Good Health Mine.

Most Valuable Discovery by a Prominent Halifax Traveler.

But Rockingham People Have Known it for Several Years—Dodd's Kidney Pills a Perfect Mine of Health They Cure all Kidney Disease.

ROCKINGHAM, N. S., March 16.—(By telegraph.) The rich mine recently discovered by the oldest traveller in Nova Scotia, Mr. J. H. Ireland, Halifax, is said to have been known to the citizens of this town five years ago. An old resident states that he drew a new lease of life from the mine, at least four years ago. Others have made similar claims.

Mr. Ireland says he cares not how many people use the mine. He has named it the Good Health mine, and says that this is the most suitable title for it, as Good Health is enjoyed by all who use its output—Dodd's Kidney Pills.

There is no doubt about the genuineness of Mr. Ireland's cure. All his friends, and he has hundreds of them, have remarked the improvement, and congratulated him upon it. To each inquiry he has replied that Dodd's Kidney Pills cured him in a few days.

The reputation enjoyed by Dodd's Kidney Pills in this section of Nova Scotia, is indeed a proud one. It is safe to say that they are used in every household. And in every case in which they have been tried, a complete and lasting cure has followed. A large number of cases of Bright's Disease, Diabetes and Dropsy have been cured by them here, and the cases of Rheumatism, Lumbago, Lame Back, Sciatica, Gravel, Stone in the Bladder, Blood Impurities, Diseases of Woman and all Urinary Diseases, that have been cured by them, are simply uncountable.

We guarantee that these Plasters will relieve pain quicker than any other. Put up only in 25c tin boxes and \$1.00 yard rolls. The latter allows you to cut the Plaster any size.

Every family should have one ready for an emergency.
