Get Rid of The Dust Nuisance In Your House

Floor-dust carries most of the germs that make doctor's bills mount up. Floorglaze makes floor-dust not worth reckoning with.

Because Floorglaze, the can't-wear-off enamel in ten shades, practically DOES glaze a floor. And dust won't lodge on a Floorglazed floor. Saves a lot of housework,—and banishes a plenty of disease.

Floorglaze and rugs, with the smallest care, insure the health of the household and make a better-looking house. Anybody can apply Floorglaze,—a gallon does 500 square feet.

Just as good outdoors as indoors,—and nothing else does so well for either. Why don't you get your floors disease proof?

Your dealer should have Floorglaze. Let us know if he hasn't. You would find our Free Book interesting reading. May we send you a copy? Ask on a postcard, Imperial Varnish & Color Co., Limited, of Toronto.

Tooke SHIRTS

The Colored Neglige Shirt is the popular shirt to-day. A short time ago negligee shirts were worn only in summer. Now the best dressed men wear them all the year round. They find them much more comfortable for daily use, than a stiff-bosomed shirt. Not only are they more comfortable, but they wear longer, because they make fewer trips to the laundry. It is not the use of a shirt that wears it out it's the laundry that does it. The name Tooke on a shirt means Fit, Wear and Comfort—look for the name.
