LATEST FROM THEATRES

NEPTUNE'S GARDEN OF LIVING STATUES AT B. F. KEITH'S.

"Neptune's Garden of Living Statues," the sensational aquatic spectacle that ran for five weeks at B. F. Keith's Theatre, Boston, last spring to record-breaking attendance, returns to Boston next week for an engagement of positively one week only. Since leaving Boston last spring, "Neptune's Garden" has been clear across the Continent and back, besides playing in every city of any size in the East. For this engagement an entirely new and elaborate production is being built, with new scenic effects, and many new features, in addition to the mysterious water illusion which created so much discussion during the long run of "Neptune's Garden of Living Statues" at B. F. Keith's Theatre last spring. This living group of statuary which the living groups of statuary plunge into the depths of the enchanted pool and disappear from sight to re-appear after a long interval in entirely new costumes, is the most baffling illusion of the age. Eleanor Gordon, Wilson Melrose, Mrs. George A. Hibbard, Francesca Rotoli and Frankly Bourright will appear for a second and positively last week of "Patsey," and those who have not already seen the greatest cast of Boston favorites ever assembled for one engagement should not fail to take advantage of this exceptional opportunity. The surrounding bill is one of the strongest of the season, and includes Geyro, the Italian wizard of the accordion; Bully Halligan and Dana Sykes, the popular musical comedy stars; Farrell O'Taylor Trio of musicians and comedians; Carl McCullough, in impersonations; Eight Berlin Madcaps in whirling dances; in the Colonial Quartette; and Les Jundts, sensational acrobatic marvels from Europe.

MEXICAN WAR GROUPS AT THE EDEN MUSEE

The artists, carpenters and helpers of the famous Eden Musee of New York City have been busy for the past two months getting new groups ready for the Fall visitors and summer sightseers of the principal episodes in the late Mexican conflict. A mammoth group entitled "Admiral Fletcher bombarding Vera Cruz" is one of the groups just opened to the public and other "General Funston entering Vera Cruz" is another group opened last week. Other large and interesting groups lately installed are "The Execution of the Four Gunmen" at Sing Sing and others.

The Eden Musee continues to show the wonderful Kinemacolor natural colored moving pictures on the mammoth screen in the cool Concert Hall a different series of subjects showing each hour. The Kinemacolor is shown exclusively at the Eden and the visitors are surprised that such wonderful colored moving pictures could be shown to advantage as seen at the Musee. The band concerts render a varied selection of music every afternoon and evening and those who are interested in playing checkers can have an opportunity to beat the great "Ajeeb" The automatic checker player. One admission is charged to all the Musee attractions and the Musee is open every day from ten in the morning till 10.30 at night.

IN MEMORIAM

MISS MARY McDONALD

The death took place on July the 9th of Mary McDonald, one of the oldest residents of Launching, at the age of 78 years. She had been in failing health for nearly a year, during her illness she was given the most devoted care, but it was seen a few weeks ago, that she could not long survive. She was a woman who was greatly beloved by all who knew her and she died peacefully, fortified by the last rites of the Catholic Church, of which she was a devoted member. Deceased had lived in Launching, almost all her life. She was for many years, housekeeper for the late Father Francis McDonald. Of late years she has resided with her nephew, Allan J. McDonald. She leaves a large number of relatives and friends to mourn.—Cont.

Three of Canada's Most Prominent Men Planning A Will

Once it has been decided to make your Will it is necessary to use the utmost care in planning it. The same style of Will does not by any means suit all cases.

It is not wise to use the stereotyped form. It might so happen in your case that this form did not adequately cover all the bequests you wish to make. Litigation might result involving unnecessary expense to the estate.

This Company's officers, who are experienced in this class of business are at all times ready to assist in planning your Will. The Company will have the Will drawn by your own or our lawyers.

For particulars on request.
