CATTLE, HOGS, SHEEP

Slaughterings of cattle during the third quarter of 1946 were 5 per cent less than for the corresponding quarter of 1945, says the Current Review of Agricultural Conditions in Canada. This decrease occurred largely in Eastern Canada.

During the first 9 months of 1946, inspected slaughterings of hogs fell off 28 per cent as compared with the corresponding 9 months of 1945. The reduction in Eastern Canada amounted to 9.5 per cent. In Western Canada, the decline was 40 per cent.

Inspected slaughterings of sheep and lambs recorded an 18 per cent increase during the 3rd quarter of 1946, as compared with the corresponding quarter of 1945.

A NASTY COLD BANISHED IN ONE NIGHT?

Particularly at this time of the year, something that will help to banish colds on the chest, is very useful. It was fortunate for Mr. Edgar, St. Laurent, Quebec, that he heard of Nerviline. Read his experience:

"For over a year I suffered with my throat. I suffered very badly. I used different remedies, but without definite results; then I heard of the benefits from Nerviline. I tried Nerviline, and can now appreciate its efficacy. I have adopted Nerviline as my throat remedy—that is why I am in good health today." Nerviline is a strong, penetrating liniment that helps to ease congestion and thereby aids in bringing quick, effective relief. 35c at all dealers.

In Memoriam

MR. JAMES R. BROWN

The death occurred at his home, 103 Pownal St., Charlottetown on Monday, October 21st., 1946. of James R. Brown in his 65th. year. The late Mr. Brown was owner of the Brown Electric, which business he conducted successfully for the past 30 years. The funeral was one of the largest seen in the City for many years.

The late Mr. Brown was a highly respected citizen, honest and upright in his dealings, his acts of charity and kindness will long be remembered.

He was a member of the League of the Cross for many years. He earnestly worked to keep the younger members in the path of sobriety and honesty. He was the oldest usher in St. Dunstan's Basilica.

Solemn High Mass of Requiem was celebrated on Thursday morning in St. Dunstan's Basilica by Rev. Wilfred McCardle, assisted by Rev. Francis MacDonald, deacon and Rev. Kenneth MacMillan, subdeacon. Present in the sanctuary were: Rev. Leo Herrell and Rev. George MacCormack who were with him at the hour of his death. Interment took place in the Catholic Cemetery where service were conducted by Rev. Francis MacDonald.

Numerous floral tributes mass cards, messages of sympathy and telegrams were received by the sorrowing family.

Ontario Boards Of Trade Meet

TORONTO, Nov. 30 — (CP) — Discussion at today's session of the Ontario Associated Boards of Trade and Chamber of Commerce convention ranged from British Labor practices to the relationship between wages, prices and production.

Speakers included G.V.V. Nicholls of Montreal, manager of the research department of the Canadian Chamber of Commerce; W.C. Woods, president and general manager of the W.C. Woods Company of Guelph, Ont.; and J.R. Lloyd Davies, deputy Labor attache at the British Embassy in Washington.

Mr. Nicholls said legislation governing Labor disputes was to be changed within the next six months and he urged boards of trade to use their influence to help make the new regulations effective and respected.

In recent industrial strife, he saw a wide-spread tendency to show contempt for present regulations. Laws governing picket line tactics had been flouted openly and disregard shown ordinary law protecting individual rights.

Mr. Woods urged that, rather than letting wages and prices rise, wages should be kept substantially constant and the price level be made to fall at a rate equal to the per capita increase in productivity.

Mr. Davies said the compulsory arbitration system set up in Great Britain during the war had been kept in force through the first year after the war. He credited it with averting much industrial strife.

SCHOOL RECESSES

Need for strict observance of breaks in class routine in school is the subect of a pronouncement from the Department of National Health and Welfare, Ottawa. The health officers point out that recesses should be observed carefully. Class rooms should be given a chance to air, and both teacher and pupil given the benefit of a short spell of freedom from instruction and study

Lantigen

SERIES OF 6 DISSOLVED ORAL VACCINES TO BE TAKEN BY MOUTH

A Colds are due to virus infections. The secondary invasion of bacteria which follows the initial virus infection prolongs and intensifies the symptoms. Lantigen 'A' supplies antigens, not of the virus, but of those secondary bacterial invaders.

B Catarrh, sinus and antrum infections with resultant bronchitis and bronchial asthma are commonly due to a group of bacteria. Lantigen 'B' is a solution of antigens derived from these bacteria.

C Rheumatism, arthritis, and neuritis are believed frequently due to focal infection. Lantigen 'C' contains antigens of the organisms from these foci of infection.

D Pimples, boils, carbuncles and abscesses are commonly due to staphylococci albus and aureus. Lantigen 'D' contains antigens of staphylococci albus and aureus.

E Hay Fever. Lantigen 'E' contains antigens derived from the pollens of grasses and weeds which are the common causes of hay fever in Canada. In addition Lantigen 'E' contains antigens from the bacteria which commonly infect the upper respiratory tract.

F Whooping Cough. Lantigen 'F' consists of antigens derived from the organism of whooping cough and, in addition, the organisms which frequently complicate whooping cough.

In Memoriam

In Loving Memory Of
MRS. GEORGE DAVISON
who passed away,
DECEMBER 2, 1945.

Her busy hands are folded on her breast
In tranquil peace that follows crowded years;
Her soul has found its haven now of rest,
Her loved ones know 'mid hidden silent tears
That God has called her Home at close of day,
And prayerfully they try to see "God's Way"!

Remembered.
Husband and Family.
