A crowded house greeted the Colonial Stock Company at their fourth appearance at the Market Hall, Summerside, last evening, when they presented the great society drama Sowing the Wind. This drama was presented by this excellent company in fine style. The acting, as usual, was good, the costumes beautiful and the stage tastefully decorated, all tending to give the production an excellent appearance. Tonight the Colonials make their final appearance in Summerside for the present, when they will present the drama "The Crimson Stain", one of their greatest successes, and they will no doubt be greeted with a crowded house.
