## THE PRINCE COUNTY GUARDIAN

Offices in Summerside J. Frank Lafferty, Manager, and in Alberton Herbert Clark, Manager.

L. U. Fowler, Sec. of the I. O. F., went to Tignish Tuesday in the interest of the Foresters.

Harry Harvey, Linkletter Road, has been appointed a Justice of peace and was sworn in yesterday before Judge McLeod.

James Taplin, Alberton was the victim of a painful accident at the Black Banks on Monday. He was falling trees for fire wood and the axe glanced and completely severed the second toe at the first joint on the right foot. Jim stood the dressing of the wound like a "brick" though it was very painful.

### THIS COMBINATION ALWAYS WINS.

How often we hear of people who have had an aching joint or muscle for years. No more speedy remedy can be adopted than to rub on Nerviline and then apply a Nerviline Porous Plaster. At once the muscles begin to resume their wonted vigor and flexibility. Inflammatory symptoms and pain disappear. Nerviline Plasters can be worn by the most delicate child or aged person. They are invaluable as thousands have used along with Nerviline they are guaranteed to permanently drive out any muscular ache, pain or stiffness. MONEY TO LOAN

"Nelly Bangs" caused quite a sensation on the ice at Summerside Tuesday afternoon, by defeating all comers, in what appeared to be only a road gait for her.

J. Frank Lafferty in the office of Williams & Crue, Summerside, will be glad to receive news, advertising and subscriptions for "The Prince County Guardian." Telephone connection.

Prince Edward Lodge No. 22, I. O. O. F., meets tonight, after the usual business a smoker will be held, to which all members of the lodge as well as visiting brethren are invited to be present.

Theodore Ross was in Summerside on Monday attending a meeting of the Seed Fair Committee. He will be present at the Farmers' Institute Meeting at Newton, Lot 26 on Friday the 21st.

Wonderland and Fairyland in Summerside, have amalgamated by Fairyland becoming absorbed by Fairyland. Fairyland will continue to give its patrons as excellent if the principal heads of which have been doing in the past.

The Guardian overlooked giving due credit at the proper time to Supt. Sharp and Postmaster Wheat for forwarding the two days mail, which arrived at Charlottetown on Friday last too late for the regular train west, by the Cape Traverse train to Emerald and thence by thunter to Summerside. Such acts are greatly appreciated.

Mrs. Thomas Myers passed away at the home of her daughter Mrs. Averil Bell, Cape Traverse, early on Wednesday morning, aged 64 years. She has been sick for over five weeks and during that time has partaken of no food. She died as she lived, trusting in the full assurance of Salvation. She leaves to her four daughters, Mrs. Averil Bell, Mrs. Donald Bell of Tryon; Mrs. Geo. McMicken of Carleton; Mrs. W. T. Bowness, Bedouque and three sons Thomas of North Carleton; Wallace of Bay View, Alta.; and Wesley of Bedouque. The funeral will take place on Friday at 2 p. m. Interment will be at the Scarletown Methodist Cemetery.

On St. Patrick's Day March 17th, Division No. 5, A.O.H., will present the side-splitting farce-comedy of "Finnigan's Fortune," an Irish play in three acts. It is a new and original Irish-American play. No "red-coats," no "evictions," no "landlords," there are no "uprisings," "dunce cells," nor "persecuted maidens." "Finnigan's Fortune" is a play of today. It is up to the times. Instead of wildly imposing characters we meet real flesh and blood. People who do things in a natural and lifelike way. Besides the play an address will be given by Rev. Father Burke. The Rev. gentleman's ability as a platform speaker is too well known to need any further comment. Don't fail to hear him. Between the acts specialties will be given by Summerside's leading performers. Watch for particulars later. 2-18431.

A gentleman arriving from Boston a short time ago figured in a somewhat annoying trip with a liveryman from whom he hired a team at Summerside. The subject, came to the Western capital by the morning train and leaving there by the afternoon train to arrive 12 miles or so west of Portage early in the afternoon—there being no train West till late in the evening. The distance from Summerside to Portage was covered in "only" five hours with the best roads we have had this winter. The distance between these two places we will leave for the reader to figure out, when he will say that the liveryman should pursue some other calling. The remaining 12 miles was covered in 58 minutes with a Western horse which of course accounts for the rapid transition of this distance. Had the passenger not been in any serious hurry he would not request this note published. His father was being buried that afternoon and the funeral was delayed somewhat. He declares that the liveryman should be decorated with a leather medal for putting such a horse on the road.
