Fragrant-absolutely pure-economical. No amount of care or expense is spared to make it as perfect as possible. Refined vegetable oils render it specially suitable for delicate skins. Natural flower perfumes (from Grasse, France) give it a lasting yet delicate fragrance. Yet its cost to YOU is very small.

MERCHANDISE PRIZE EVENING

Continued from page 1

cursor to the moon is a magnificent film, beautifully colored and takes the watcher away on an airship, through the mysterious aerial lands, where all things seen and unseen have their habitation, up through the clouds, and on into the country of the moon, with its strange and weird inhabitants. The journey is made by means of an airship, which after it gives up its passengers is treated very cavalierly by the people to whom it seems a huge monster. The fire effects, the quaint costumes, and the marvellous depictions of this film rank it among the best on the circuit.

Swedish sports is an extra, and the remaining number on the regular bill are:

What Casey won at the raffle.

"Youthful Kackenschmidt."

"The Magistrate's Crime," and "Willing to Oblige." These are a mingling of comedy with the instructive element, and tragedy is not forgotten in the making up of the program.

Mr. Frainor will sing "Virginia dear" a beautiful song with lovely illustrations.

For Merchandise night, which has ever proved so amusing and entertaining, Miss Wentworth will stay over at Wonderland and contribute her share to the program.

Come to Wonderland tonight, and take home a souvenir of your visit! Let the laughter and enjoyment disperse the wintry chill which has fallen over nature's face for the time being, and give Wonderland the time of the season when the genius management distribute the gifts in abundance after the splendid program has been rendered and everyone has enjoyed it fully. Merchandise Night at Wonderland tonight! Remember it!

NO MORE RHEUMATISM

"FRUIT-A-TIVES" CURED HIM

Christopher D. Graham is a well known citizen of Ottawa—formerly in the City Hall and largely instrumental in forming the Ottawa Hunt Club. Mr. Graham's voluntary testimonial, as to the great benefit he received from taking "Fruit-a-tives" will carry conviction.

Ottawa, Ont. Nov. 26th, 1907.

Dear Sirs:—

I have been a sufferer from Rheumatism for a long time—pains in my shoulder and joints practically all the time. I tried various treatments without benefit and then I was recommended by a friend to try "Fruit-a-tives." I took several boxes of the tablets and now, for a long time, I have been entirely free from all rheumatism and rheumatic pains.

I wish to state, also, that I suffered from haemorrhoids, or piles, for years. I used all kinds of ointments and treatment and nothing did me any good, but after taking "Fruit-a-tives" for my rheumatism I am entirely cured of these dreadful piles. (Sgd) C. D. GRAHAM.

"Fruit-a-tives"—or "Fruit Liver Tablets" are sold by dealers at 50c a box—6 for \$2.50—or will be sent on receipt of price. Fruit-a-tives Limited, Ottawa.

OAKLEY BARON,

Record 2.23

Oakley Baron made his record of 2:23 on a four year old on a half mile track and in a seven heat race which he won. He is so well and favorably known a full description is needless, further than to say he is considered to be the handsomest, best bred and one of the fastest trotting stallions in Maritime Canada. He is a show horse, having won first prize at the Charlottetown Exhibition in 1906 and 1907. He is also a sire of winners in the show ring. Some of his foals the first crop were shown at exhibition last fall and won first, second and third money, the judge remarking that they were the best lot he ever judged. They resemble their sire in size and color with indications of early speed, big handsome sets with trotting action. He will make the season of 1908 at the old stand, McKinley Bros., warehouse, Great George Street. Fee \$10.00 secured by note at first service due Nov. 1st, 1908. Liberal discount for cash. JESSIE, THE FLOWER O' DUNBLANE.

(Robert Tannahill.)

The sun has gone down o'er the lofty Ben Lomond, And left the red clouds to preside o'er the scene, While lanely I stan' in the calm summer gloamin', To illuse purest Jessie, the flower o' Dunblane.

How sweet is the brier, w' its saft fading blossom, And sweet is the birk w' its mantle o' green; Yet sweeter and fairer and dear to this bosom Is lovely young Jessie, the flower o' Dunblane.

She's modest as ony, and blythe as she's bonny, For guileless simplicity marks her its ain; And far be the villain, divested o' feeling, Wha'd blight in its bloom the sweet flower o' Dunblane.

Though mine were the station o' loftiest grandeur, Amidst its profusion I'd languish in pain, And reckon as naething the heights of its splendor, If wanting sweet Jessie, the flower o' Dunblane.
