Carmanray

the Star Town of Southern Alberta

Why not take the initiative in a good stroke of business by finding out why in only three short years Carmanray has changed from a stretch of prairie into a live town with no less than 53 places of business, a public school, several banks, municipally owned waterworks and electric light plants, mammoth elevators, etc.

Why is it that Carmanray heads the list of shipments of wheat in all Alberta. No less than a million bushels were shipped in 1911—and from the 1912 crop the tremendous increase of half a million bushels! And all this with only a fifth part of the surrounding fertile lands under cultivation!

The forests that grew a million years ago around where the prairie town of Carmanray now thrives to-day, added to Carmanray's rich resources. How?

It certainly is an interesting souvenir booklet we want to send you. It will show you how to make the stroke that creates real dollars. Why not send a postal to-day.

GOODYEAR
Bicycle Tires

EVERY TIRE THE WIRED-ON TYPE

THE NON-SKID
for Safe Speeding

It had to come—a Goodyear Bicycle Tire, built like our famous Non-Skid Auto Tire, a Non-Skid Bicycle Tire with a grip that makes speeding safe even on a slippery road. These diamond-shaped blocks of white tough rubber have a gripping surface that no other tire has equalled. You can see it for yourself. The angles and edges prevent slipping and accidents—give the rider greater traction power on wet and greasy streets. Here is confidence that makes wheeling a pleasure. And the extra thickness of white rubber—the hardest wearing rubber—gives longer wear and fewer punctures.

Look up the Goodyear dealer.

MONDAY.

Miss Lucie Rackham, accompanied by her nephew, Master Irving Alward, arrived Friday night from Portland, Maine, to spend the summer with George and Mrs. Rackham.

Rev. Dr. W. H. Griffith-Thomas, professor of Old Testament Literature in Wycliffe College, Toronto, who is to lecture in St. Paul's Church daily this week is stopping at St. Paul's Rectory the guest of Rev. T. W. and Mrs. Murphy.

Dr. Clarence McKinnon, Principal of the Presbyterian College, Halifax, who arrived in Charlottetown Friday evening to assist in the opening of the new Zion Church, was the guest of Mrs. C. A. McPhail, Brighton. He returns to Halifax this morning.

At a recent meeting of the University Club, St. John, N. B., Mrs. (Rev.) W. F. Gaetz was elected president and Miss Lillian Deinstadt, first vice-president, both of whom have friends in Charlottetown. Mrs. Ground is a member of the executive.

The friends in Charlottetown and elsewhere, of Mr. Robert Harris, C. M. G., will be glad to learn that another of his portraits has been selected for a permanent place in the Canadian National Gallery at Ottawa.

Rev. W. W. Brewer, St. John, formerly of Charlottetown, was called to St. Mary's last week on account of the serious illness of his wife. It is pleasing to note that Mrs. Brewer is now much better.

SUPREME COURT.—In the Supreme Court Saturday the final argument was concluded in the case of McKinnon vs Cumiskey. Judgment was reserved, the court adjourning until this morning at 11 o'clock when the case of McKinnon vs Smallwood will be taken up. This is the last on the docket.

SWANSEA TRADER.—Messrs. Carvell Bros. have been advised that the Swansea Trader left Halifax on Friday night and is due to arrive here tonight. She will call at Souris and Summerside before returning to Halifax.

The consecration of Bishop O'Leary will take place in Bathurst, N. B., on May 22nd and will be attended by almost all the priests from this province and many private citizens. Bishop O'Leary comes to Charlottetown a few days after the consecration and will receive a royal welcome.

W. K. S. CADETS.—West Kent School, Charlottetown, will have a first-class cadet corps this year. The boys are being drilled into shape in the fine style under the able direction of Master Ernest Weeks and Capt. Bruce Duck. It will be remembered that the West Kent Corps was second to none last year winning the Governor-General's Cup.

FOX INTERESTS.—The interest abroad in the fox industry of Prince Edward Island may be judged from the fact that one of the incorporators in the Medeshill Company is Mrs. McNichol of Philadelphia, the wife of Senator McNichol, one of the millionaires of that city. Mrs. McNichol is a Prince Edward Islander, being formerly a Miss Margaret Donahoe of Rosemeath.

General Sir Ian Hamilton will arrive in Canada during the first week of June on the trip of inspection of camps which he intends to make throughout the whole Dominion. Lord Brooke, who will command a cavalry brigade at Petawawa, will arrive about the same time and will be accompanied by Captain Howard Vase of the Royal Horse Guards and of the graduate staff college, England. Captain Vase was brigade major of General Briggs' in the famous manoeuvres held in England last year.

The Star, (Montreal) says:—"The Rev. Dr. T. Albert Moore, Methodist Moral Reform Secretary, will leave for Norway in June to study Government ownership of the liquor traffic as operated there. The Rev. Dr. Moore will have three associate secretaries in the department of moral reform, the Rev. T. Jackson Wray to be in charge of the Western work, with headquarters at Winnipeg; the Rev. Dr. Hazlewood to have charge of the central district, with Toronto as headquarters; and the Rev. J. Smith, with headquarters at Montreal, to look after the eastern provinces."

For the illustrations published in another part of this issue in connection with the opening of Zion Church, The Guardian is indebted to Mr. W. T. Huggan, Accountant of the P. E. Island Railway. Mr. Huggan is a devoted member of the church and since the demise of the Rev. Mr. Strathie, has discharged the onerous duties of chairman of the Building Committee. Mr. Huggan, who is of a retiring disposition, is highly respected in the community and, as was noted in this column on Friday, celebrates his 62nd birthday on Empire Day.

AT KING'S COLLEGE.—The encanias experiences in the convocation hall of King's College were largely attended. Among those, from this province, who lead in their classes are Mr. A. L. Collett of Victoria, Rhodes scholar, who completes his fourth year with 71 p. c. in all subjects. He was first in English and second in all other subjects, and Mr. C. A. Simpson, Charlottetown, second year, who led his year in all subjects but one, for the best Binney prize. Mr. Harper, second year, son of Rev. H. Harper, Port Hill, did not take the exams, having been called home by the illness and subsequent death of his father.

TUESDAY.

APPOINTMENT.—The Canada Gazette announces the appointment of John McDonald, Junior, to be District Inspector of Inland Revenue for the Provinces of Nova Scotia, New Brunswick, and Prince Edward Island in the room and stead of Mr. T. Burke, retired, from 1st May, 1912.

MADE IN CHARLOTTETOWN.—The valuable and handsome pulpit, communion table and chairs presented to Zion congregation, and gratefully acknowledged by the pastor, Rev. G. C. Taylor, at the dedication service last night, were designed and built for the donors by Mr. G. D. Wright, Undertaker, Charlottetown.

THE CASCAPELIA.—The S. S. Cascapedia arrived in Charlottetown Monday night with a very large general cargo, which was not all discharged until 6 o'clock last night. She sailed for Pictou at an early hour this morning and will return here Thursday afternoon leaving on return to Montreal Thursday night.

Rev. Father Cormier, of Dorchester, N. B., is at present on a visit to the Island. The Rev. Father is Roman Catholic Chaplain to the maritime penitentiary, and also has charge of the little parish in that locality. The business of Father Cormier on this visit is in connection with the double pilgrimage to St. Anne and Montreal on June 24. He has secured special cheap return rates to Point du Chene for \$2 the round trip.

A meeting of the Temperance Alliance took place last night in the Y. M. C. A. rooms, Charlottetown. The President, Rev. G. A. Sutherland, being unable to attend owing to sickness in his family, Mr. R. C. Goff presided in his stead.

The meeting was held principally to discuss the securing of a Field Secretary and raising funds. The Alliance has a man in view for the position of Field Secretary and the Secretary was instructed to visit him and see if his services were available. One gentleman has already promised to give \$500 if a certain person was made Field Secretary and no doubt other large contributions will follow as the Alliance intends appealing to the public for funds to carry on their much needed and noble work. The Alliance appreciates very much what the government has done and it is now confidently hoped that the enforcement of the Prohibition Law will be effectively carried out with the co-operation of the government.

Death is always sad, but when it enters a home and takes therefrom the Father, leaving a wife and small children bereft of his kind and loving care, it is doubly sad. Such was the case in the death of Mr. Wm. H. Ferguson of Hampton, which took place on Thursday, May 1st 1912, in his 50th year. He was in his usual health and attending to his farm duties, up to less than two weeks before his death when he was stricken with pneumonia and all that loving hands and tender care could do was done, but to no avail. His death came as a shock to the whole community, as he was well known and beloved by all. He was a man willing and ready to lend a helping hand whenever needed. He will be greatly missed in the community as well as in the Church and Sunday School where his place was rarely vacant. His funeral on Saturday, May 3rd, to Crapaud Cemetery was very largely attended. There being over one hundred carriages present. The service at the house and grave were conducted by Rev. G. M. Young.

The pall bearers were cousins of the deceased—Messrs. Hammond, Walter and Frederick Inge, Joseph and Charles Ince, and Allan Ferguson. There are left to mourn a sorrowing widow and four small children—Victor, Evelyn, Russell and Harold, a babe of nine months; also four brothers and one sister. The sympathy of the community goes out to the bereaved ones.

THIS WOMAN'S TROUBLES GONE

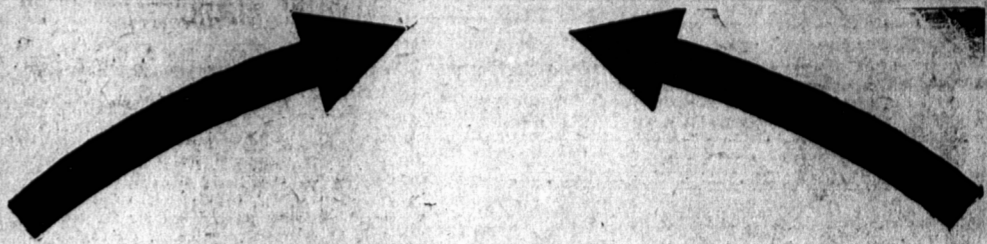

Terrible Cramps, Dizzy Spells, Nervousness, Misery—Her Story of How She Got Well Again.

Hindsboro, Ill.—"Your remedies have relieved me of all my troubles. I would have such bearing down misery and cramps and such weak, nervous, dizzy spells that I would have to go to bed. Some days I could hardly stay up long enough to get a meal. The doctor's medicine did me no good so I changed to Lydia E. Pinkham's Vegetable Compound and got good results from the first bottle. I kept on taking it and used the Sanative Wash with it, until I was well again. I think every woman who suffers as I have, could take no better medicine."—Mrs. CHARLES MATTISON, Box 56, Hindsboro, Ill.

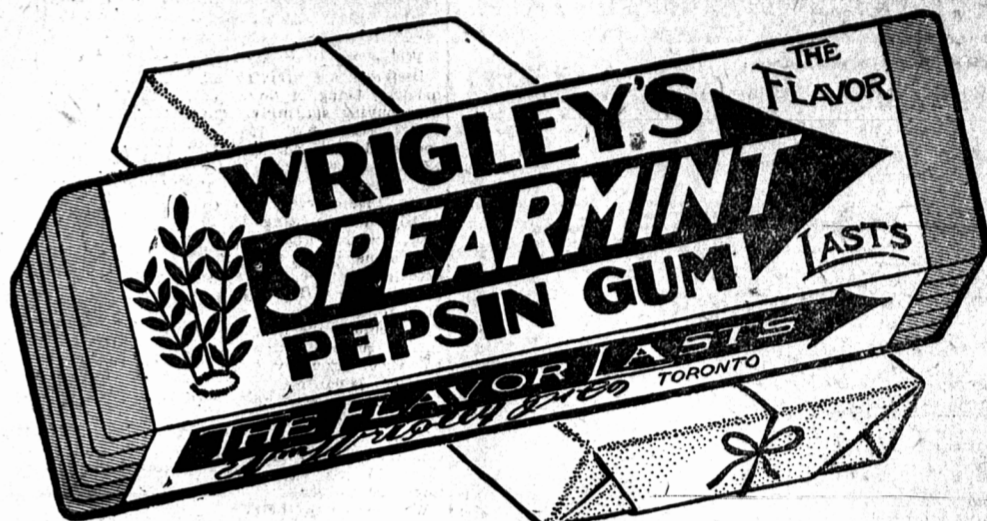

Testimony of Trained Nurse.

Cathlamet, Wash.—"I am a nurse and when I do much lifting I have a female weakness, but I take Lydia E. Pinkham's Vegetable Compound and I cannot say enough in praise of it. I always recommend it for female troubles."—Mrs. ELVA BARBER EDWARDS, Box 64, Cathlamet, Wash.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as those above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.
