WESTERN CAPITAL

Summerside and Prince County News.

THE high tides and gales of the past few days have again played havoc with the railway wharf this time endangering the freight houses on the end of the wharf.

AT the Friday evening meeting of the Y. P. S. C. E. a resolution of condolence with the family of the late Mr. John Clay was passed expressing the sorrow of the members and their sympathy with the bereaved.

Sudden death at Wellington —Last Friday morning Mr, Peter McDougall of Wellington was engaged shingling the roof of Mr. John T. Cosgrove's house. Mrs. Cosgrove went out to bring in some firewood and was horrified to find Mr. McDougall lying on the ground dead. From the condition of the body it was thought he had been dead for some time. He had fallen a distance of only about 8 feet and it is thought that being in delicate health he had become dizy while working on the roof. Deceased was a widower 45 years of age, and was greatly esteemed by all who knew him.

The funeral of the late Mr. John Clay took place Saturday afternoon and was largely attended. After a short service at the late home the body was teken to the Presbyterian church where the funeral service was conducted by the pastor Rev. W. H. Smith. The Masonic Lodges of Summerside and a number of brethren from neighboring lodges attended in a body and marched out to the cemetery where the Masonic burial service was conducted by brother Rev. J. M. Withycombe chaplain and Bro. Leonard Morris acting W. M. of King Hiram Lodge. The pall bearers were Messrs Neil McKelvie, T. E Ramsay, Murdock McLeod, Neil Sinclair Wm. Minto, W. C. Burrows.

THE GUARDIAN learns with regret of the resignation of Mr. John Pound from the editorship of the Pioneer and Farmer which it is understood will be placed before a meeting of the directors to-morrow evening. Mr. Pound has taken a partnership in a large engineering firm in London, England, and purposes leaving for there with his family about the middle of December While congratulating him on the prospects before him and wishing him unbounding success in his new veuture, his many Summerside friends will greatly regret his departure. His courteous and genial conduct during his few years residence here has won for him the respect of all classes of citizens and a warm personal friendship of many. In his editorial capacity he has been a success and he leaves the Pioneer and Farmer with a standing among provincial papers to maintain which will necessitate hustling on the part of his successor who ever he may be. With his many other friends journalistical and personal THE GUARDIAN wishes him every success.

SOLDIERS IN CAMP

Ex-Sergeant William Johnston of the 10th Royal Grenadiers, Toronto, writes:—"It is impossible for me to speak too highly of Dr. Chase's Ointment for piles or any itching skin disease. It is simply invaluable. Many of our men used it while in camp and received excellent results." Members of the Canadian contingents took 1000 boxes of Dr. Chase's Ointment with them to South Africa to relieve the sufferings of campaigning life.

CHRONIC INDIGESTION

By far the most important part of digestion takes place in the intestines and it is folly to expect stomach medicines to cure a severe case of indigestion or dyspepsia. The kidneys, liver and bowels must first be made regular and active and the only remedy which acts directly on these organs is Dr. Chase's Kidney-Liver Pills. They are purely vegetable, act pleasantly and naturally and positively cure dyspepsia, biliousness and stomach troubles. One pill a dose-25 cents a box. take no substitute.
