—**POTATOES MOVING BRISKLY**—Potatoes are coming into Summerside in large quantities; last week 2,000 bushels were brought into Summerside from Bedeque and other places every day. The majority of mountains are being shipped to United States Markets, while Cobblers are being sent to Ottawa and points in Ontario, the turnip market is very quiet just now. —**NEWS FROM PARIS FUR SALES**—The Paris fur sales, which were held on January 20th and 21st, were on the whole successful. Word has been received by the Canadian National Silver Fox Breeders' Association from their representatives, who attended the sales in Paris, that lower grade skins sold well. Medium were in fair demand, but top skins were more or less neglected. Although no statement of number of skins sold was contained in the wire, indications pointed to a good sale, as buyers had not secured their requirements and were open to purchase at close of sale.—S.

KENSINGTON VS HOLMANS AT SUMMERSIDE

An exciting game of hockey was staged at the Crystal Rink, Summerside, on Wednesday evening when Kensington Granites and Holman hockey team crossed sticks for the MacLean trophy. After very exciting moments when in the second period the score was two to nothing the Granites carried off the laurels with a score of 4-2 in their favor.

The visiting team were accompanied by a large following of fans who cheered loudly when their favorites made a goal. The first period was comparatively quiet, Kensington scoring two goals. Excitement ran high when Bud Mountain scored for Holmans in the third period. In this period Woodside scored on a perfect pass from Bud Mountain. Nine minutes to play the game was 2 all. Gaudet for the Granites made a brilliant shot and landed the puck in the net, securing another goal for Kensington. With only a few minutes to play Kensington scored again bringing the score to 4-2. Holmans did their best to register Crilly Lea carrying the puck down the ice several times but failed to land his goal. Bud Mountain also made some brilliant passes but the score remained the same when the bell rang.

Both teams showed good combination work, Kensington having the edge on combination and defence work.
