

EXTREME WEAKNESS AND SUFFERING

Read How Mrs. Goodling got Relief and Strength.

York, Pa.—"I have used Lydia E. Pinkham's Vegetable Compound and found it to be all you say it is. I was so sick that I could not stand at my sink to wash dishes and I could not sit without a pillow under me. I had the doctor every few days but since I have taken the Compound I don't have to send for him. I have had three children and could not raise any of them, but since I have taken the Compound I have a bright baby boy. I advise every suffering woman to try it and get relief. It has done wonders for me."—Mrs. CATHERINE GOODLING, 138 E. King Street, York, Pa.

When a medicine has been successful in bringing health to so many, no woman has a right to say without trying it, "I do not believe it will help me." There must be more than a hundred thousand women in this country who, like Mrs. Goodling, have proven what wonders Lydia E. Pinkham's Vegetable Compound can do for weak and ailing women. Try it and see for yourself.

If there are any complications you don't understand, write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

NOT FOR HIM.—To emphasize the ignorance of some of the raw fur merchants regarding the fox farming industry, one member of the Sales Committee tells of interviewing one, a German Jew, in company with Mr. Kaye of the Silver Black Fox Magazine. Mr. Kaye was of course extolling the merits of his publication as an advertising medium, and at the same time the qualities of the "ranch bred fox." The dealer was skeptical and unimpressible. He delivered himself of the following:—"De ranch pred fox! Dey vos no good. Dere vos a man pret two here last year, he called dem "ranch-pred." Dey vos like rats—Dere vos no ranch pred—dey cant raise the pups, dey all die. In de Bronx dey dried it, de young vons all die, dose stories dey tells about raising dem in Canada is all lies! Very true, said Kaye, whimsically, but "here you are handling furs and you ought to know all about your business. Better come down to Canada and complete your education!" What, go to Canada mit a name like mine! I vos not a German, I vos a German put now I am an American citizen. Put if I vos to go to Canada, dey would back me up against a brick wall, and shoot me for a German spy. Oh no! not for me!"

WELL KNOWN CONTRACTOR.—The following will be of general interest here as Mr. Beazley referred to a prominent part in the erection of the Hillsboro Bridge and other large contracts in which his dredges were working. The Halifax Herald says:—"A distressing fatality that occurred at deep water at about one o'clock Thursday afternoon. Halifax loses one of its most highly esteemed and successful business men in the person of Captain William Beazley, of the Halifax Dredging Company. A lover of hard work from his boyhood, Captain Beazley met his death while living up to the splendid reputation for energy and efficiency he had maintained through all his seventy odd years. Captain Beazley went to the terminal pier yesterday at 6.30 to oversee the unloading of goods from a car into one of the firm's lighters, and with the exception of a slight cold, was in his usual robust health and cheerful spirits. At about one-fifteen, while the captain was standing on the car, steadying a sliding load of bundles that was being lowered down to the lighter, ap-

Even Hospital Treatment For Kidney Disease Failed

WELL-KNOWN COMMERCIAL TRAVELLER SAYS THAT DR. CHASE'S KIDNEY-LIVER PILLS UNDOUBTEDLY CURED HIM.

News of his recovery from kidney disease will be welcomed by the many friends of Mr. L. D. Griffin throughout the lower townships and the adjoining district of the United States. Mr. Griffin has travelled this section for 35 years and what he says will be accepted, as proven by all who know him best.

He tells in his letter how relief was obtained by treatment in, Sherbrooke and Montreal hospitals, but the old kidney trouble returned again and again until by the persistent use of Dr. Chase's Kidney-Liver Pills cure was effected. As he says, these pills "undoubtedly did the work."

Mr. L. D. Griffin, Balwer, Compton county, Quebec, writes:—"I can add one more statement of kidney disease cured by Dr. Chase's Kidney-Liver Pills. For about twenty years I was bothered more or less with the kidneys than the disease became worse and I was sick in bed for one year, took doctor's medicine to no avail, and on his

advice went to Sherbrooke Hospital, where I was benefited, but the old trouble returned and I tried a Montreal hospital. Got a little better, but the help was only temporary, and I was soon bad again.

"On the advice of a friend, I began to use Dr. Chase's Kidney-Liver Pills, and I now thank that friend for today I am as free from kidney disease as I ever was in my life. I owe the cure to Dr. Chase's Kidney-Liver Pills for they undoubtedly did the work. I am 68 years old and have spent 35 years as a traveller calling on the drug trade. Everywhere I am told that Dr. Chase's medicines are the best sellers and give the best satisfaction of any medicine on the market. Shall be glad to answer any question in regard to my cure if people care to write me."

proaching too near the edge, in some way lost his balance and when the load swung out over the lighter, about 15 feet below, he fell with it and struck on the back of the head. Medical attendance was procured, but nothing could be done and death came at once. He is survived by three daughters, Mrs. F. W. Smith, Mrs. J. J. Coade and Miss Margaret, all of Halifax, and three sons, William, who works with him and resides in Dartmouth; Silvester, also of Halifax; and Henry of the I. C. R., Moncton.
