SERIOUS CONDITIONS IN RUBBER FACTORIES

(Canadian Press.)
ST. PETERSBURG, April 1—Members of the Duma are urging the appointment of a committee to investigate the mysterious sickness from which operatives in tobacco and rubber factories are suffering. More than seventy new cases today were reported in a Tobacco Factory and over thirty in a Rubber Factory. The employees are leaving by the score. According to the police, the epidemic is a plot to ferment strikes among the men who engaged an expert chemist to assist them in bringing about the conditions whereby the operatives were overcome while engaged at work.

FADS AND FASHIONS

The corduroy suit made Russian House style and trimmed with fur is eminently becoming to the slender figure.

A simple and becoming style is the peasant's smock. This fashion is featured on many of the smart gowns.

The new hand bags are made of very fine, soft leather, and are invariably shirred into the metal frame. They resemble the medieval bags carried by our ancestors.

A pretty idea to hold the pleated skirt in place so as to retain the silhouette is to wear a long loose sash that is draped from the front of the skirt toward the back and knotted the bottom of the skirt.

This Lady Knows How to Keep Well

She always keeps Gin Pills in the House

GLENELLA, MAN. "I think GIN PILLS are the finest things for the kidneys. When first I came to Canada, I suffered with dreadful Pains in my Back, that made me quite ill. A friend gave me six of your GIN PILLS and after I had taken one dose, I felt less pain. I then got myself a box and before half of it was gone, I had lost all the backache. It did seem a treat to be rid of the pain. If any one tells me, what a pain they have in their back, I say "You should try GIN PILLS." Mrs. J. PICKRELL.

Take Mrs. Pickrell's advice and take GIN PILLS. They will cure you of every trace of Backache, Kidney Trouble or Rheumatism. See a box for full description on receipt of price if your dealer does not handle them. Money back if GIN PILLS do not give prompt relief. Sample free if you mention this paper. How To Make Your Hair Beautiful

TEN MINUTES' HOME TREATMENT WORKS WONDERS, STOPS FALLING HAIR, ITCHING SCALP AND DANDRUFF AND MAKES THE HAIR SOFT, BRILLIAN, LUSTROUS AND FLUFFY

Better than all the so-called "hair tonics" in the world is a simple old-fashioned home recipe consisting of plain Bay Rum, Lavona (de Composee), and a little Menthol Crystals. These three mixed at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Lavona, 6 oz. Bay Rum and 3 drachm Menthol Crystals. Dissolve the Crystals in the Bay Rum and pour in an 8 oz. bottle. Then add the Lavona, shake well and let it stand for an hour before using. Apply it by putting a little of the mixture on soft cloth. Draw this cloth slowly through the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dust and excessive oil and makes the hair delightfully soft, lustrous and fluffy. To stop the hair from falling and so make it grow again rub the lotion briskly into the scalp with the finger tips or a medium stiff brush. Apply night and you cannot find a single loose or straggling hair. They will be locked on your scalp as tight as a vise. Dandruff will disappear and itching cease. In ten days you will find downy new hairs sprouting up all over your scalp and this new hair will grow with wonderful rapidity. Any druggist can sell you the above. The prescription is very inexpensive and we know of nothing so effective and certain in its result.
