

A Secret It aids nature a little, that's the only secret about it. We refer to Ayer's Hair Vigor. It feeds the hair, makes the scalp healthy. The hair stops falling out and all dandruff disappears. The result could not be different, for it's the natural way. And it's a splendid dressing, keeping the hair soft and smooth. Why not save what hair you have and get more at the same time? J.C. Ayer & Co., Lowell, Mass.
