Breeding Alone Will Not Produce a Champion In Any Branch of the Livestock Industry.
Your Final Success Depends on Your Management and Selection of Feed

Fox meats are expensive and may be difficult to obtain. Don't be alarmed. Last fall MR. REYMOND had the champion adult silver male of the Charlottetown Live Fox Show, this fox being fed only on PURINA FOX CHECKERS and an ample supply of water throughout the summer and fall, as were all his adults.

Production is a direct result of your feeding schedule for months previous to the breeding season. The Raymond ranch, being one of the oldest and most consistent users of PURINA FOX CHOWS in this province, has obtained the following results:
(a) PRODUCTION—Over 3 pups per vixen per year.
(b) LOW MORTALITY—Minimum losses at birth, also throughout growing period.
(c) QUALITY Excellent quality as demonstrated by the following winnings at the 1941 Live Fox show:

The grand championship, 4 championships, 10 first prizes, 6 seconds, 6 thirds, 6 fourths, 3 fifth's prizes, and 6 other ribbons. A total of 42 prizes.
Contact your local PURINA DEALER and inquire about our reduced prices on PURINA FOX CHOWS, and take advantage of the additional 15c bag rebate by booking your order in advance.
