

AT DEATH'S DOOR

Doctors had to give her Morphine to ease the pain

Five boxes of "Fruit-a-tives" Cured Her

ENTERPRISE, ONT., Oct. 1, 1908.

For seven years I suffered with what physicians called a "Water Tumor". I would get so fat at times that I could hardly endure the pain. I could neither sit, stand, nor lie down. Hypodermics of Morphine had to be given me or I could never have borne the pain. Many physicians treated me, but my cure seemed hopeless, and my friends hourly expected my death. It was during one of these very bad spells that a family friend brought a box of "Fruit-a-tives" to the house. After much persuasion I commenced to take them, but I was so bad that it was

only when I had taken nearly two boxes that I commenced to experience relief. I kept up the treatment, however, and after taking five boxes I was cured, and when I appeared on the street my friends said, "The dead has come to life." And this seemed literally true because I certainly was at death's door. But now I can work almost as well as ever I could, and go camping and berry-picking with the girls.

I will be glad if you will publish this testimonial, if it will further the interests of "Fruit-a-tives." They should be in every household. Yours very truly, Mrs. JAMES FENWICK.

Through the whole country around Enterprise, Ont., people are talking about this wonderful cure. By their marvellous action on the kidneys, "Fruit-a-tives" cured Mrs. Fenwick when the doctors said she could not be operated on and was doomed to die. "Fruit-a-tives" cured Mrs. Fenwick when all else failed. Try them for your trouble. 25¢ and 50¢ a box, at dealers or sent postpaid on receipt of price. Fruit-a-tives Limited, Ottawa.

Stephen the First Christian Martyr—Acts viii to viii:3. Golden Text—They stoned Stephen calling upon God, and saying, Lord Jesus, receive my spirit. Acts viii:3. Study Acts viii:1-15; viii:1-3. Verse 8.—Who was Stephen? In view of present day distinctions, would you call Stephen a layman or a clergyman?

Why is it not a crime against the gospel, that the preaching of the gospel, so professionalized, that our pulpits are in the towns and cities, are practically closed to the laymen of the church, so that even men like Stephen, have to "keep silent" in our church pulpits? (This question is to be answered in writing by members of the club.) What was the secret of Stephen's power as a preacher, and to what extent may every layman become like him?

Verse 9.—When in a community of thoughtful men, who oppose the gospel, can its claims be established better by debate than by ordinary preaching or declaration?

Verse 10.—If you defeat an opposer in a debate, that is not likely to convert him to Christianity; unless he is a sincere seeker after truth, but is it likely to convert the hearers?

Verse 11-13.—What effect did Stephen's victory have upon his opponents, and what effect did it probably have upon the audience?

Is there any necessary moral value in mere opinion, and will men ever be condemned because of wrong doctrines; i.e. wrong opinions?

When a man with right views of truth, gets angry at the man with wrong views, and does mean things to him, that the latter takes with gentleness; which is likely to be the
