EXHIBITION RACE CLASSES

For PROVINCIAL EXHIBITION

AUGUST 17th. to 20th.

With the publication of its race program by the Provincial Exhibition today interest will soon be centering on the great racing events which will be held the week of August 16th to 20th. For years Maritime horsemen—and in fact those farther afield—have looked forward to the Charlottetown races as one of the brighest meets in the entire racing firmament.

Here a fast track, beautiful surroudings, a glad hand from the management, good treatment, purses paid at the wire four days racing with classes that fit any horse is assured.

This year there has been a few changes made in the program such as the introduction of the Two, Three and Four-Year-Old Futurities, open to colts entered in these events. Interest has been steadily growing in these juvenile racing affairs which have entries from all over the Maritime Provinces, although known as the Prince Edward Island Futurities. It is felt that in staging them at the Provincial Exhibition a great many more people will have an opportunity to look at the colts and become interested in colt raising which is now so popular in the United States and Europe. The other classes have been planned so as to bring the best available racing talent together. They have been changed but slightly from last year when the contests were voted among the best of all time.

A notable feature this year is the donation of a beautiful sterling Silver Trophy by the Macdonald Tobacco Company of Montreal, known as the British Consols Trophy, to be presented to the driver who scores the most points during the four days racing. A cut appears elsewhere on this page. This gift from the popular Tobacco Company is much appreciated and everywhere among horsemen spoken of with interest. It will no doubt be the means of further increasing the rivalry among the great teamsters who will attend the meet in mid-August.

Special prizes for owners, drivers and grooms will be continued as usual, with the $50 for breaking the track record both trotting and pacing.

R. M. Webber, of Milltown, N.B., who was engaged at the conclusion of last year's races, will again act as starter and a capable stand of officials will judge and time the events.

The track, which is even now in excellent condition, will be further improved so as to make it faster than ever in its history. All horses must be declared in at eleven o'clock on the day prior to the race. This will permit the management to have score cards printed with the actual starters and thus prevent confusion due to a number of horses being on the score card which have been drawn.

In addition to the race program of the four days, August 17th to 20th, a magnificent line of Vaudeville and other entertainment has been secured. Here are the race events:—

GENERAL CONDITIONS

(ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the ground without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat In the event of there being three heat winners they shall have a fourth heat to determine the winner.

All purses divided 50, 25, 15 and 10. Entry fee 5%. Five per cent. of the money raced for each heat will be deducted from the first and second horses; 3% will be deducted from the third horse and 2% from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Right reserved to change program, reject any entry, or if entry appears to lay over field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to transfer horses to another class to which they are eligible, reopen or substitute another without advertising, or alter or extend racing dates.

Additional entries of an individual ownership may be made in any class by the payment of 1% on closing date, but entries of separate ownership, although in the same stable must pay installment in full.

Two entries of the same ownership may start in the same race, providing the full 5% is paid on each starter, the drivers having the approval of the judges.

All horses with names of drivers must be declared in by 11 o'clock a.m. the day prior to the race, when positions will be drawn to enable us to print score cards with actual starters.
