**BRIDES AND GROOMS OLDER**  
BOSTON, April 9.—According to reports from the marriage license bureau most of the Boston women who marry today are between 27 and 33 years of age. Most of the bridegrooms are between 30 and 40. High living costs and the scarcity of houses have prevented many marriages, the report states.

**ARCHEOLOGICAL DISCOVERY**  
REGINA, Sask., April 9.—A discovery which will be of interest to archeologists was recently made in a farm near Leader, Sask., when bones of a prehistoric monster were said by well diggers, who at a spot of fifty feet, embedded in gravelly clay, and at a spot about one mile north of the Saskatchewan river, came upon the prehistoric bones. One of which was a tooth measuring over two inches across the crown, three inches long and was apparently connected with the animal's jaw bone and one inch thick. Other pieces of large bones have been brought to the surface and local legends claim they are remains of a dinosaur.

**Prime Minister Welcomes Rotarians**

**OTTAWA, April 11.**—A big international Rotary Convention, one of the largest two day conventions Ottawa ever handled closed Saturday night. Saturday was the big day of the Convention, including a thoughtful, earnest speech by the Right Hon. Arthur Meighen, Prime Minister of Canada, in which he touched on international relations. The Prime Minister referred to the wisdom of creating on the North American continent a spirit of conciliation, uniting in friendship two great people of the Anglo-Saxon race. He heartily welcomed the visitors to Ottawa. "This organization," he said, "has a factor to play in that great work."

**Stillman Anxious To Press Divorce**

**NEW YORK, April 11.**—Reports that James A. Stillman, president of the National City Bank of New York, was anxious to press his divorce suit to rapid conclusion were confirmed today by his attorneys. They turned over to Mrs. Stillman's counsel \$62,500 for counsel fees and alimony which they had been given until May 4 to pay in installments. With the check for that amount was a letter saying Mr. Stillman "desires a prompt trial of the issues and is not disposed to furnish any excuse for delay by staying the proceedings pending an appeal."

**FAIRLY BRISK AT MONTREAL EXCHANGE.**—Trading during the first half hour on the local stock exchange was fairly brisk, but the general tone was weak, nearly all the principal issues registering declines from their yesterday's closing levels. Abitibi opened a quarter point down, at 36. Atlantic Sugar was a quarter up, at 30. Brompton sagged a point overnight, to 31. Canada Steamships was fractionally weaker, falling off a quarter point to 25. National Breweries remained unchanged at 37. Riordan, however, dropped a point to 107. Other leaders were quiet.

**HAS NO INTENTION OF RESTORING THE BAR.**—Under the new Quebec liquor law, to come into operation May 1, the matter of the old bar or counter is left to the discretion of the Quebec Liquor Commission. Information gleaned is to the effect that the commission has no intention of restoring the bar. Wholesale liquor merchants in conference yesterday decided to send a delegation to Premier Taschereau appealing for a delay in which to get rid of their stocks.

**BRITISH-GROWN SUGAR.**—The Ministry of Agriculture states that Home Grown Sugar, Limited, the company in which the Ministry holds half the share capital, has now closed its list of contracts with farmer who have agreed to grow sugar during the present year. The capacity of the factory is 60,000 tons of beet, or 600 tons per day for 100 days, but, acting on the advice of their French specialists, the management have limited the tonnage for the first year of 20,000 so as not to overload the factory at a time when the machinery is new and the English staff to be employed are being trained. There are, it is stated, 425 farmers with an average of 5 1/2 acres under cultivation and 20,000 tons are expected from the 2,385 acres contracted for. It now appears certain that the factory will be ready by the autumn.

**Notre Dame Academy Gave Fine Musicale**

Following is the programme of the Entertainment held at Notre Dame Academy, Thursday, April 7, 1921. All persons were well pleased and many were the congratulations received by the youthful performers. The musicians executed difficult classical selections, both on piano and violin, with a taste and accuracy worthy of more advanced students. The singing of the various selections by different grades of pupils was remarkable for sweetness of tone and clearness of enunciation. By special request this entertainment is to be repeated Thursday, April 14th, at 3.15 p. m.

**CASTORIA**

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

**What is CASTORIA?**  
Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving health and natural sleep.
