Every careful and observant mother knows when her child suffers from worms. She also knows that if some remedy be not speedily applied much harm will result to the infant. An excellent preparation for this purpose is Miller's Worm Powders. They drive worms from the system and set up stimulating and soothing effects, so that the child's progress there after is painless and satisfying.

beautiful handbag accompanied by a suitable address to which she made a fitting reply. It is not too much to say that with the departure of Miss Thompson, Dunstaffane has lost its most willing and energetic worker among the young people. In all the social and religious activities of the community she played her part both capably and well. She was a valued member of Marshfield United Church choir and also of Young People's League in which she invariably took a prominent part. And the best wish of her many friends is that she may have the same marked ability in the nursing profession as she has had heretofore, to all her various enterprises. Miss Thompson makes the second young woman who, within the year, left the district to train, the first being Miss Reid who, by her skill and earnest endeavour, has already proved herself a most capable and efficient nurse.

POSTON-POWELL.—The Cathedral of All Saints, Halifax, N.S. was the scene on Monday afternoon at three o'clock of a largely attended wedding when Very Rev. J. P. D. Lwyd, united in marriage Miss Ethel Mary Powell, daughter of Lieut.-Colonel and Mrs. A. H. T. Powell, of Halifax, and Captain (ret.) Leson Poston V. R. C. R., son of Mr. George E. Poston, of Quebec. It was a military wedding, and the bride and bridegroom on leaving the Cathedral, passed beneath an archway of swords held aloft by the bridegroom's brother officers, and the crossed bayonets of the men. The archway extended the length of the main aisle and was as far as the bride car, the whole of "A" Company, R. C. R., taking part in this part of the proceedings. The church was decorated for the occasion, a military touch being given by the flags which were draped among the profusion of flowers. The bride was given in marriage by her father, Lieut.-Col. Powell, and was attended by Miss Margaret McInnes. The bride's gown was of white canton crepe, over which the veil fell in graceful folds to train length in the back. She carried a bouquet of roses. The bridesmaid wore a costume of pale green chiffon with crinolite hat of the same shade and carried a bouquet of sweet peas. The bridegroom was accompanied by Captain Holloway, and both wore the scarlet dress jacket uniform of the regiment, while the other officers wore the all blue uniforms. The ushers were: Major Vince, R. C. E., Major M. K. Greene, R. C. E., Major Tremaine, R. C. A., and Major John Roper, R. O. After the ceremony a largely attended wedding reception was held at the home of the bride's parents and the couple left later on a wedding trip to Charlottetown, P. E. I. Upon their return Captain and Mrs. Poston will reside in Halifax.—Halifax Exe.

This blood and nerve restorative was devised for use in two great classes of diseases, one of which usually develops from the other—Anemia or bloodlessness, and Nervous Exhaustion. Some of the symptoms and ailments which come under this heading are:

Thin blood, sallow complexion, pallor of eyelids, lips and gums, tired feelings, loss of energy and ambition, tendency to fear and anxiety, loss of breath and easily fatigued, weak heart action, loss of flesh and weight, neurasthenia, nervous prostration, nervous headache, indigestion, sleeplessness, irritability, nervousness, twitching of nerves and muscles, sensibility to sound and light, gloomy forebodings, loss of memory, inability to concentrate the mind.

Dr. Chase's Nerve Food is easily the greatest of restoratives. By forming new red corpuscles in the blood this food treatment nourishes the starved and depleted nerves back to health and vigor.
