Kinsmen Hear Talk On Winter Army Training

The weekly meeting of the Kinsmen Club of Charlottetown was held yesterday at the Charlottetown Hotel with Wilfred Smith occupying the chair.

It was decided by the Club to sponsor two very prominent artists of the entertainment world in the spring or early summer and further announcement regarding these artists will be made in the near future when present plans are finalized.

The highlight of the meeting was a talk by a club member, Capt. E. G. McLeod, M.C., who spoke on winter training under sub-Arctic conditions. Capt. McLeod had just returned from an army school conducted under Arctic conditions and he explained how one lived and might have to fight in a climate which would be Arctic in nature. The matter of sleeping conditions, food, transportation, etc., were described by Capt. McLeod, who looked extremely fit after his rigorous training session under severe winter conditions.

Guests present were Mr. Richard Butts of Moncton, N.B. and Mr. R. J. Mahar of Dept. of Veterans Affairs, Charlottetown.

S'side Kinsmen Club Meeting

At the regular meeting of the Summerside Kinsmen Club held last evening in the Olympia Restaurant, club president Elmer Wedge offered the congratulations of the club to Kinsman Henry Wedge who was recently elected Mayor of Summerside. He spoke of the feeling of pride possessed by the members of the club in that one of their members had been elected to this important office. A suitable presentation was made to Mayor Wedge to commemorate the occasion. Later eulogies were passed around with the compliments of the new Mayor, who in replying said that he hoped to carry some of the ideals of the Kinsmen Association into his work as Mayor.

Bill Fridgen acted as chairman and together with Alice McRae staged a very enjoyable quiz contest on Kin information. The winner (or loser) of this unusual contest was Harold MacLeod who was presented with a very unusual prize which he must care for till the next meeting and then return in as good or better condition than he received it.

Harry Dakin reported on the operation of the Kinsmen outdoor rink and an additional sum of \$75.00 was voted to defray the expenses of its operation. This is in addition to the money taken in at the recent public skate. Considerable discussion was held on the rink's management and it was the decision of the meeting that every effort be made to have it closed down in the evenings although it was admitted that this is hard to control.

Jim Harris reported for the sports committee and on the teams being sponsored by the club. George Olscamp reported on the plans for the annual bingo to be held in St. Paul's Hall on Wednesday, February 21st and said that donations of prizes have been excellent.

Burt Hunter and Alec McRae gave a brief outline of preliminary plans for the spring carnival.—S.
