The funeral of the late George Proctor, city, took place yesterday afternoon from his late residence, Malpeque Road, to the People's Cemetery. The services at the house and grave were conducted by Revs. T. W. Murphy and Wm. Harrison. The pallbearers were: J. Harry Clarke and L. Cragwell. From the S. O. E., F. Hodgson and George Muggins. From the S. S. Empress—John Cellings and Fred Rowe. The respect and esteem in which the deceased was held was evidenced by the particularly large attendance at the funeral, the members of the Sons of England, and a valued member attending in a body. The floral tributes were very numerous, an extra carriage being required to convey them to the grave. Among those worthy of special note was a beautiful large cross from Capt. Cameron, of the S. S. Empress, and an elegant wreath from Lodge Eton, and a valued member attending in a body. The funeral service of the S. O. E. was conducted by that order at the grave. The late Mr. Proctor was employed with the Charlottetown Steam Navigation Company for the past thirty-five years and was a capable, efficient and courteous official beloved and respected by his employers and employees alike. The sympathy of many will be extended to the bereaved family who mourn the loss of a kind and affectionate husband and father.

An interesting game of hockey was played between the Crescents and the Tailors' teams last night in the Arena after band and resulted in a victory for the former team by a score of 2-0. The game was fairly fast and clean throughout. Amby Hennessey refereed in a manner satisfactory to both sides. Gordon Whitlock shot both goals for the winning team. In justice to the Tailors it should be stated that the lights were shut off eight minutes before the conclusion of the game.

The Diocesan Church Society of P. E. Island began its annual session yesterday. The executive meeting was held in St. Paul's Schoolroom at 8 o'clock yesterday afternoon. Divine service was held in St. Paul's Church at 7:30 last evening at which the preacher was Rev. H. Scott-Smith, assistant at St. Peter's Cathedral. In connection with these meetings Holy Communion will be celebrated in St. Paul's Church this morning at 9 o'clock and a Rural Deacons' meeting (Clergy and Laity) will be held in the schoolroom at 10 a.m. The regular church convention will open in St. Paul's Schoolroom at 3 p.m. today and the annual general meeting will be held this evening at 8 o'clock. At this meeting Rev. A. W. Watson of New London will read a paper on Sunday School work and Rev. A. W. Nicholls, Diocesan Mission Board agent, will also speak on his work in the diocese. The report of the Executive of the D. C. S. refers to the removal to other fields of labor of two valued members, Rev. S. J. Webster and Rev. J. P. Hogan. The report states that it is a matter of satisfaction to know that the parish of Georgetown, etc., is again supplied with a resident clergyman and that Canon Simpson has obtained an assistant in his exacting work. The reports from the various parishes are on the whole very encouraging.

MEXICAN TROOPS WIN BLOODY BATTLE

EL PASO, Tex., March 11.—That Francisco I. Madero is concentrating his forces in western Chihuahua again to give battle to Colonel Cuellar at Casas Grandes, is indicated by reports brought to El Paso tonight by Roy Kelly, a wounded American survivor of last Monday's battle. Kelly says his home is in Smithport (Pa.) according to Kelly's story Madero is mobilizing his forces at San Diego, six miles south of Casas Grandes, which is defended by 400 federals and 300 volunteers under General Cuellar. Madero expects to be joined by Orozco tomorrow. This will give him a force superior in numbers to the Federals. Regarding the casualties among Americans with rebels in Monday's battle, Kelly said: "Sixteen, including Captain Harrington, were killed. Seventeen were captured by the Federals, while six wounded escaped with the rebels." Among the captured officers killed were Regal Madero, brother of Francisco I. Madero; L. Gutierrez De Lara, of Los Angeles; Guiseppe Garabaldi, nephew of the Italian liberator; Capt. Alanis and Major Hayes, the latter of Scottish descent. Kelly said of the battle: "The battle of Casas Grandes lasted from 4 to 7 a.m. Monday. Provisional President Madero, with 700 men, attacked the town from three

Suffered for Years From Constipation and Sick Headache.

Headache seems habitual with many people; indeed, some are seldom, if ever, free from it, suffering continually, and wondering why they can get no relief. The most frequent of all are bilious or sick headaches, and are caused by some derangement of the stomach or bowels, or both.

Burdock Blood Bitters regulates the digestive and urinary organs, removes acidity of the stomach, improves digestion, regulates the constipated bowels, and promotes a perfect condition of pure blood to all portions of the body.

Mrs. C. Meadows, Clarkburg, Ont., writes: "For years I was troubled with sick headache and dizziness, and was also constipated. I was advised to try Burdock Blood Bitters. I only took three bottles of the medicine, and now feel like a new person. I can honestly say that B.B.B. is the best medicine I have ever used."

Burdock Blood Bitters, has, during the last 35 years, built up an unrivalled reputation as a cure for all troubles arising from a constipated condition of the bowels.

The Federal garrison, entrenched on the roofs of houses, made a spirited reply and repulsed repeated assaults by the rebels. "One rebel band under Major Hayes charged down the main street, and dynamited the jail and curatel before it was annihilated.

"The American company under Captain Harrington gained entrance to houses, after firing on the plaza and from windows and loopholes inflicted heavy loss on the federals.

"Being hard pressed, the garrison about 9 o'clock hoisted a white flag. Madero's men were preparing to accept the surrender, when Col. Cuellar appeared across the river with 600 men.

"Disconcerted by the arrival of reinforcements and unprepared for the renewed attack, Madero's men were driven back. They retreated to the mountains in a panic. The rush of Cuellar's men entrapped the American company in the houses where they had taken refuge, but the latter inflicted heavy losses on the federals before the survivors finally were compelled to surrender. One hundred Maderoists were killed while the federal loss is estimated at 200 killed and wounded.

"Although the rebels have made repeated advances toward Casas Grandes this week, they have been unable to get Cuellar to give battle in the mountainous country south of the town.

"Although never under fire before, Madero was in the thickest of the fight, encouraging his troops and giving orders with the coolness of a veteran. He was hit in the arm while reaching for the gun of a man who was killed beside him."

6 p. c. and Safe

Don't be satisfied with 3 per cent interest when you can put your money out to work where it will earn 6 per cent and be safe, too.

We have in mind two particularly attractive 6 per cent Bonds—in both instances the principal is amply secured, the Companies issuing them have an exceptionally well established business, the earnings are showing good increases over previous years and are much more than the amount necessary to pay the interest on the bond issues.

Drop us a line, just say "Give me particulars of the 6 p. c. Securities mentioned in your advertisement in the Chronicle" and we will tell you why they are safe, and a lot of other information you should know about them.
