HELP ONE ANOTHER.
The only joys that live and grow
are those we share with others.
It is an honor that is conferred upon
us when God sends us human hearts
to be comforted or human souls to
be helped. Yet all thoughtful persons
must tremble when they accept the
responsibilities of such holy work.
It is a serious moment when a case
is brought to a surgeon on the treat-

ment of which a life depends, or when
a physician stands by a bedside to
administer a remedy at the crisis of
fever. But it is a far more serious
moment when a human life is put in
to one's hands to be cured of its
faults or comforted in sorrow. We
need divine skill, wisdom and great
delicacy for such work. Only Christ
can teach us how to deal with hu-
man lives in their need and sorrow.
He never breaks a bruised reed.—Rev.
J. R. Miller, D. D.

HAVE QUITE A RECORD.
PARIS, May 3.—Two brothers
named Brosteau of St. Usage, Vil-
lage, have a record as French fathers.
Jean father of 17 boys, one girl by
first wife. Seven boys, five girls by
second wife. Claude had 23 children
a total of 53. Both peasants earn
15 cents a day.

FAST TIME MADE BY BOY.
STATE COLLEGE, May 3.—Robin
son, a school boy, ran one hundred
yards yesterday in 9 3-5 seconds,
equalling the world's record, and 220
yards in 20 4-5 seconds, which is
two fifths faster than the record.

JAMES DURNO.
(A Braw Scot.)

The man who has very quickly be-
come a favorite with the merchants
of this province.
So much so that on his last trip
he sold more Red Rose Tea than had
ever been sold during one trip be-
fore.
He says he finds the merchants are
getting more particular about the
quality of the tea they buy—and he
thinks it will not be long before
everyone will be drinking Red Rose.
He found that some merchants
were selling loose tea as Red Rose—
but he thought it was only through
carelessness and not from any inten-
tion to deceive.
Red Rose is sold only in sealed lead
packages.

The Phoroptometer
This cut illustrates one of the instruments used
in our Examination Room for the comfort of patrons,
no heavy frame to hurt the nose and cut the ears.
Its most important function however is to dis-

balance of the ocular muscles.
