WINNIPEG, Aug. 3—(CP)—Fairly good demand from exporters, believed to be connected with a reported half-million bushel sale of barley to Denmark, today featured trade in the coarse grains market on the Winnipeg Grain Exchange.
Oats were not as active as barley but some processing demand was recorded with limited offerings.
Buying for American accounts and by seaboard houses featured today's rye futures market. Some hedging sales occurred in connection with the new crop.

SWIMMING PROGRAM OPENS—On Monday, August 2nd, about fifty boys and girls of South Rustico saw the Red Cross films "Water Safety", "Heads Up", and "Swimming Instruction" at the parish hall. The films were introduced by Miss Felice Arsenault of the Red Cross Swimming and Water Safety Department. This event marked the opening of the Red Cross swimming and water safety program in South Rustico. After the movie the boys and girls registered for a two week swimming course under the direction of Mr. Phillip Murphy of Charlottetown. Earlier the same day Mr. Murphy registered a group of older boys for this same course in North Rustico. It is hoped that out of these classes new leaders will emerge who could be trained as water safety instructors and then carry on the swimming program in these communities next year. The swimming course has been inaugurated in South Rustico through the cooperation of Rev. Clarence Pitre and in North Rustico through Rev. Eric Robbins.

TEACHERS HAVE PICNIC—On Thursday, July 29th, the teachers who were registered in the Prince of Wales College Summer School Course and those who were registered in the Red Cross Summer School were treated to a picnic at Dalvey Beach. Buses were loaded at 2:00 p.m. and, as soon as the merry group disembarked at the beach, nearly all dashed into the cool refreshing water. During the course of the afternoon some of the group engaged in games and sports under the direction of Mr. Wilfred Inman of the Prince of Wales staff. Very keen appetites were appeased at the most convenient hour by a tasty lunch prepared and served under the capable management of Miss Estelle Haines of the Red Cross Nutrition Department. Mr. Robert Kelley of the Red Cross swimming department led the group in a lusty sing-song until the sun had set and darkness had closed in, at which time the versatile Mr. Kelley hooked up the projector to a cranky generator and presented the Red Cross instructional films "Water Safety" and "Heads Up". The films were introduced by Miss Felice Arsenault of the swimming and water safety department. Besides the teachers viewing the films in this pleasant outdoor atmosphere, the audience was increased in size by campers, tourists and passing motorists. This brought the day's program to a close. Tired but happy the group once again mounted the buses and called it a day. Much credit for the success of this picnic is due to Mr. Wilfred Inman, Mr. Kenneth Hare, Miss Estelle Haines, Mrs. Robert MacCallum and Mr. Robert Kelley.
