THE ONE SURE WAY.

To Cure Every Form of Piles.

The only sure way to cure every form of piles, is to use a remedy like the Pyramid Pile Cure...

This is one reason why the Pyramid Pile Cure has been so uniformly successful.

It is in suppository form, applied at night directly to the diseased parts...

Direct application to the seat of disease is the only common sense cure...

If the voluntary testimony of thousands is worth anything then no sufferer should delay in giving this splendid remedy...

Nearly every druggist has some favorite pile cure on which he can make a larger profit than he can on the Pyramid...

The Pyramid Pile Cure has cured thousands of sufferers from the different forms of the disease...
