SECOND ROUND OF INOCULATIONS STARTED—In the second round of inoculations started in West Kent School yesterday morning for the immunization against diphtheria organized by the Red Cross Society there were 233 children inoculated by Drs. Yeo and Goodwill, including nine from St. Peter's Day School. Except for a few who were absent owing to illness all those who had received the first inoculation three weeks ago turned up for the second one today. Those who were not present will be given the opportunity of receiving their second dose at the Red Cross office on Wednesday afternoon. In addition thirteen others received first inoculations. The usual splendid co-operation on the part of principal and teachers helped the clinic to run smoothly and all inoculations were completed within one hour. 1308-31

ST. PETERS CATHEDRAL—At the 11 o'clock Eucharist on Sunday the Rev. Canon Malone was the celebrant, while the Rev. Charles Palmer was the preacher, and took as his text the 13th verse of the 26th chapter of Acts of the Apostles. Prefacing his sermon the preacher stated he appreciated the invitation to preach in the Cathedral and the opportunity given him to worship at the daily services in the Chapel of the Cathedral, and added that he had visited many beautiful chapels both in Canada and in England, but in the Chapel of this Cathedral one was reminded of the words of Scripture, "Let us worship the Lord in the beauty of holiness." In closing a splendid sermon the Rev. Mr. Palmer said he was shortly leaving for the mission field in Kangara, India, where his immediate work would be the teaching of Scripture and English in a school and also, he hoped, some Boy Scout work and asked for the prayers of the congregation. During a portion of this week Canon Malone will be in Georgetown and in his absence the daily Eucharist will be celebrated by Rev. Mr. Palmer at 7.45 a. m. 1308-31

ROTARY CLUB—"Some Phases of Life Insurance" was the subject of an interesting address delivered by Mr. Charles M. Williams, speaker at the Rotary luncheon yesterday, Mr. Williams stressing mainly the value of life insurance as an investment. Rotarian C. C. Thompson on behalf of the Boys' Work Committee brought up a case of a bright boy who is attending school but who is greatly in need of some assistance to enable him to continue his studies. The circumstances have been thoroughly investigated and it was shown that this was a very worthy case. He asked that the amount which had been voted for a toboggan slide but which had not been used should go towards the education of this boy. The Club on motion decided to grant the request of the committee. Mr. J. P. Crockett presided, and there was one guest, Mr. W. J. Monaghan of Halifax. The musical programme comprised a vocal solo by Mrs. Cudmore, who was escorted. 1308-31

TEACHERS MEETING—The monthly meeting of the Teachers' Service Training School was held Tuesday, January 14th, in Mt. Stewart School at 7.30 p. m. with Mr. Court, Supervisor of Schools, and eight teachers present. The president Miss Bessie MacLeod, occupied the chair. The minutes of the previous meeting were read and adopted. The following officers were then elected: Press Committee, Miss Bessie MacLeod and Miss Lucy Long; Entertainment Committee, Miss Anne MacDonald and Miss Helen MacDonald. The subject discussed was silent reading, and each teacher was asked to write out a lesson on "The Coyote." Mr. Court gave a very instructive and interesting talk on "Silent Reading," and discussed the time table with the teachers. The subject for next meeting is teaching of history, and each teacher is asked to prepare a lesson on "The First Approach of the American Revolution." The next meeting is to be held in Mt. Stewart School, Feb. 18, at 7.30 p. m. 1308-31

**Late Market News**

(Canadian Press)

OTTAWA, Ont., Jan. 27.—The general tone on Canadian egg markets continues rather irregular today, although the recent cold weather appears to have closed off receipts temporarily in some sections and lent a little steadiness to the situation.

TORONTO, Ont., Jan. 27.—The local egg market today is unchanged but nervous and irregular. Dealers are quoting country shippers for ungraded eggs extra 47 to 48; firsts 43 to 45; pullet extra 40 to 42; seconds 32 to 36 cents delivered cases to be returned. Brokers are making sales of graded country shipments at: extra 52; firsts 50; pullet extra 49; seconds 40 delivered.

MONTREAL, Que., Jan. 27.—Egg receipts here today were 2,194 cases as compared to 1,249 cases a year ago. This egg market is dull with some accumulation of stocks although the local demand is somewhat better at the recent price declines. Receipts from Ontario at the present time are light. Fresh eggs are selling to retailers at extras 55 to 57; firsts 53 to 54; pullet extras 52; seconds 45 to 47. Winnipeg, Man. Jan. 27.—Local egg receipts here continue to increase steadily and paying prices to country shippers have been slightly reduced. These are low extras 45; firsts 43; seconds 35 delivered cases returned.

CALGARY, Alta., Jan. 27.—With local receipts and shipments from Vancouver insufficient to meet requirements there is a scarcity of eggs on this market and dealers are again turning to the United States for supplies for local country shipments. Dealers are paying extras 43; firsts 41; pullet extra 38; seconds 25.

VANCOUVER, B. C., Jan. 27.—As a result of the cold weather egg receipts here are now 25 percent lighter than two weeks ago. There is still however a considerable surplus for outside shipment particularly of extras which are weak. Dealers are quoting producers for ungraded eggs extras 43; firsts 40; seconds 36 to 38 cents.

PHILLIPS' MILK OF MAGNESIA

For Troubles due to Acid Indigestion ACID STOMACH HEARTBURN HEADACHE DROWSINESS

What many people call indigestion is really excess acid in the stomach. The stomach nerves have been overstimulated, and food sours. The corrective is an alkali, which neutralizes acids instantly. And the best alkali known to medical science is Phillips' Milk of Magnesia. It has remained the standard with physicians in the 50 years since its invention.

less alkali in water will neutralize instantly many times as much acid, and the symptoms disappear at once. You will never use crude methods when once you learn the efficiency of this. Go get a small bottle to try.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. Each bottle contains full directions—any druggist.

REQUEST REPEATED FOR AIR SERVICE

Subsequent to Saturday's meeting of the Council of the Charlottetown Board of Trade and consultation of the Air Mail Committee, the following letter re Air Mail was yesterday sent to the Postmaster General by President Crockett:

January 27th, 1930.

Hon. P. J. Veniot,  
Post Master General,  
Ottawa.

Dear Mr. Veniot:

Acknowledgement of your telegram of January 21st, and your letter to the Chairman of our Air Mail Committee has been delayed pending meeting of the Council of our Board, which was held on Saturday afternoon.

Our Board is appreciative of your promise that: "Should there be any interruption in present Ferry service disrupting present mail service planes will supplement it."

At the same time, last winter's demonstration of the great advantages which Air Mail Service can provide to this Province, and the manner in which it overcomes the delay of transportation to which our Province has always been subjected by reason of the navigation of the Strait and the transfers thereby involved, leads us to anticipate that at an early date, we may enjoy regular air service for mails as well as urgent passengers throughout the year.

The Air Mail Service of Canada, is we are confident, doing splendid pioneer work, and we feel that our Province should be linked up at least to a limited extent so that the air-mindedness of our people may be developed along with the rest of Canadians.

Between Moncton and Saint John four express trains operate daily in each direction, Charlottetown is closer to Moncton than is Saint John, and the great bulk of our business of necessity moves through that centre. The one train per day from Moncton to Charlottetown on the winter schedule, when operated on time, taken twice as long to make the trip, as does the slowest of the four passenger trains from Moncton to Saint John. It has been thought wise to operate air mail from Moncton to Saint John, not we think because of the revenue that it will immer cows, good, \$7.50 to \$8; medium, \$5 to \$7.25. Canners \$3.50 to \$4, cutters, \$4 to \$5. Butcher bulls, good, \$7.50.

Calf receipts, 442. Calves were mostly grassers and were in good demand, selling between \$6.65 to \$7.25. Veals were steady at \$9.50 to \$15.00.

Quotations: Good veal, \$15 to \$15; some medium, \$13 to \$14; common \$9.50 to \$13; grass, \$6.50 to \$8.25.

Sheep receipts 118. Lambs were steady at \$10.50 to \$11.00 for good ewes and wethers. Bucks and cutts were sold for \$9.50 to \$10.00. Sheep were mostly from \$5 to \$6 with an odd one at \$7.

Quotations: Ewes, \$4 to \$7; lambs, good, \$10.50 to \$11; common, \$9.50 to \$10.

Hog receipts, 1,099. Hogs were a fully 50 cents higher and were sold for \$13.75 to \$14.00 fed and watered (air). When graded hogs brought \$12.75 and \$14.00 for hogs with \$1.00 premium per hog on select and cuts on off grades. Cows were from \$11 to \$12.50.

REQUEST REPEATED FOR AIR SERVICE

mediately develop, but that Canada's air services may be more National in scope. True, we have this winter, supplementing the one train a day which we had last winter, a freight service from Sackville to Charlottetown which carries mail and passengers, but necessitates an over night stop on a route which the air plane covers in forty minutes. And we submit that practically no regular train service in Canada (especially one linking up a Provincial capital) can be speeded up to a proportionate extent by air service as that between Moncton and Charlottetown.

Your letter of the 20th deals only with the incoming mail as provided by what may be termed the Semi-daily schedule effective this winter. But in respect to our outgoing mail, we would point out that under our summer service, our mail, all of which arrives in Charlottetown after the close of the business day, can be dealt with the following forenoon and replies despatched at two o'clock in the afternoon, going forward by the Maritime Express to all points North and West. Under this winter's service no such connection is possible and nothing can go forward except for Saint John, Halifax, and a few other intermediate points for which closed bags are made up, thus losing a full business day for Toronto, Ottawa, New York and all such points as compared with the summer schedule.

During the past week, the one through train a day service, Moncton to Charlottetown, was late on arrival at Charlottetown to the following extent—Monday, 25 minutes late; Tuesday, one hour and twenty minutes late; Wednesday, fifty minutes late; Thursday, one hour and twenty-five minutes late; Friday, one hour and forty minutes late; Saturday, one hour and forty-five minutes late.

Our Board feels that you will be well able to justify to your colleagues the cost of one round trip a day by Air Plane to this Province until the ice breaks up in March or April, and can assure you that there will be appreciation here if you accede to our wishes in this respect.

We are taking the liberty of handing a copy of this letter to Hon. Mr. Sinclair, M. P., and Mr. R. H. Jenkins, M. P., so that they may be apprised of the representations of the Board.

Very respectfully yours,  
(Sgd.) J. P. CROCKETT,  
President,  
Charlottetown Board of Trade

LIVESTOCK MARKET

(Canadian Press)

MONTREAL, Que., Jan. 27.—(Live Stock)—Cattle receipts on the two local live stock markets today totalled 659. The cattle market was steady to firm. Plain to medium cows made up the bulk of the offerings. Prices were about steady. Good steers brought from \$9.50 to \$10 and medium quality around \$9.25. One lot of steers with an odd heifer averaging close to 900 pounds brought \$8.75. Common thin steers down to \$7.50. Heifers, brought from \$6.50 to \$9.50 with an odd one at \$9.75. Choice at \$10. Plain to medium were selling between \$5 and \$7 and one load of fair to good cows were sold for \$7.50 with an extreme of \$8.00. Canners and cutters, \$3.50 to \$5 and bulls were steady at \$3.50 to \$8 according to quality.

Quotations: Butchers steers, good, \$9.50 to \$10.00; medium, \$9 to \$9.50; common, \$7.50 to \$9. Butcher heifers, good, \$9 to \$9.75; medium \$8.25 to \$8.75; common \$6.50 to \$8.00. Butch-
