**In Memoriam**

MRS. ROBERT WILLIAMS

The death occurred at her home in Emsdale on February 22nd at 6 a.m. of Mrs. Robert Williams in her 53rd year. Although she had been in failing health for the last few years, no one in the home or in the community could ever conceive it possible not to have her in our midst. During the months of her illness she was ever patient and her spirit was radiant in perfect confidence and trust in her Heavenly Father; ever willing to leave the issue to His Will, which made her serene and her outlook happy, knowing that whatever happened it was for her good and His glory. She had always taken a keen interest in the needs of the community, more especially in the church and very few Sundays, despite her illness, she was absent from the church services. Her loyalty to the W.M.S. was a great source of strength to the Society and her happy disposition will long be remembered.

The funeral service was held from her home on Saturday afternoon Feb. 24th and attended by a very large number of friends. Over one hundred sleighs formed the cortege. Rev. W.A. Paterson, of the United Church, had conducted the service, taking as his theme throughout, the favourite psalm "The Lord Is My Shepherd. The Lord Is My Shepherd." "Rock of Ages," and "Forever With The Lord." Mr. Hampton Home sang a solo "Shall We Meet Beyond the River."

The pallbearers were Messrs. Elzie Horne, MacLaren, James McArthur, Hampton Horne, Erwin Hardy and James Stewart. Those left to mourn are husband and seven children: Arthur, Everett, Mrs. Earle McArthur, (deceased); Mrs. James Wallace (deceased); George, Spurgeon and Alice at home; one son, Nelson, predeceased her nine years ago; also two sisters, Mrs. Howard Arthur of Park Rapids, Minn., U.S.A.; Mrs. Fred Arthur of Abbotsdale, Alberta; also one brother, Edwin Arthur of Alberton; also six grandchildren. A pillow of flowers was given by the family and a wreath from Mrs. J. C. Tuplin and several letters of sympathy.

**BIRDS TAKE LEAVE**

LONDON—(CP)—Two hundred Air Force recruits to join 1,500 racing pigeons got leave from the other birds in a pigeon show in Westminster. Three quarters of the birds on view were registered with the National Pigeon Service.

**BOOKISH BOUNCER**

SOUTHAMPTON—(CP)—When Albert H. Davis, chief librarian of Southampton, first became a librarian, he had to be a "bouncer," since hoodlums haunted the libraries. Davis recently died, at 72.

**Victoria and Vicinity**

The residents of Victoria and Craipud have about completed hauling their summer's supply of ice from Leard's Mill pond. Mr. J. Leard did the cutting with a circular saw.

Dr. Wilbur MacKinnon, V. S. has located in Victoria, after an absence from the province of several years. His location here will fill a long-felt want in this section.

The social meetings on Friday evenings in the Victoria Hall are well patronized. A small entrance fee is charged and the fund thus made up goes towards the upkeep of the hall. Entertainment consists of card playing, checkers, etc. ending in a little dancing and refreshments.

Mr. Willard Rogerson has fully recovered from the accident he met with some time ago, which resulted in the loss of his left fore-finger.

Mrs. Finlay Ferguson has returned home from Charlottetown where she was visiting her daughter, Lois, who is a patient in the Sanatorium.

Her many friends are pleased to learn that Mrs. L. D. Macleod, who is recovering from the P. E. I. Hospital, much improved in health.

Mr. Scott MacQuarrie and Mr. Le Roy Howatt returned recently from Moncton, N. B., where they passed a successful physical examination to enter the R. C. A. F.

His friends regret to learn that Mr. Robert Wilson, Hampton, fractured his hip-bone in a fall on the icy ground at his home. He was removed to the hospital.

The infant child of Mr. and Mrs. Allison Brown has recovered from her recent illness under the skillful treatment of Dr. Moyses, Bedouque.

The Young People's Society of Christian Endeavour meets regularly on Wednesday evenings in the hall and interest is highly sustained.

It is to be regretted that the rink did not open to the public this winter. After being going for nearly 20 winters and producing a hockey team that put this place "on the map" of the Charlottetown, it is just too bad that there is now "nothing doing." The young people however travel betimes to Tryon to skate on the mill pond.

Mrs. Louise Dougherty returned recently after an extended visit to her daughter and son-in-law, Mr. and Mrs. James Taylor Halifax, N. S.

**SUMMERVILLE WOMEN'S INSTITUTE**

On February 14 Summerville Women's Institute held their monthly meeting at the home of Mrs. Arthur Cain. The President occupied the chair, twelve members responded to the roll call by saying "What women dislike most in men." After the reading and approval of minutes a discussion regarding the letters of fruit cake, resulted in a motion that a cash prize of two dollars be given as an option if preferred by the winner, also that members have all letter books returned to the Secretary before Easter. The different committees gave their reports and new ones were appointed. Correspondence was read by the Secretary and the Canadian Legion appeal was responded to by voting a contribution of two dollars. The programme consisted of a contest by Mrs. William Walsh won by Mrs. Arthur Cain. Vocal and instrumental music by Misses Mary Doyle and Mary Murphy. Mrs. Vernon Donnelly invited members for next meeting. Roll call to be answered by "Jokes." Meeting adjourned by singing National Anthem. A dainty lunch was served by the hostess.

LONDON—(CP)—After 58 years of driving horse and motor cabs on the streets of London, Frederick Coppock, 77, can boast of never having been in a caution from the police. "Be polite, be careful," is his shibboleth.
