A TEST EXPERIMENT.

Peculiar Power Possessed by a New Medicine. Of new discoveries there is no end, but one of the most recent, most remarkable and one which will prove invaluable to thousands of people, is a discovery which it is believed will take the place of all other remedies for the cure of those common and obstinate diseases, dyspepsia and stomach troubles. This medicine is not a loudly advertised, secret patent medicine, but is a scientific combination of wholesome, perfectly harmless vegetable essences, fruit, salts, pure pepsin and bismuth. These remedies are combined in lozenge form, pleasant to take, and will preserve their good qualities indefinitely, whereas all liquid medicines rapidly lose whatever good qualities they may have had as soon as uncooked and exposed to the air. This preparation is called Stuart's Dyspepsia Tablets and it is claimed that one of these Tablets or lozenge will digest from 300 to 3,000 times its own weight of meat, eggs and other wholesome food. And this claim has been proven by actual experiments in the following manner: A hard boiled egg cut into small pieces was placed in a bottle containing warm water heated to ninety-eight degrees (or blood heat) one of these Tablets was then placed in the bottle and the proper temperature maintained for three hours and a half, at the end of which time the egg was as completely digested as it would have been in a healthy stomach. This experiment was undertaken to demonstrate that what it would do in a bottle, it would also do in the stomach, hence its unquestionable value in the cure of dyspepsia and weak digestion. Very few people are free from some form of digestion but scarcely two will have the same symptoms. Some will suffer most from distress after eating, bloating from gas in the stomach and bowels, others have acid dyspepsia or heartburn, others palpitation or headache, sleeplessness, pain in the chest and under shoulder blades, extreme nervousness as in nervous dyspepsia but they all have same cause failure to properly digest what is eaten. The stomach must have rest and assistance and Stuart's Dyspepsia Tablets give it both, by digesting the food for it in a short time it is restored to its normal action and vigor. At the same time the Tablets are so harmless that a child can take them with benefit. This new preparation has already made many astonishing cures, as for instance, the following: After using only one package of Stuart's Dyspepsia Tablets I have received such great and unexpected benefit that I wish to express my sincere gratitude. In fact it has been six months since I took the package and I have not had one particle of distress or difficulty since. And all this in the face of the fact that the best doctors I consulted told me my case was Chronic Dyspepsia and was absolutely incurable as I had suffered twenty-five years. I distributed half a dozen packages among my friends here who are very anxious to try this remedy. Mrs. Sarah A. Skeels, Lynnville, Jasco Co., Mo. Stuart's Dyspepsia Tablets are sold by druggists everywhere at 50 cents for full sized packages. A little book on Stomach Diseases mailed free by addressing F. A. Stuart Co Marshall, Mass.

STUART'S DYSPEPSIA TABLETS. The regular train to Summerside yesterday afternoon had four carloads of sheep for the Boston market. THE funeral of the late Sheriff Gaffney Summerside, will take place tomorrow, Saturday, at 10 a. m. MR. BAYFIELD WILLIAMS returned yesterday evening by the Northumberland from a visit to Montreal. THE Schr. Nellie Reid which arrived in port on Wednesday afternoon from New York with a cargo of kerosene oil is discharging at Pownal wharf. She will load with potatoes for the Halifax market. YESTERDAY while John Shannon was helping to discharge the cargo of the Nellie Reid he was struck on the face with the hoist and received a severe cut below the eye. After having the wound dressed he was able to resume work. THE organization of a long looked for militia company in Summerside is on the tapis, and may take definite form at any moment. The departing of the contingent has no doubt been the immediate cause of the awakening of the martial spirit of our youth and manhood. It has heretofore been somewhat of a wonder that a town of the dimensions and importance of Summerside should not have been fired with a natural spirit of rivalry towards our capital which at the present stands so prominently at the front owing to the laudable military enthusiasm which has so long characterized it. Boys of Summerside, Scions of the triple stock, heirs of glorious traditions, fall in! THE death of John Gaffney, Esq., High Sheriff of Prince County briefly noticed yesterday, removed another of Summerside's most prominent landmarks and one of its most highly respected citizens. For many years a leading merchant, since 1888 United States Consular Agent, since 1895 High Sheriff of the County and for several terms Chairman of the School Board, his life and life work were closely connected with the civil life of Summerside and his death makes a blank that will not soon be filled. In June last he was prostrated by a severe attack of congestion of the lungs, from which he never recovered, since which he gradually sank till the end came Wednesday night about 9 o'clock. He was in his 65th year. Five daughters and two sons survive him, the latter two and Misses Louise and Ellis being in Boston. The bereaved family whose happy home has been so sadly broken, first by the death a few years ago of the mother (nee Miss Annie Jones, daughter of the late Captain Jones of Charlottetown), and now by that of the father, have the heartfelt sympathy of the community.

Group Quickly Cured. Mr. J. Sims, Mt. Pleasant, Vancouver, B. C. writes: If there ever was a never-fail remedy for a disease, it is Griffiths' Men-ho Liniment for croup. We have frequently administered it to our children, even the baby, and never knew of its failure to cure in a few minutes. No come should be without it. 25 cents at all druggists. "There's a man who is always looking ahead, and yet he doesn't seem to be getting rich any faster than some of the rest of us." "Who is he?" "The local weather prophet."

PILLS FOR 51 YEARS. Mr. Jas. Bowles, Councillor, Embro, Ont. writes: "For over 15 years I suffered the misery of bleeding, protruding Piles. The many remedies I tried all failed. I was advised to use Dr. Chase's Ointment, and must say that the first application gave relief, after third day the bleeding stopped and two boxes cured me completely. FATAL IGNORANCE. A London, Ont. Man Didn't Know he had Bright's Disease. LONDON, Ont., Oct. 30.—Mr. G. E. Brady, this city, has never ceased expressing gratitude at the narrow escape he experienced recently. Bright's disease had insidiously fastened its grip upon him and eaten deep into his kidneys. Mr. Brady was in ignorance of what the matter was until he happened to read the symptoms of Bright's Disease in a Dodd's Kidney Pill pamphlet. Says Mr. Brady, "I purchased three boxes of Dodd's Kidney Pills and after I had used one box, I felt the disease leaving me. I am now completely cured. My friends here in London will vouch for what I say, Dodd's Kidney Pills saved my life."
