GIRL SOMNAMBULIST GAVE NEW YORKERS A SENSATION

NEW YORK, Jan. 10.—The unusual spectacle of a girl clad only in a night dress walking along Southern Boulevard early this morning attracted a large crowd. The girl continued her stroll utterly disregarding a large crowd that followed in her wake.

Dr. Dolan, from Fordham Hospital who was called, awoke the girl. She tried to hide herself behind the druggist's prescription case. Her name is Miss Martha Hogan. She had walked a quarter of a mile from her home in a chilly atmosphere.

VEDRINES AGREES TO FIGHT DUEL

PARIS, January 9—A duel is in prospect between Jules Vedrines, the aviator, and Rene Quinton, president of the French Aerial League. M. Quinton said yesterday: "I am awaiting M. Vedrines' seconds."

According to the announcement made previously, Vedrines, who recently made a flight from Paris to Cairo, was ordered by M. Quinton to give satisfaction immediately to Henri Roux, his rival, who made a similar flight, and who challenged Vedrines to a duel after Vedrines had struck him the face.

A telegram was received by M. Quinton from Vedrines on Thursday, reading as follows: "I will not fight the anti-Frenchman Roux, but will fight you as soon as I return to Paris."

Quinton affirms that he did not send an order to Vedrines to fight or return to Paris. He merely telegraphed a friend at Cairo, asking him to suggest to Vedrines that it would be well to accord the reparation demanded by Roux.

LIGHT SENTENCES FOR OFFICERS

STRASSBURG, GERMANY, Jan. 10.—Very light sentences were yesterday proposed by the judge advocate acting as prosecutor of the German officers now under trial by court martial on an indictment charging them with illegal assumption of authority, wrongful imprisonment and the invasion of private houses during the recent serious disorders between the military and civilians of Zabern Alsace.

At the conclusion of the testimony and the plans for the prosecution and defence the judge advocate suggested that Colonel Von Reuter, commander of the 99th infantry, should be sent to jail for seven days on the charge of wrongful imprisonment while for Lieut. Schad a sentence of three days in jail for assault was sufficient. The other charges were dropped.

The verdict is to be pronounced on January 10th the same day as that in the appeal of Lieutenant Baron Von Forstner, who was sentenced to 43 days imprisonment on December 19th for sabering a crippled shoemaker.

MEXIO WILL COIN QUARTERS TO HELP OUT

MEXICO CITY, January 9—The Mexican government yesterday announced its intention to coin and distribute half pesos, equivalent to twenty-five cents in Canadian money to the number of 200,000 weekly, a measure which it calculates will relieve the difficulties resulting from the scarcity of small change. The mines in Mexico now sell their silver output through a government commission at a rate fixt by the government. A portion of this is to be turned into coinage which will revert partly to the miners in the form of payment in coins.

NO FRICTION IN BRITISH CABINET

LONDON, January 8—The rumors of fricton between Lloyd George, Chancellor of the Exchequer, and Winston Churchill, First Lord of the Admiralty, on the armaments question, based on the Chancellor's Announcement in the Daily Chroncle January 1, in which he expressed it belief that the present is the most favorable moment in twenty years for a policy of retrenchment, have been set at rest so some extent by the utterances of the Right Hon. Stanley Owne Buckmaster, at Keighney last night. The Solicitor-General asserted that there was no division, or even a rift, in the government ranks. The government's policy to preserve the national superiority of Great Britain had not changed but at the same time it was intended to make it plain that neither for aggrandizement nor aggression would Great Britain add a single unit to her naval strength.

Practical Fashion Hints

By Alice Glover

No. 7267 is a two-piece nightgown to be slipped on over the head. It may be made with a round, square or V neck and may be hand embroidered as illustrated or trimmed with lace.

Cotton crepe in colors is one of this season's novelties for lingerie and is practical as well as attractive. It is soft in finish, launders easily and requires no ironing at all.

One of the economies for lingerie, intended for general wear, is to use linen tape instead of satin ribbons. It is dainty, launders perfectly, where ribbon has to be removed each time the garment is washed or it will get faded and stiff. This comes in all widths, never twists, ties and unties without knotting and will wear as long as the garment.

This gown may be made in size 36 with 3¾ yards of 36 inch material.

The pattern is cut in 4 sizes; 32 to 44.

This Is a Perfect Pattern.

Be sure to state right size, measuring over the fullest part of the bust for dimensions.

It may be obtained by filling out the coupon and enclosing 15 cents in stamps or coin to the Pattern Department of this paper.

Record Fox Company

The foxes owned by this company are now mated, and comprise fifteen (15) pairs choice dark cross bred animals, procured from litters containing a large percentage of pure blacks. They have been selected by experts thoroughly qualified to judge of fur values and show from 50 to 90 per cent black.

With the phenomenal advance within the past few months in the price of fur from such stock, resulting in active demand for the live animals as breeders; also from the probability of producing some black pups, there is every prospect of a handsome dividend from them by next September.

Only a limited number of shares are being offered, so if interested it would be well to communicate without delay with any of the Provisional Directors, or with the Secretary Treasurer, Capt. Ernest Kemp, 115 Rochford St- Charlottetown, P.E.I.

Terms 50 per cent in cash to accompany application. Balance in 30 days.
