Exchange Caused Montmartre Fight

PARIS, Feb. 5.—The rise in dollar exchange last night gave the Montmartre one of the best free fights of the season. Four well-known Paris journalists were supping in an establishment in the Rue Pigalle, which is one of those frequented by a large number of women, just returned from America, who was carrying a considerable sum in dollars, entered and expressed a desire to change the money into francs. The proprietor of the establishment will not comply and offered to buy one hundred dollars at eleven francs. Exchange yesterday was over sixteen and the journalists, objecting to these methods of exploitation, "retreated" and remonstrated. The proprietor angrily informed them that he was not going to allow anyone to prevent his making a profitable deal. Assisted by some fifteen waiters, the journalists were thrown into the street and badly knocked about and beaten. There is no doubt that the proprietor will soon find reason for regret, for the journalists are taking the matter up with the public prosecutor. As so they are insisting on a general police inquiry into the system prevailing in Montmartre and elsewhere in certain establishments to rob people on the pretext that foreign exchanges are high.

MICHEL ROY TELLS WHAT DODD'S KIDNEY PILLS DID FOR HIM

Quebec man who suffered from Rheumatism in the Hip and Back tells of Benefit He Received from Dodd's Kidney Pills.

LAC ETOHEMIN, Que. Feb. 5.—(Special). "In the Autumn of 1920 I suffered so greatly from rheumatism in the hip and pains in the back, that at times it prevented me from walking, also sleeping. I decided to try Dodd's Kidney Pills and have not regretted doing so."

Mr. Michel Roy, who lives here, makes above statement. He feels that he owes it to other sufferers of rheumatism to tell how he found relief from his suffering.

Other sufferers from rheumatism told of pains relieved and health restored through the use of Dodd's Kidney Pills. They act directly on the kidneys. They strengthen the kidneys and put them in shape to strain the uric acid out of the blood. Uric acid crystallizing in the muscles cause pains known as rheumatism.

Ask your neighbor if Dodd's Kidney Pills are not the best remedy.

Why We Refuse To Send Records Out On Approval

It is not fair to the customer who buys a record and pays for it, to let that same record out first on approval and then sell it for new. We are anxious to oblige our customers, but we are determined that when a customer buys a record from us it shall be new, not half worn out. This is why we do not send records out on approval.

CHRISTMAS CONCERT

A very successful Christmas Tree and concert was held in Murray Harbour Presbyterian Church on the evening of Dec. 25th under the auspices of the Young Ladies' Organized Class assisted by other members of the Sunday School, the church choir and Mr. Caleb Jordan of Guernsey Cove.

The church was beautifully decorated for the occasion and the tree, loaded with gaily wrapped and tagged Christmas gifts and ornaments and electrically lighted by a staff of young people under the efficient management of Mr. Wm McDonald, was a thing of beauty and its memory will doubtless prove, to some of the little tots at least, a joy forever.

Miss Addie McDonald presided at the organ. After a Christmas carol by the choir and Mr. Jordan and a brief address by the chairman, S. S. Superintendent, Mr. H. Brooks, the following programme was rendered:

Recitation by Chester Cooper
Recitation, The Lost Cap—by Roy Bell
Lullaby—by Rose Bell Lois McLeod, Lulu Beck, Verna Brooks and Gertrude White. Recitation, The Widow's Christmas—by Mary McLeod, Trio, Silent Night, by Miss Adelaide McLeod, Mr. Ernest Bell and Mr. Jordan. Recitation, My Neighbours Little Boy—by Ross White.

Music by the Choir and Mr. Jordan.

Recitation Christmas—by Rosie Bell. Recitation, Signs of Christmas—by Milton Buell. Music, Stay on the East—by The Young Ladies Class. Recitation, The Christmas Miracle—by John Brooks. Music Oh, Little Town of Bethlehem, by the Choir. Recitation, Billie's Rose, by Miss Ruth Brehaut. Song, Santa's Welcome—by Lois McLeod. Then, accompanied by the chime of bells and singing, Bells Bells, good old Saint Nick appeared on the scene and after a laughable description of his journey from the far Northland, and a short address in a more serious vein, proceeded to distribute the gifts.

Toys, games and other articles were presented to their owners each with an appropriate and witty joke or rhyme. Each child in building then received the bag of candy and nuts so dear to the childish heart at Christmas time. The Pastor Rev. M. D. McDonald, who was unavoidably absent, was remembered in a laudable way. The chairman then thanked the audience, which filled the church to its utmost capacity, for their attention and splendid order that had prevailed through the entire programme and a "Good-night Song" by the choir and the singing of the National Anthem brought a very pleasant evening to a close. A snug sum was realized by the silver collection taken at the door.

Eastern Guardian

*SHOP from Holman's Catalogue.
*MILK FOR SALE—8c quart. D. F. MacDonald, Souris. 2-121
*SNOW! SNOW! SNOW!—Snow everywhere. Roads impassable for loads now for many days. Good for the country stores if they could get supplies. But with no trains they cannot restock.

*WOOD SCARCE—A great many people in Eastern King's and those who prided themselves on their fine wood pile, have scarcely a stick at their doors, so impossible it has been to get into the woods or to haul a decent load.

*THE COMIC DRAMA entitled "Private Tutor" will be staged in the Odd Fellows Hall Montague, Friday evening February 16th, under the auspices of the Montague branch of the Women's Institute. Come and enjoy at least fifty hearty laughs.

*DULL IN THE COUNTRY—The past couple of weeks, with the continuous snowstorms and no trains and fewer mails, has been the dullest for many years. Three or four Guardians come at one time in the mails; were it not for the telephone, it would be unbearable.

*THRESHING DIFFICULT—Many farmers would like to do some threshing just now in order to get some straw for the cattle, as the long and severe weather since early Nov. has made deep imprints on the feed, but to get a mill to the barn now is certainly a difficult matter with the great snowbanks.

*LOT 40 NOTES—The young men of Lot 40, and Marcell and vicinity are busily engaged shovelling snow after heavy storms recently. The many friends of Mrs. Winnie Edward of Bristol, Lot 40, will be sorry to learn of her departure for Boston, but all hope to see her return in the future. Mr. and Mrs. Pat Simont have occupied their new residence in Bristol. He will still carry on the same trade of keeping the postoffice. Mr. Sydney Anderson of West St. Peter's, has visited the home of Mr. and Mrs. Ernie Baker recently. Mr. Geo. James of Midgell, paid a flying visit to Dundee, where he was the honored guest of Mr. and Mrs. Joseph Dangle. Miss Sinilla Drake of St. Peter's Harbor, has gone to the city where she will reside for a while. She will be missed in the vicinity, as she is one of St. Peter's Harbor's popular young ladies. Mr. and Mrs. Reuben Drake visited Mr. and Mrs. Leonard McEwen recently; they were much entertained by Mr. and Mrs. McEwen's kind hospitality.

HORSE NOTES

Ed. Sunderlin, the man who can handle the leading reinsmen in the Maritime Provinces, will be in charge of Dan Hedgewood 204 1-2 this year; he will also handle Cavetta North and Cresan do.

William Hood, the Maritime trainer, may locate at Truro, N. S., next spring. It is reported that he has practically accepted an offer to handle a large stable of that town.

Two Maritime horsemen have tried to buy Bill Sharon, 204 1-2 lately from Joseph J. Roberts of Worcester, Mass., but the Bull of the Woods' sale is in Adrian Van Houten's hands.

Ed. Sunderlin, the man who can handle the leading reinsmen in the Maritime Provinces, will be in charge of Dan Hedgewood 204 1-2 last season on the Bay State circuit, will handle Jackson Grattan 201 1-4 for the Houlton, Maine, Club, this year. To a friend last week he said: "Jackson Grattan will get my bread and butter; I will smoke John R. Braddon cigars; Shuck Roy Grattan peanuts and eat Dan Hedgewood popcorn."

Down in Aroostook, enterprising merchants have named their products after the leading pacers, which prompted Sunderlin's statement, but it seems funny to have him mention Dan Hedgewood, for the old warrior gave him a lot of fast rides last summer.

Some Gerow, for the past two years at Newport Stock Farm, Newport, Vt., has been engaged to handle the horses of the Caribou, Maine, Driving Club, this year. Among his pupils will be Roy Grattan 201 and Colonel Bidwell 203-1-2.

The Stewards of the Maine and Maritime Racing Circuit, will meet this month to arrange dates for the 1923 season. Why not send a delegate to represent Charlottetown, as it would mean a big boom to the town to be in the circuit, and have a big Free for All with such a classy field of hobbie birds as John R. Braden 202 3-4; Roy Grattan 201 1-2; Colonel Bidwell 203 1-2; Jack Grattan 203 1-2 and Orta Finn 203 1-2 (Calgary Earle 202 1-2 and Roy Volo 208 1-4, would draw thousands of people from Maine and the Maritime Provinces, and would put Charlottetown on the racing map where she belongs.

For the Kidneys

U. S. Refuses Sale of Arms

WASHINGTON, Feb. 3.—Administration officials today acknowledged the accuracy of the German wireless report that President Harding recently refused to permit the sale of a half million rifles to the Czechoslovakian Government. This matter came up early in January. On January 12th it was announced at the White House that the U. S. Government would not sell any arms or munitions to the European Governments. It was stated at the time that an unnamed government was purchasing arms and would be glad to take a half million American rifles.

HOW IT FEELS TO BE SCALPED

In August, 1867 near Plum Creek Station, Nebraska, on the then building Union Pacific, two hundred and thirty miles from Omaha, the Cheyennes wrecked a hand-car carrying William Thompson, head foreman, and his crew of five. Thompson was shot through the chest, knocked down with a rifle butt, stabbed in the neck and while still conscious was scalped. "I felt as if the whole top of my head was taken right off," he afterwards related.

When the Indian galloped away the scalp slipped from his belt, and Thompson crawled and got it. He arrived at Willow Island, fifteen

LARGE POULTRY RAISERS

MOOSE JAW, Feb. 3.—A considerable export poultry trade has been developed by the farmers in the surrounding district during the past few years. During the period December 1st to 21st, 1922, there were fifteen cars of poultry shipped from this point. Of this 227,000 pounds went to Winnipeg, 50,000 pounds to Montreal, and 24,000 to Vancouver.

THE CARE OF SHOES

An application of vasoline after each wearing will keep patent leather slippers from cracking and will also serve as a cleaning agent. If your shoes squeak, place them in a dish with just enough linseed oil to cover the soles and let stand all night.

To keep the shine on shoes longer, take a piece of ordinary wax and rub lightly over the shoes after polishing and then take a cloth and rub shoes until smooth.

PARIS BLUEBEARD'S STOVE BRINGS BIG PRICE IN PARIS
