In Memoriam

JOHN ALEXANDER MacDONALD

There passed to his eternal reward at his home at Pisquid on February the 7th John Alexander MacDonald in the 72nd year of his age. In early life he followed the teaching profession and was known for his strict attention to duty, truthful nd honest, virtues which he practised to the end of his life.

After his retirement from teaching he spent the later years of his life on the farm where he was born and although physically handicapped as he was he was never known to complain and always kept bravely and cheerfully on.

He leaves to mourn one brother Donald F. and one sister Philomena.

The funeral took place on February the 9th to St. Andrews Church where a High Mass of Requiem was sung by the Pastor Rev. Dr. Campbell and all that was mortal of the deceased was laid to rest in the adjoining cemetery.

May his soul rest in peace.

Tax on Consumers of Tobacco

The Health Tax Act, 1941

Effective as on and after the first day of March, 1942, a tax of ten percent on all tobacco, with the exception of chewing tobacco, will be payable by all persons consuming or purchasing the same.

The Act requires that all Vendors of tobacco, in any form, must be in possession of a License authorizing them to sell tobacco and the tax of ten percent on the value of all tobacco sold must be collected by them at time of each retail sale.

Section 3 (Sub-section 3) of the Statute provides that "No wholesale vendor shall sell any tobacco in the Province for resale in the Province to a person who is not a vendor duly licensed under this Part."

Receipts for delivery to purchasers, showing amount of tax paid, will be supplied to Retail Vendors.

The minimum tax is 1c. In arriving at the tax, figure to the nearest half-cent; one-half or anything over the one-half cent is considered as a cent. Anything less is to be omitted.

As an example:—On a 12c purchase, ten percent is 1-2, or one and one-fifth cents. As the fraction is less than one-half, the fraction is omitted and the tax becomes 1c.

On a 25c purchase, ten percent is 2.5 or 2 1-2c which calls for 3c to be paid.

Application forms for Wholesale and Retail Vendors Licenses, with any further information required, may be obtained from a call on Mr. F. J. E. Wright, Court House Building, Summerside, or by communicating with the Supervisor of Taxation, Provincial Building, Charlottetown.

ALL VENDORS OF TOBACCO ARE URGED TO MAKE APPLICATION FOR A LICENSE WITHOUT DELAY. NO FEE IS CHARGED FOR LICENSE.

C. J. STEWART,
COMMISSIONER OF HEALTH TAX.

Prince Edward Island,
