There is Pneumonia on Every Hand.

Three Deaths in One Family Recently Arises From Neglected or Uncontrollable Colds.

Pneumonia is second only to consumption in the number of deaths which it causes and like consumption always has its beginning with a cold.

At this season you can scarcely glance over a paper without seeing the record of several deaths from this dread disease.

Cold in the head, fever and chills, a cough which gradually becomes dry and more painful in the chest, rapid difficult breathing, feelings of exhaustion and depression—these are symptoms of pneumonia.

You can prevent and cure pneumonia by the use of Dr. Chase's Syrup of Linseed and Turpentine, the greatest of all treatments for the throat and lungs.

The only safe way is to regard every cold as serious. Think of the dreadful possibilities which accompany every cold. Remember that pneumonia and consumption are the frequent outcome, and cure the cold before it gets beyond your control.

By frequent doses of Dr. Chase's Syrup of Linseed and Turpentine you can quickly break up the cold and guard against dangerous developments. No treatment was ever so successful for this purpose.

Dr. Chase's Syrup of Linseed and Turpentine, 25 cents a bottle, family size (three times as much) 60 cents, at all dealers, or Edmanston, Bates & Co., Toronto.

CARD

To be Electors of West Queens.

GENTLEMEN:—After months of preparation for a general election the Government have decided that the interests of their party that another session should be held, and the official statement or reason given for not appealing to the country at present is that "certain modifications have been asked for by the Grand Trunk Railway Company to the contract entered into last session."

Although the pronounced policy of the Liberal party, in opposition was that all bye-elections to fill vacancies in the House of Commons, should be called simultaneously, they have thought fit on this occasion to issue Writts to fill only a few of the vacancies, one of which is West Queens. It is to be noted that no writ has been issued to fill any of the many vacancies in the Province of Quebec, except the one recently caused by the appointment of a member of the House of Commons to a Cabinet position.

I have been honored by my party in this riding as their standard bearer and in being the determination of the Liberal Conservative Party and of our respected Leader, Mr. R. L. Borden that the seat should be contested I am a candidate for your suffrages.

At the last session of Parliament the Liberal Conservative party, fought strenuously against the imposition upon the country of the Grand Trunk Pacific Deal—a scheme which was sprung upon Parliament near the close of the session without mandate from the people of Canada and the carrying out of which would result in immense expenditure of public money and incur a liability estimated from a hundred and twenty to one hundred and forty millions of dollars.

As you are aware the Liberal Conservative party were joined in their protest against the scheme by all the independent members of Parliament and by the Hon. Mr. Blair, Minister of Railways, one of the ablest members of the Cabinet, who resigned his cabinet position in protest.

The limited time at my disposal will not permit me to call personally upon all the electors and I take this means of asking for your support on the 16th day of February next. I shall if elected join with those representatives of the people in Parliament who oppose the Grand Trunk Pacific Deal.

I need not say gentlemen that if elected the interests of my native province shall be my first care. Yours respectfully A. A. MACLEAN.

COULD SCARCELY EAT. TWO BOXES OF MILBURN'S HEART and NERVE PILLS

Cured Mrs. Edmond Brown, Inwood, Ont., who she had almost given up hope of ever getting well again.

"I was so run down that I was not able to do my work, was short of breath, had a sour stomach every night and could scarcely eat. My heart palpitated, I had faint and dizzy spells and felt weak and nervous all the time. My husband got me a box of Milburn's Heart and Nerve Pills but I told him it was no use, that I had given up hope of ever being cured. He however persuaded me to take them and before I had used half the box I began to feel better. Two boxes made a new woman of me and I have been well and have been able to do my work ever since."

Milburn's Heart and Nerve Pills are 50 cts. box, or 3 for \$1.25, all dealers or THE T. MILBURN CO., Ltd, TORONTO, ONT.
