# Backache, "The Blues"

**Both Symptoms of Organic Derangement in Women —Thousands of Sufferers Find Relief.**

How often do we hear women say: "It seems as though my back would break," or "Don't speak to me, I am all out of sorts?" These significant remarks prove that the system requires attention.

Backache and "the blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or some derangement of the organs. Nature requires assistance and at once, and Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women. It has been the standby of intelligent American women for twenty years and the ablest judges agree that it is the most successfully successful remedy for woman's ills known to medicine.

Read the convincing testimonials of Mrs. Oakes and Mrs. MacNamee.

Mrs. J. P. Oakes of Prince of Wales Hotel, Head of St. Margaret's Bay, near Halifax, Halifax County, Nova Scotia, Canada, writes:

Dear Mrs. Pinkham:—

"After what your Vegetable Compound did for me, I am a firm believer that it is a wonderful medicine, and that any woman who is troubled with any of the ills we suffer from should try it and she will soon be convinced of its worth. Six bottles changed me from a peevish, despondent, sickly, ailing woman to a sweet-tempered, healthy one, who rarely ever has a pain now, and who before was rarely without one. As a regulator, strengthener and a tonic, I think it has no superior and I certainly endorse it."

Mrs. Anna R. MacNamee of corner Queen and Wellington Streets, Kingston, Ont. writes:

Dear Mrs. Pinkham:—

"Lydia E. Pinkham's Vegetable Compound has done all the good in the world for me. I suffered with irregularities, backache and severe pains all through my body, and was very nervous and blue. I think I used a dozen different kinds of medicines, some prescribed by the doctor and some recommended by friends, but one bottle of Vegetable Compound was worth more to me than all the other medicines put together. My general health began to improve as soon as I began to use the Compound, and in three weeks I was a perfectly well woman."

When women are troubled with irregular, suppressed or painful periods, weakness, displacements or ulceration, that bearing-down feeling, inflammation of the female organs, backache, bloating (or flatulence), general debility, indigestion and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues and hopelessness, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

No other medicine has such a record of cures of female troubles. No other medicine in the world has received this widespread and unqualified endorsement. Refuse to buy any substitute.

**FREE ADVICE TO WOMEN**

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely and cheerfully given to every ailing woman who asks for it. Her advice and medicine have restored to health innumerable women. Address, Lynn, Mass.

# SENATOR PLATT TO BE DETHRONED

**Recent Revelations it is Claimed Will Force His Retirement, The Old Man's Naughtiness Not Yet Forsaken, A Wretched Spectacle**

NEW YORK, Nov. 19.—It is hardly likely that Thos. C. Platt, the veteran politician, leader of the Republican party in New York state for many years, can retain his seat in the United States senate. Platt is case-hardened, but the revelations of the last two days, forecasted exclusively in this correspondence some weeks ago, must suffice to drive him into retirement. With Platt disclosed as a common bawd and Depew as a senile grafter, the Empire State is not proud of its representation in the senate of the nation.

As was predicted, Platt's wife has separated from him. She was a Maine girl who married a New Brunswick drummer named Snow and once lived in Woodstock, N. B. Platt took her up in Washington, where she was adventuring. She got him to marry her. Now, according to the terms of separation, she gets rid of Platt and gains some millions.

Platt's interest in young women in Washington was well known, but the story of his wife trailing him to a furnished room house in New York came as a surprise even to his friends. The octogenarian millionaire senator has nothing to say. The fact that his wife was aided in trapping him by Platt's own coachman, whose friendliness with Mrs. Platt is a matter of comment, adds to the irony of the situation.

It was said yesterday that the aged senator will be forced to write his resignation at once, if he has not written it, and that he will never again occupy his seat in the senate chamber. The demand of his resignation has been made by the Republic leaders of New York, it is claimed. The resignation, it is believed, will be accepted by Governor Higgins immediately upon its receipt.

# HERETICS LASHED BY BISHOP POTTER

NEW YORK, Nov. 19.—Bishop Potter in his annual address to the Diocesan Convention of the Protestant Episcopal Church, made a thinly veiled attack upon the Rev. Dr. Crapsey in denouncing ministers who hold heretical views and yet enjoy the honors of the organization to which they still belong.

His references were received by applause which continued for several minutes. After the speech Francis Lynde Stetson said the Bishop by his utterances had more than ever endeared himself to the diocese. Many of the members of the convention are opposed to Dr. Crapsey, although he is under the jurisdiction of the See of Western New York, and some of his severest critics are in this city.

# A FAMOUS FRENCH PALACE

The Chateau de Rambouillet has a history remote from the literary fad of the eighteenth century which has made the word Rambouillet significant of an epoch of French culture. It was in this chateau that Francis I. breathed his last and Charles X. was deserted in his death. It is not generally known, however, how Louis XVI. became its proprietor. Until 1785 Rambouillet belonged to the Duc de Penthievre, grandson of Louis XIV. and Mme. de Montespan. Louis XVI. wished very much to possess it. This desire became a fixed passion, which was augmented by his dislike of its owner. But one day he declared, "The possession of Rambouillet would be the happiness of my life." To which the duke graciously replied: "God forbid that I should be the cause of your unhappiness. Sire, Rambouillet is yours on your own terms." The price fixed was 11,000,000 francs, of which 6,000,000 were paid the next day in gold from the royal treasury.

**HAVE THE BEST**

When a very superior article can be had at the same price as an inferior article, the buyer has no hesitation which to take. This should be your rule regarding your reading matter. In addition to your local paper, you should read the Family Herald and Weekly Star of Montreal, by long odds the best weekly in Canada. It costs the same as other weeklies, not in the same class—one dollar a year—and includes a premium picture entitled "A Tug of War" which alone is worth the money. Get the best for your money—subscribe to the Family Herald and Weekly Star and you will get the best value for your money.

**Sells More of Chamberlain's Cough Remedy than of All Others Put Together.**

The following letter from a locality where Chamberlain's Cough Remedy is well known shows by the unprecedented demand for it that the medicine sells on its own merit. Mr. Thor. George, a merchant at Mt. Egin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results. For sale by all druggists.

**ADVERTISING IS BROAD.**

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

**In Time of Peace**

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by all druggists.
