administration of this honorable and important trust, to the cause of good civic government and the advancement of our city. As the time is short it will be impossible for me to make a general personal canvass, I therefore take this opportunity to earnestly solicit your votes, and influence in the coming civic election. Thanking you for past favors, and in the full confidence of receiving your hearty support, I remain, Yours Faithfully, CHARLES LYONS. January 19th, 1910. Wz, Pat, Her, Waterman please copy.
