THE EASTERN GUARDIAN

AGENTS: MONTAGUE: Harold F. Landry, Albert Aitken, Mrs. Byron Stewart, Miss Harriet Clair. AGENT GEORGETOWN: Waldon Lavers. AGENTS SOURIS: Miss Edna Richards and Gordon Farrell

The Guardian may be bought at any of the following places in Montague: Miss S. A. Lowley; Mrs. Clay. In Georgetown: The Post Office; in St. Peter's: The Post Office.

Mr. Clement MacDonald, Primrose, was a recent business visitor to Montague.

Mr. William Webster, Montague, motored to Charlottetown Saturday on business.

Mr. and Mrs. Ernest Johnston, Fortune, were recent visitors to Montague on business.

Mr. Albert Fraser, employee of Canadian National Railways, E.S. Royalty, was a week-end visitor at his home in Montague.

Mr. John Hogan, commercial traveller, was a recent visitor to Montague and vicinity calling on his regular customers.

Mr. and Mrs. Lorne Dunn, Gaspareaux, were visitors to Montague on Saturday visiting friends and relatives here.

Mr. C. P. Wilkins, commercial traveller, spent the day in Montague and vicinity calling on his regular customers.

Friends will regret to learn that Mr. Spencer Llewellyn has entered the King's County Memorial Hospital where he has undergone an appendectomy.

Mr. William MacIntyre, student at Prince of Wales College, spent the week end in Montague at the home of his parents, Dr. and Mrs. Preston MacIntyre.

Miss Jessie Hutchison, nurse-in-training at the Prince Edward Island Hospital, is at present on a three weeks vacation at her parents' home in Montague.

Mr. John Dan MacPherson, Launcheon, was a recent business visitor to Montague. Mr. MacPherson reports that travel in his district is somewhat difficult with the roads being in such a sluggish condition.

A very unfortunate accident occurred in Bridgeford when Charles Dingwell, son of Elliot Dingwell, severely fractured his arm in two places while coasting on a nearby hill. Charles who was a guest at the home of his aunt, Mrs. Kenneth Ross, was immediately taken to Cardigan by sleigh where they were met by Sandy's taxi service and taken to the King's County Memorial Hospital, where the injured arm was set in a cast. At last report the boy is said to be doing very well.

Messrs. Ad. MacLure, A. F. Campbell and Lorne Wigginton accompanied the kiddies to Charlottetown Friday night to attend the provincial ice sports. Transportation was provided by the Eastern Coach Lines, and took in both Montague and Georgetown winners which numbered approximately forty-five. Montague winners included Faye Stewart with two firsts and two seconds, Jack Lannigan, with one first and one second, Hugh Power with two thirds, Judith Graham, one second. The competition was strong in each event, and brought out the best qualities of each contestant. The policy of bringing together different schools together is fostering a spirit of co-operation which will grow each year as students learn that friendly and clean competition is one of the best ways to develop character.

The Montague Curling Club was represented at the Junior play-downs at Amherst, N. S., by Mr. A. E. Sullivan, 1st stone, Mr. Douglas MacLaren, 2nd stone, Mr. Levi Power, 3rd stone, and Mr. W. R. Gilbert, skip. Although losing in the competition, the team has brought back valuable information on new methods of play. It has been noted that in the Dominion MacDonald Briar Bonspiel, the West has captured 18 out of the 19 playdowns, indicating that their method of play is far stronger than the Eastern type. Our draw and guard game seems to be a match for their wick and take-out game which lends itself to more accurate shooting and higher scores than the Eastern game. Moreover, the westerners have made it a youngsters game so that by the time they are twenty, they are almost finished curlers, and are able to stand the heavy strain of a week's curling. It would seem apparent that if the Easterners wish to provide ample competition to the Westerners, the style of play must be drastically changed or else it will be a long time before we see the MacDonald Briar Trophy in Eastern Canada.

The Aketa C. G. I. T. of the United Church met at the home of Mrs. R. K. Clements on Thursday, March 18th. The meeting opened with the devotional period led by Miss Nellie Clements. The minutes of the last meeting were read by Miss Helen Hamilton. This was followed by the missionary program on Canadian Indians. Following the study period a social hour was enjoyed by all.

IN MEMORIAM

Sorrow found room in many hearts in Montague and surrounding districts when it was learned that Mrs. Russell Brehaut had passed to her eternal reward on Wednesday, March 17th at the age of 81 years. She had been quite active up to the time of her illness a week prior to her passing. Hopes for her recovery gradually diminished as the days went

with the passing days, and God willed that she should pass to her eternal rest. She will be sadly missed by a wide circle of friends who loved her for her kind deed, her lovely personality and her pleasant disposition to all; but most of all she will be missed to the home by her sadly bereaved husband. She was born in Vernon River where she lived for a number of years. In early life she married Mr. Russel Brehaut and settled in Montague where she endeared herself to all who knew her. Besides her bereaved husband, she leaves to mourn one daughter, Hazel, Mrs. J. J. Stewart, Montague. The funeral service was held at the United Church, Friday, March 19th, where the church was filled to capacity with friends and relatives assembled to pay their last respects to a dear departed one. Her pastor, Rev. A. S. Adams conducted the service, and spoke comforting words to the bereaved. Attending also were Rev. A. S. Webb, Vernon, and Rev. P. Richardson, Montague. The hymns chosen were "Sands of Time" and "Safe in the Arms of Jesus". A solo "Christians Good Night" was beautifully rendered by Mrs. Ralph Beck. The pall bearers were her six nephews, Henry MacLaren, Harry MacGregor, Irving Tweedy, George Tweedy, Lloyd Shaw, Howard Vickerson. Interment took place in the Lower Montague Cemetery.

Paced by the smooth working line of Fitzgerald, MacLean and Lavandier, the Georgetown Eagles captured the Southern Kings Taylor Trophy at Montague, Saturday, March 20th, by defeating the Murray Harbour Black Hawks by the score of 2-1. Before a packed house, and on slow ice, both teams put on the best hockey exhibition of the year, giving the fans every thrill in the book, and leaving them exhausted with excitement when the game finally ended. Battling every inch of the way, the Georgetownians swept around the Harbour players with one attack after the other. The superior speed of the Georgetown squad was amply evident as each opposing attack was basketed off, and the attack returned leaving their opponents somewhat bewildered with the furious attacks. The Harbour goalie, however, gave a stellar performance, but finally S. MacNeil placed a clean, hard shot into the twines. Throughout the second session the Black Hawks battled fiercely to tie the score but were unable to pierce the stonewall Eagle defence, and the clever net work of the goalie. Trying desperately to get the equalizer, the Harbour forced the play in the last corner, leaving the defence somewhat unguarded, and the Georgetownians quickly capitalized on a breakaway with Stevens sending in the rubber for the number two counter. Again the fast speed of the Eagles overcame their opponents even though the ice was by now very heavy, and everyone was tired. Nevertheless the Black Hawks continued to bore in, and on a slick shot in the lower right minutes to go, Georgetown again stole the play and peppered the Harbour goalie with shots from all sides, but he proved equal to the occasion, and repelled the attacks. When the final bell sounded the Eagles were still blasting away, and had won the Southern King's Trophy. An opportunity might be taken here to offer congratulations to the Georgetownians on winning the trophy, and above all for their excellent show of sportsmanship, fair play and gentlemanliness throughout the whole season. In the intermission between the first and second period Mr. J. A. MacDonald, president of the Southern King's League presented the Bison Trophy donated to the most valuable player on the Montague Juniors, to Ernest Carver, captain of the team. During the season Mr. Carver has shown himself to be a valuable playmaker in his centre position, and a gentleman on the ice at all times. At the conclusion of the game both teams lined up at centre ice for the presentation of the Taylor Trophy. Mr. J. A. MacDonald made the presentation speech to the Georgetown squad and Mr. Glen Reynolds, local manager of Taylor Jewellers made the presentation to Mr. Walter MacLean, captain of the team. Following this each member of the team was presented with individual cups also donated by Taylor Jewellers. With cheers and congratulations from the Black Hawks, and all the assembled fans, the Eagles victoriously skated off the ice with the cherished trophy which they had deservedly won.
