Tea And Coffee Hurts

One in Three.

It is difficult to make people believe that tea and coffee are a poison to at least one person out of every three, but people are slow finding it out, although thousands of them suffer terribly before they discover the fact.

A New York hotel man says: "Each time after drinking coffee I became restless, nervous and excited, so that I was unable to sit five minutes in one place, was also inclined to vomit and suffered from loss of sleep, which got worse and worse.

"A lady said that perhaps coffee was the cause of my trouble, and suggested that I try Postum." (Tea is just as harmful as coffee because it contains caffiene, the same drug found in coffee.) "I laughed at the thought that coffee hurt me, but she insistex so hard that I finally had some Postum made. I have been using it in place of coffee ever since, for I noticed that all my former nervousnes and irritation disappeared. I began to sleek perfectly, and the Postum tasted as good or better than the coffee, so what was the use of sticking to a beverage that was injurying me?

"One day on an excursion up the country I remarked to a young lady friend on her greatly improved appearance. She explained that some time before she had quit using coffee and taken Postum. She had gained a number of pounds and her former palpitation of the heart, humming in the ears, trembling of the hands and legs and other disagreeable feelings had disappeared. She recommended me to quit coffee and take Postum and was very much surprised to find that I had already made the change.

"She said her brother had also received great benefits from leaving off coffee and taking on Postum."

"There's a reason."

The firm of A. Horne & Co., Charlottetown, having been in business for 40 years, have gained the confidence and esteem of farmers and business men all over this Province, for the merit and reliability of the goods they sell. This also refers to the seeds they handle, and as will be seen by their ad, elsewhere they now have the highest class seeds procurable in seed grain, wheat, oats, barley, peas, vetches, corn, buckwheat, mangel, and turnip seed, and sell at moderate prices. As farmers depend almost entirely on the quality of the seed they purchase, they fully appreciate the great care exercised by the firm in securing for them the superior varities they do, and it might here be mentioned that they give specially low prices to Farmers Clubs and Institutes.

A WEAK, ACHING BACK CAUSED HER MUCH MISERY

Could Not Work and Had No Ambition For Anything.

Those who have never been troubled with kidney trouble do not know the suffering and misery which those afflicted undergo.

Weak, lame or aching back comes from the kidneys, and when the kidneys are out of order the whole system becomes deranged.

Doan's Kidney Pills are a specific for all kidney troubles.

Mrs. W. R. Hodge, Fielding, Sask., writes:—"A few lines highly recommending Doan's Kidney Pills. For this last year I have been troubled very much with nasty sick headaches, and a weak, aching back which caused me much misery, for I could not work and had no ambition for anything. My kidneys were very badly out of order, and kept me from sleeping at nights, I tried many kinds of pills and medicines but it seemed almost in vain. I began to give up in despair of ever being well and strong again, when a kind neighbor advised me to try Doan's Kidney Pills, which I did, and am thankful for the relief I obtained from them, for now I am never in trouble with a sore back or sick headaches. I will always say Doan's Kidney Pills for mine, and can highly recommend them to any sufferers."

Price 50 cents per box, or 3 boxes for $1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
