ENJOYABLE DANCE—The G. V. V. A. dance at the P. W. College Hall last night was voted by all present one of the most enjoyable functions yet held under the auspices of this organization.

with a most careful study of all angles of the problem by a properly constituted tariff board. To which I replied as follows: Dear Sirs—Your letter of March 10th, re proposed reduction on motor cars, is before me, and I may state briefly that I need no better evidence that a drastic cut is needed on the duty on automobiles than page 15 of your folder, showing the price of cars in the United States, and the price of same in Canada.

PERSONALS

The many friends of John Andrew, Jr., student at P. W. C., regret to learn that he has been confined to bed for some days with a severe attack of lagrippe.

Minard's Liniment relieves headache, the sick and broken-hearted. A more faithful friend you never could find.

The large attendance and beautiful floral tributes testified to the high esteem in which the deceased was held.

The pall-bearers were H. R. Baker, W. H. Warrison, W. H. Crozier, Wm. Toombs, John Paynter and Frank Glydon.

TO THE MEMORY OF THE LATE MRS. MARY McRAE OF LITTLE SANDS.

The above-mentioned venerable lady had somewhat of an eventful career, during her sojourn here below.

Fiddlers' Contest

(Air—"Bonnie Dundee") Come all you young fiddlers give ear to my song.

Two nights of hard struggle there were by the score.

Each doing his best to keep time for the floor.

And the wealth of fags, reels, and strathspeys that were heard.

Would rival the songs of the sweet mocking bird.

There was old "Tullochgorum and braw "Soldiers Joy."

"Lord Macdonald's Reel" would bring tears to the eye.

And "O' My Johnnie Cope" and others so bright.

Were played to perfection that great contest night.

And then it began to appear as if Weeks fiddling them almost right out of their brooks.

When up from the East came a fiddling gang.

And when they got started things went with a bang.

There was Joe Angle John and Aeneas and Frank.

With Neil and his twin and Phoebe in rank.

Marched up to the hall like soldiers, why then it looked like the march of the Cameron men.

The tunes that they played were as bonny and brave.

They would make poor Jim Simons near turn in his grave.

And Elms' contingent came to the fore.

I don't think that such fiddling was ever heard before.

Then play up your fiddles and play them up strong.

And give them your best as you fiddle along.

You'll need it I'm sure for it's plain for to see.

You'll have to go some to beat Neil Cheverie.

And now it is over and Neil has won out.

He goes now to Boston to give them a bout.

And we're sure when he gets there he'll give them his best.

So will we at it that, and he'll do the rest.

Junior Basketball Banquet at "Y"

Last night fifteen players of the junior basketball league sat down to an elegant feast of potatoes, sausages, ice cream cake and cocoa.

It was sort of a losers pay affair, the two losing teams having to supply the feed to the winners in the recent league just concluded.

The Nationals being the winners were the guests of honor, while the Pirates and Independents supplied the necessities.

A new league will be formed immediately and got under way.

THE CROP OF THE MAPLE TREE

The Canadian maple continues to yield its annual crop of sweetness. The crop last year exceeded a value of five million dollars in sugar and syrup, which was slightly less than a year but over a million more than in the previous season.

The increase of the past two seasons is credited more to higher prices for the crop than to more extensive tapping and this again is believed to be a direct result of the general adoption of modern equipment and methods of manufacture.

The province of Quebec continues to lead in sugar production, yielding as it does about half the total crop. Ontario, Nova Scotia and New Brunswick yielding the remainder.

There has been a great improvement in the process of sugar making in recent years. The replacing of the open sap buckets and the old sugar kettle by the modern covered pails and rapid working evaporators, has raised the quality both of the syrup and sugar produced.

The adoption of this better equipment has given the industry a worth while place in modern agriculture wherever there is still standing a grove of sugar maples.

With these products, as with other foods, the quality has much to do with the price of the crop, which can be fine only when processed in the modern way.

Bulletin No. 30 of the Department of Agriculture at Ottawa, explains very clearly the modern process of sugar making and shows by illustration the equipment that is necessary to work a considerable grove with comparatively little labor.

This bulletin, which has reached its third edition, is available at the Publications Branch of the Department of Agriculture at Ottawa.

IN MEMORIAM

After a few days illness Mr. J. J. Fyfe passed away at his home in Kensington, March 11th, 1926 at the age of 71 years.

He was born in Margate and for twenty-two years after his marriage he made his home in Clinton, and from there he and his wife, who passed away in 1915, spent the remainder of their lives.

Mr. Fyfe united with the Methodist Church at Margate in 1870 when fifteen years of age, during the ministry of Rev. Wm. Ryan. During the fifty-six years in which he was a member, he always manifested a deep interest in the ministrations of the church.

For many years he was a teacher of young men in the Sunday School and held other offices, such as Steward and Trustee.

He was a man of strong conviction, and with a firm faith in Christ, his savior he passed away, saying to his Pastor a short time before his death, that he had no fear, but was trusting in the promises of God.

He leaves to mourn two daughters, Mrs. E. Turner, Glydon, of Margate and Miss Annie, who has also two sisters Mrs. James Brudgale of Summerside, Sask. and Mrs. Is Your Back The Weak Point

Then get your kidneys right by using Dr. Chase's Kidney-Liver Pills

Very few people are in perfect health. There is a weak spot somewhere. When you get tired or your system gets a little run down you feel the effects at your weak spot.

If your weak spot is your back, then you may suspect that your kidneys are not in perfect order. The back aches or is weak and sore; you may have headaches; there will be dryness of the skin; pains in the limbs and disorders of the bladder.

The quickest way to regulate the kidneys is by using Dr. Chase's Kidney-Liver Pills. They are bound to be effective because they remove the action of the kidneys, liver and bowels and thereby ensure the elimination of poisons from the system.
