BABY TOSSED HIGH BY AN AUTO AND ESCAPED INJURY

GREENWICH, Conn., Sept. 21.—Lillian Kalzing, 6 months old, was sleeping peacefully in her carriage on the lawn in front of the Kalzing home when suddenly a large automobile left the Boston post road, ploughed through the stone fence and across the lawn. It struck the baby carriage and ground its wheels to bits, but it tossed the body of the carriage and the sleeping baby twenty feet through the air and into the croch of an old apple tree.

Mrs. Henry Kalzing, the mother, ran from the house and was searching under the automobile for her infant, when she heard a merry cooing from the apple tree and looked up. There was the baby leaning out of the basket and gurgling happily to her mother. The baby was unharmed.

Frederick Muller, of New York City driver of the automobile, said his brakes broke and to avoid hitting another automobile he guided his own through the stone wall.

body of Boy Scouts in camp. The camp is situated to the left of the grand stand and is in charge of Mr. H. C. Cross, Y.M.C.A. Secretary. The boys are being drilled in bridge-building, trek and cart drill, bicycle patrol drill, physical training, bicycle drill, troop drill, first aid and signalling. A number of exercises were carried out and were witnessed with evident interest by visitors to the grounds. Among the company are detachments from Summerside and Cardigan. Mr. Frederic R. Perrott, of Ottawa, General Organising Secretary, is assisting Mr. Cross.

SOME OF THE WINNERS.

The judging not having been completed in any class last evening, it is impossible to give any portion of the prize list in this issue. Among the winners, it was ascertained, Messrs Andrew McRae & Sons took 14 firsts, 6 seconds and 2 third prizes with Ayrshires, taking the grand championships with their aged bull and Milkmaid 7th.

Messrs J. M. Laird & Sons won 6 first, 2 second and 3 third prizes; Mr J. W. Calbeck 3 first, 1 second and 1 third prize.

Other winners were Messrs Lea & Clarke, Victoria, who showed some splendid specimens of Holstein cattle; Roper Bros., Royalty, Guernseys; Wm. Clarke & Sons, North Wiltshire, Jerseys.

THE RACES

Two races were on the programme for the opening day—240 trot and 219 pace stake. Both were good, interesting races. They were won in straight heats by Arkola, 2.18½, now owned by Mr. Etter, of Amherst, and Bob Mack, 2.13½, owned by Mr. Edgar Campbell, C. B. Both horses are Island-bred and were winners over big fields of horses at Halifax. They had the "class" over the rest of the field, although Princess Etta made it very interesting for Bob Mack. Several entries were drawn in each race their owners having found by experience in Halifax that they could not successfully compete with the other horses.

The 240 class trot was the first event and the interest in it was mainly centred in the battle for positions other than first. Brenton H. was successful in winning second in the first two heats, but in the third Cap Cresceus came very fast and captured the second place. First money went to Arkola, second to Brenton H., 3rd to Cap Cresceus, 4th money divided between Amherst and King Hood. The best time was in the opening heat, 2.22½. In this heat Admiral was leading at the half in 1.02½.

THE RECORD.—Although Bob Mack is officially credited with the record for Maritime Bred Pacers, 2.13½, the record is really held by Helen R., owned by McKinnon Drug Co., of this city. On the second day of the Exhibition of 1914 she stepped an exhibition of 2.12½, which is 1½ seconds better than Bob Mack's record. Owing to the fact that she was preceded for a short distance by another horse in her flight against time the National Trotting Association did not give her the record. She was winner of 3 races, she was biggest money winner at Halifax Races capturing the 240, 230 and 225 Classes and making the race record of 2.16½.

IN MEMORAM

JOSEPH F. MCLELLAN

After an illness of nearly two years there passed away at Indian River at the age of seventy years, Joseph F. McLellan, accountant. Early in life he began his commercial life in the employ of the late James Reddin, Charlottetown. Later he was employed at Orwell, Kensington and O'Leary and the last active years of his life with his brother at Richmond. He was highly respected for his honesty and integrity. May his soul rest in peace.

MRS PETER COYLE.

The death occurred in this city, on Sept. 20th, of Annie, relict of Mr Peter Coyle, at the age of 69 years. The deceased had been in failing health for the past three years. All that medical skill and careful nursing could do to prolong life was done, but to no avail. She leaves to mourn four sons and four daughters, namely, Peter and John in Boston, Thomas and George at home, Mrs Joseph Conway and Mrs J. F. Allen, New York; Mrs Henry Chipman, St. John, N.B., and Madeline in Portland, Maine, besides a granddaughter, Miss Minnie Conway, who nursed her in her last illness. The funeral, which took place from her son's residence, 60 King Street to St. Dunstan's Cathedral,

thence to the R.C. Cemetery, was largely attended. Mother, thy gentle voice is hushed, Thy warm, true heart is still, And on thy pale and peaceful face Is resting death's cold chill.

Thy hands are clasped upon thy breast; We've kissed thy marble brow, And in our aching hearts we know We have no mother now. (N.Y. and St John papers please copy)
